### Flower Headband

Making beautiful paper art is a heritage craft in Latin America. Bark paper, called *amate*, is still used today by folk artisans. Try making your own paper flowers to wear in your hair, inspired by Elena's flowers.

# Detailed Instructions

## Avaloran Buñuelos

### Ingredients

- 1 cup of flour
- 1 cup of milk
- 1 egg
- Vegetable Oil
- Cinnamon
- Sugar

### Steps

1. Mix the flour, milk and egg in a bowl with an electric mixer until everything is smooth.
2. Place vegetable oil in large pan and turn on heat.
3. Once oil is heated, place the rosette in the hot oil. Then dip the hot rosette  $\frac{3}{4}$  of the way into the batter. Do not dip the entire rosette into the batter.
4. Dip the batter-dipped rosette into the frying pan for up to 5 seconds or until golden brown.
5. Place the buñuelos on top of a plate with a paper towel.
6. Place  $\frac{1}{2}$  cup ground cinnamon and  $\frac{1}{2}$  cup sugar and place into a container. You can adjust amounts depending on how much you want.

7. Place 1-2 buñuelos in the container with cinnamon and sugar. Shake lightly so they don't crack.
8. Enjoy these delicious treats!

## Flower Headband

### Supplies

- Tissue Paper
- Pipe Cleaners
- Floral Wire
- Scissors

### Steps

1. Layer two to three sheets of tissue paper.
2. Cut tissue paper into a square. The size of the flowers will depend on the size of the square.
3. Fold the tissue paper into an accordion. Cut the ends of the accordion into a semi-circle to make your petals rounded.
4. Twist pipe cleaner around the center of the folded accordion.
5. Open each layer of the tissue paper out to make your flower.
6. Repeat steps 2-5 to make multiple flowers. Try different sizes!
7. Wrap floral wire and shape into a large circle to create the headband.
8. Twist the pipe cleaners from the flowers around the floral wire tightly. Trim off excess pipe cleaners.
9. Adjust the size of the floral wire headband to fit any princess!

## Elena's Bracelet

### Supplies

- Gold rope string
- Blue-green string
- Scissors

### Steps

1. Cut six equal pieces of gold rope string long enough to make bracelet.
2. Cut twelve equal pieces of blue-green string the same length as the gold.
3. Use a small piece of gold rope to tie all pieces together tightly on one end.
4. Separate into three groups of two gold and four blue-green each.
5. Braid bracelet
6. Tie off second end with remaining gold rope and trim off excess string from both sides.

## DIY Scepter

### Supplies

- Paper Towel Tube
- Paper clips
- Interactive Jewel
- Scissors
- Pen
- Decorative items of your choice: Sequins, jewels, ribbon, gold paint

### Steps

1. Make your interactive scepter jewel activity.
2. Decorate paper towel tube. Customize it to make your own!
3. Add paperclips to the base of the jewel to keep it closed.
4. Place the jewel at one end of the tube, face up.
5. Use a pen to mark the outside of the tube where the four folded edges of the jewel sit.
6. Make four cuts where you drew the marks.
7. Insert the jewel into the tube slits.
8. Get your scepters ready! You're ready to rule!
9. Remove the jewel activity and paper clips when you want to play the game.

## Seasoned Fruit

### Ingredients

- Your favorite fruit
- Chili Powder
- Limes
- Salt

### Steps:

1. Gather your favorite fruits and cut into pieces.
2. Pour lime juice over the top of the fruit.
3. Sprinkle with a little salt and chili pepper. Try out different amounts and see how much you like!
