If we sing it all together  
(If we sing it all as one)

'Cause we do it like nobody else

Poppy flies to other lands, see if you can too! Make some bubbles - some small ones for Poppy and the Trolls to fly away in, and a BIG one for you!

### SUPPLIES:

- A hard plastic kiddie pool
- A hula hoop
- Plastic 6-pack rings (from soda cans), plastic straws, pipe cleaners (twist and shape into wands, you can create all kinds of shapes and twist more than one pipe cleaner together if needed)
- Bubble solution
  - 5 gallons of water
  - 10 cups of dish soap (regular not antibacterial)

### INSTRUCTIONS:

1. Let this solution sit overnight in the kiddie pool.
2. The less foam you make, the better your bubbles will be. Too much foam will make forming the bubble more difficult.
  - \* Try to keep the splashing to a minimum.
  - \* An overcast cloudy day is best for these bubbles.
3. Dip your hula hoop and other bubble wands in the solution and try to create bubbles of all sizes!
4. Can you make a bubble big enough for you to fit in?

Poppy and Branch went on a faraway adventure and learned what's around the world. Now it's your turn! Time to go on a photo hunt for your scrapbook and take pictures of the items once you find them.

## SUPPLIES NEEDED:

## SUPPLIES NEEDED:

- Construction paper
- Scissors
- Glue stick
- Tape
- Pencil

## INSTRUCTIONS:

1. Cut two long strips of green construction paper, which will be your crown headband. Tape them together.
2. Cut out the template of flowers, leaves and flower centers on the next page.
3. Trace templates onto colored construction papers.
4. Cut out different flowers and leaves from the construction paper. Glue these petals and centers together to make a flower.
5. Glue the flowers to the green headband from earlier. Wrap the headband around your head and use tape to hold the headband together in the correct size.

# FRIENDSHIP BRACELET

MAKE ONE FOR YOU AND GIVE ONE TO YOUR FRIEND!

## SUPPLIES NEEDED:

- 3 colors of string or canvas cord (per bracelet)
- Scissors
- Tape
- A flat surface

