Galactic Grapes

Ingredients

- Green or red grapes
- Thin pretzel sticks

Preparation

Create galaxy constellations by connecting grapes with pretzel sticks. Have fun making different galactic shapes!

Cosmic Cocoa

Directions

1. Whip up your favorite hot cocoa.
2. Make it astronomically delicious by decorating it with marshmallow, whip cream, and sprinkles.

Tomorrowland Trail Mix

Ingredients

Mix together your favorite trail mix snacks. Here are some ideas:

- Pretzels
- Almonds
- Dried fruit
- Butter-free popcorn
- Green and blue candy pieces

Preparation

Make your trail mix even more blastastic by adding green or blue food dye. Mix all of the ingredients together with a couple of drops food dye in a plastic bag. Then serve and enjoy!

Superstellar Sammies

Directions

1. Use star-shaped or rocket-shaped cookie cutters to make superstellar space sandwiches!
2. Consider a mix and match of different fillings like:
 - Sliced veggies with hummus or pesto
 - Almond butter with sliced fruits, like apples or bananas
 - Cheese and tomatoes
