

Mickey Mouse St. Patrick's Day Cutie

Print on regular paper or cardstock and cut out all of the pieces. Do not cut along the dashed lines -- this is where you will fold the paper.

With the design facing you, make all of the vertical folds on Mickey's shorts away from you. Close the shorts by gluing tab A to the inside of the design.

Fold the bottom of Mickey's shorts outward, his feet down, and his tail up.

Fold the top of the shorts like a box and tuck the tab inside.

Fold the head in half and secure so the design is two-sided. Make sure the pieces are lined up evenly before the glue dries. Insert the neck into the top of the shorts where you folded the top closed.

Fold each arm in half and secure so the design is two-sided. Do not get glue on the tabs on the ends of the arms. Fold those outward and use them as a base to attach the arms to the sides of the body. Glue the arms to Mickey and your cutie is finished!