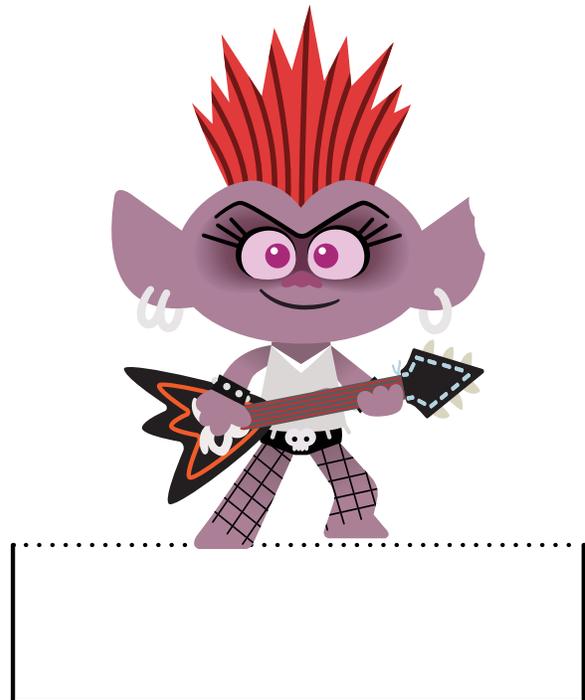

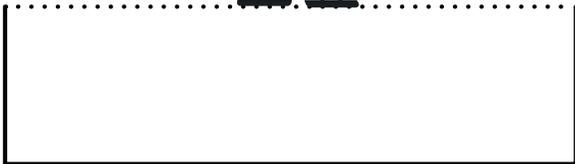

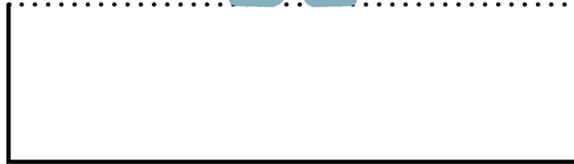

## INSTRUCTIONS:

1. Cut three strings, around 21 inches long (this can be adjusted depending on how long you want your bracelet).
2. Tie a knot about 2 inches from the top. Keep in mind this is how you'll tie the bracelet around your wrist, so stay on the longer side.
3. Tape this top knot to your flat surface.
4. Lay your three strings out so they aren't touching.
5. Take the left string and place it over the center string so that it is now in the center.
6. Next, take the right string and place it over the center string so that it is now in the center.
7. Continue this process taking turns placing the left and then the right over the center string until you are happy with the length.
8. Tie a knot at the bottom of the braid leaving about 2 inches of loose string at the bottom.
9. Wrap the bracelet around your wrist and securely tie with the loose ends.
10. Repeat these steps to make a second bracelet to give to your friend!

### INSTRUCTIONS:

1. Cut out all of the Trolls on this page and the following page (make sure to include their stand).
2. Fold back on the dotted line so they can stand up.
3. With your family, take turns hiding the Trolls in your garden.
4. See who can find them all!

After you've played hide and seek, help the Trolls feel at home by painting rocks to remind them of their musical worlds!

