1. **Gather your materials. For DracuStraws you'll need:**
 - a. **White Paper**
 - b. **Red Paper**
 - c. **Straw**
 - d. **Pencil**
 - e. **Gluestick**
 - f. **Scissors**
2. **Fold your sheet of red paper in half width wise.**
3. **Grab your pencil and draw the outline of lips.**
4. **Cut out the lips very carefully, making sure you cut both sides of the paper at the same time.**
 - a. **You should now have two identical sets of lips.**
5. **Draw an outline of fangs on the white paper.**
6. **Carefully cut out your fangs.**
7. **Using the gluestick, glue the fangs onto the lips.**
8. **Take the *other* set of lips and fold it in half.**
9. **Cut two slits in the center (on the fold).**
 - a. **This creates an opening for the straw.**
10. **Glue the corners of the two sets of lips together.**
11. **Stick them together and let the glue dry.**
12. **Grab your straw and slide it through the loop on the back of the lips.**
13. **Put it in your favorite red drink and enjoy!**
