

Does someone make your heart sing the way Ally makes Austin's heart does?
Let them know with this holiday card!

Reminder

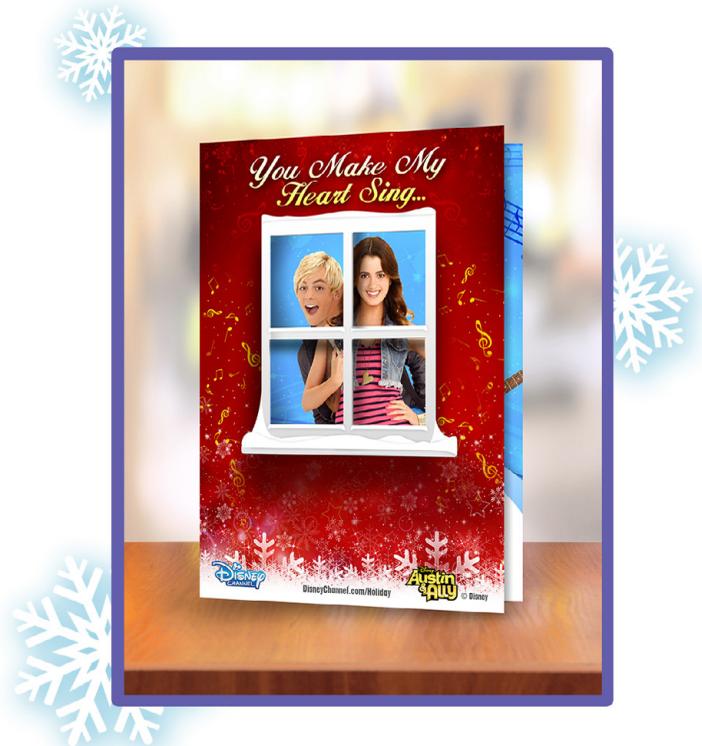

Only a grown-up should use the scissors and cutting knife.

Materials

- 8 1/2" x 11" cardstock (we recommend 110-pound paper for best results)
- Scissors
- Cutting knife
- Tape

How to Make it

1. Print the following pages on cardstock.
2. Have a grown-up cut out both pages of the greeting card.
3. Have a grown-up use a cutting knife to cut out the gray windowpanes on the red page.
4. Place the red page on top of the blue page, and apply tape along the entire length of both pages' left edge, creating a spine.
5. Customize the card by writing your own message on the blue page.