### SUPPLIES NEEDED:

- Paintbrush
- Paint
- Smooth rock
- Clothes that can get messy

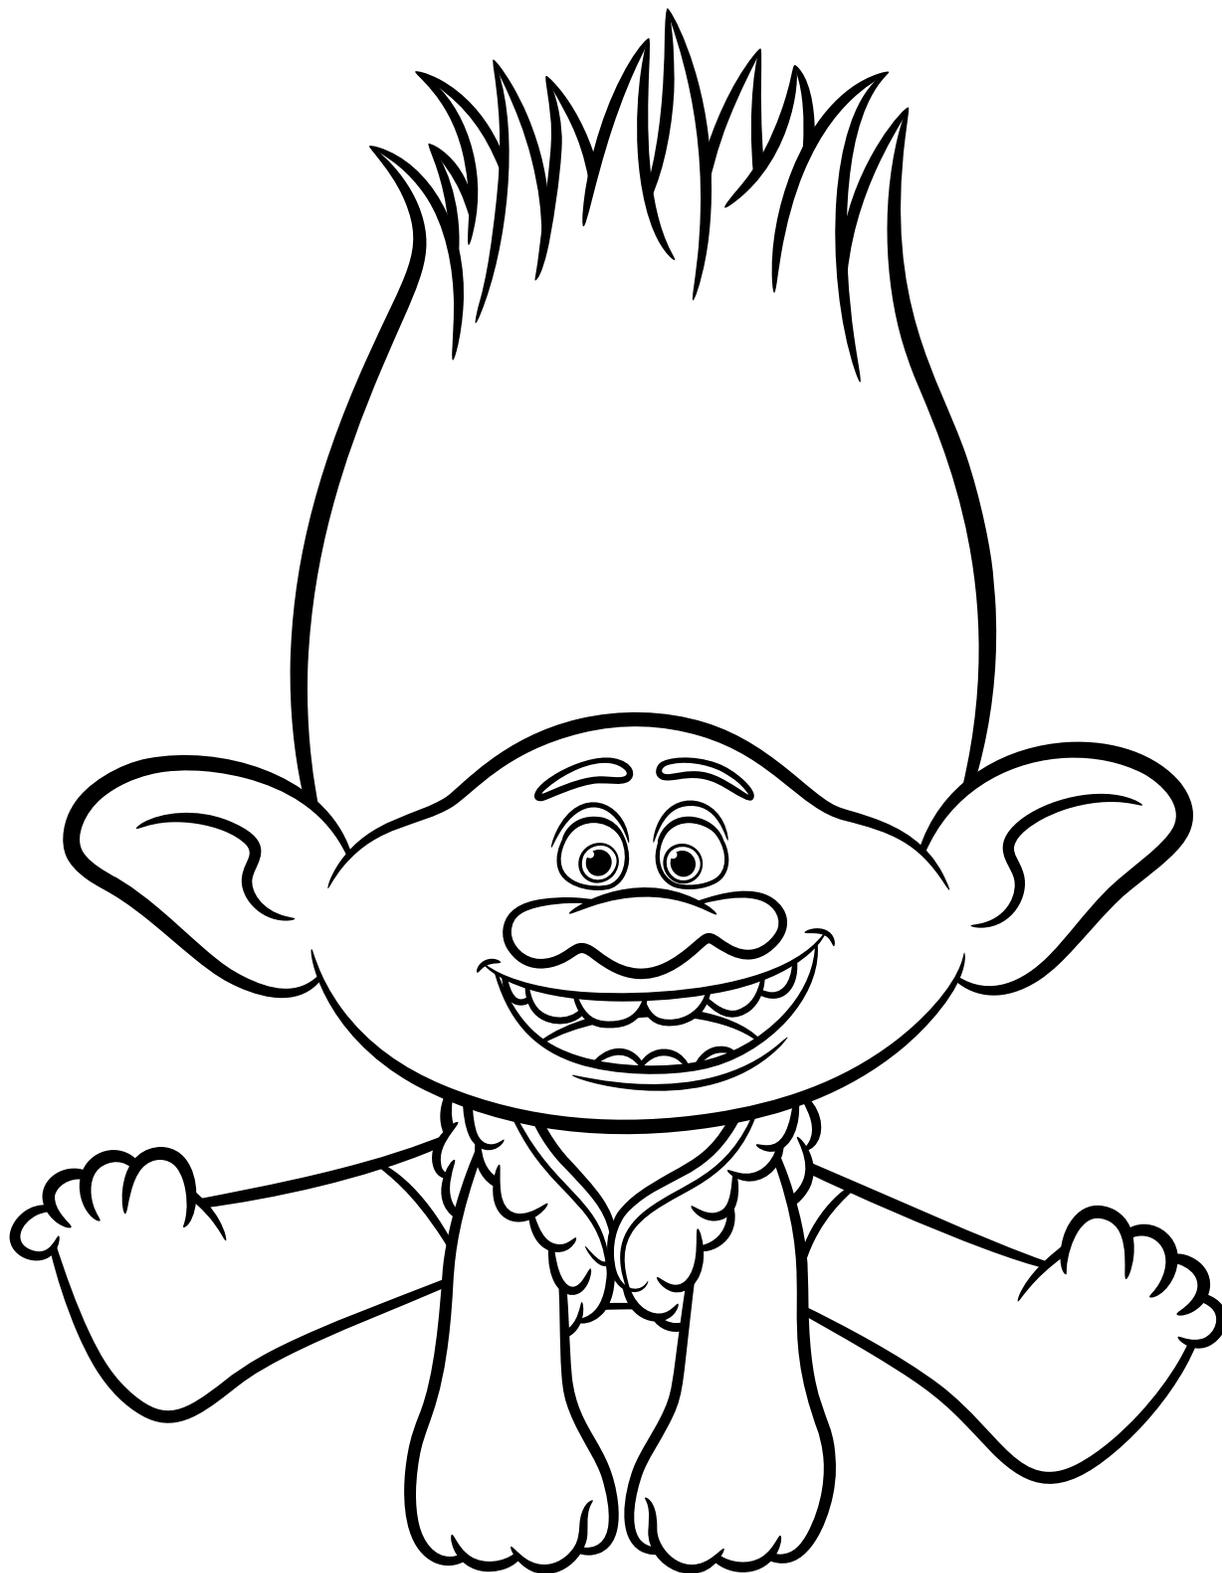

### INSTRUCTIONS:

1. Find a smooth rock that you can paint on two sides.
2. Wash the rock so it is nice and clean.
3. Prepare an area that you can paint on and won't get in trouble if it gets paint on it (not the living room rug).
4. Decorate your rock with different music symbols, your favorite Troll, sparkles, or even a rainbow.
5. Let it dry and display it in your room!
