Mummy Dogs

"Inspired by the adventure I went on with Sherman & Penny to Ancient Egypt, here's a delicious way to mummify a hot dog!" – Mr. Peabody

Servings: 10 mummy dogs
Prep Time: 25 min
Bake Time: 15 min

Ingredients

- 1 can refrigerated crescent rolls
- 3 slices American cheese
- 10 hot dogs
- Cooking spray
- Mustard

Directions

- Preheat the oven to 375°F
- Line a baking sheet with parchment paper
- Carefully unroll the dough on a lightly floured surface
- Press the perforations together to make 4 rectangles instead of the pre-set 8 triangles
- With a pizza cutter, cut each rectangle into 10 long strips, making a total of 40 strips of dough
- Slice cheese into quarter squares
- Wrap a slice or two of cheese around each hot dog
- Wrap each hot dog with a total of 4 strips of dough; to create the mummy face be sure to leave about ½ inch of space near one end
- Place the wrapped hot dogs cheese side down on the parchment paper
- Lightly spray the arranged mummies with cooking spray
 - Bake for 15 minutes or until dough is golden brown
 - Let hot dogs cool before drawing faces on with mustard
