SEVEN LUCK BUCKS

Print out as many "Luck Bucks" as you would like to make. Fold the "Luck Buck" in half along the center line, then cut out the bill, keeping it attached at the fold line. Put glue on one of the blank sides of the "Luck Buck" and adhere both sides together. Give away luck bucks on St. Patrick's Day (or any day!) to your friends and family and maybe some luck will come your way in return.
