

New Year's Party Hat

You will need

- Safety scissors
- Washable PVA glue
- Ribbon or string (approximately 60cm)
- Hole punch
- Brass paper fasteners (2 per hat)
- 3 x A4 sheets of paper

Printing and assembly instructions

Note: Project assembly is intended for grown ups only!

- 1 Print artwork and set aside to dry completely.

- 2 Cut out pieces along the solid lines.

- 3 Use the hole punch to make holes on either side of the cone. Insert a brass paper fastener into each hole.

- 4 Twist the paper strips around a pencil to make them curly then glue them inside of the top of the hat.

- 5 Fold the large tab of the cone inward on solid line, curving hat into a cone, and glue to inside of hat. Allow to dry.

- 6 Use the hole punch to make holes on either side of the cone. Insert a brass paper fastener into each hole.
