

BELLE'S WRITE YOUR OWN FAIRY TALE

Every good fairy tale has many important characters and parts to make these stories special. Use this helpful page to write your very own FAIRY TALE. Remember – every fairy tale starts with “Once upon a time...”

AN ENCHANTED KINGDOM

Every fairy tale takes place in a special world or kingdom. This can be an enchanted forest or someplace like the Beast's castle where everyday objects come alive.

Describe what is special about the KINGDOM in your story:

REMEMBER – your everyday world can be a magical kingdom as well!

A PRINCESS or PRINCE

Fairy tales often have a princess or prince as the main character of the story. *BEAUTY AND THE BEAST* is the story of how Belle met her prince, the Beast, and what they learned along the way.

Who is the PRINCESS OR PRINCE in your story?

REMEMBER – your main character is the hero of your story!

A SPECIAL DREAM

There is a special want, goal or dream that every prince or princess is working to accomplish. Belle's want is to save her father while the Beast's dream is to break free from an enchanted spell.

What is your character's SPECIAL DREAM?

REMEMBER – this can be a simple wish or a big dream, but it is always special.

A DIFFICULT CHALLENGE

Every prince or princess has some obstacle or challenge that they must overcome before they can fulfill their fairy tale dreams. The Beast's biggest obstacle is to find someone to love him.

What is your hero's greatest CHALLENGE?

REMEMBER – it might take a long time to overcome some challenges, but keep at it!

FRIENDS & HELPERS

Whether it's a group of enchanted dishes, mice or a magical fairy godmother, it's important to have friends who can help you with your challenges and dreams. Belle has her enchanted friends, Cogsworth and Lumiere, who help her to overcome obstacles.

Who are the FRIENDS & HELPERS in your story?

REMEMBER – in order to have good friends & helpers, your main character must be a good friend and helper to others.

A FAIRY GODMOTHER

Belle has Mrs. Potts as her kindly Fairy Godmother. These special characters have a magical way of helping our main character learn and grow as they go through challenges and obstacles.

Who is your character's FAIRY GODMOTHER or GODFATHER?

REMEMBER – this can be a wise teacher, parent or special mentor who helps your main character along the way.

A LITTLE MAGIC

Every fairy tale has a little magic added to it for good measure. The Beast's transformation from a beast to a handsome prince took a little magic and some hard work as well!

What hard work will your characters have to do to make a LITTLE MAGIC happen?

REMEMBER – Magical transformations are possible, but they take time and involve a lot of hard work as well!
