

# VOLCANO CAKE WITH PINEAPPLE LAVA RECIPE

## INGREDIENTS

- Mini chocolate cakes • 3.4 oz box of instant vanilla pudding
- 1½ cup of cold milk • Can of crushed pineapple in juice
- Red food coloring • Icing bag • Serrated knife
- Sparkler candles

## INSTRUCTIONS

1. Prepare and bake mini chocolate cakes and set them aside to cool.
2. For the pineapple lava, combine the pudding mix, cold milk, and ¼ cup of pineapple juice from the can. Whisk for two minutes until thick, mix in several spoonfuls of crushed pineapple to the pudding mix and several drops of red food coloring.
3. Stack two mini cakes on top of each other, then use a serrated knife to shave off pieces from the sides to create a volcano-shaped cake. Next, remove a small piece of cake from the top center of the cake to hold your lava.
4. Place the prepared pudding mixture in an icing bag and cut off the tip of the bag. Add lava to the top center of the cake and down the sides of the cake.
5. Place sparkler candles on top of the cake for an extra touch!
