GLUE

GETTING STARTED

* Cut out all pieces along the solid lines. Don't forget to keep the tabs on the cutouts - you'll need them to glue pieces together.

* Fold all pieces upward or downward along score lines.

MOUNTAIN FOLD

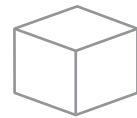

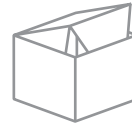

VALLEY FOLD

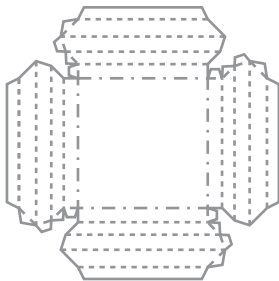

INSTRUCTIONS

BOXES 1 - 9

1 Cut out and fold each box. For each box, glue and connect tabs 1-7 in order to complete each box.

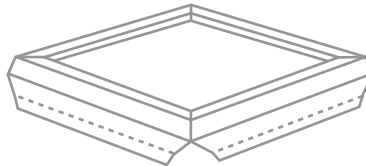

BASE TOP

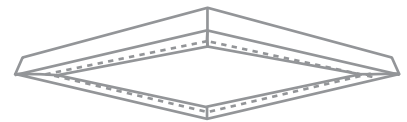

1

Glue the Tabs 1 - 3 on all four sides of the BASE TOP.

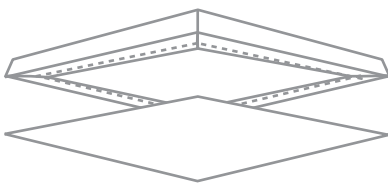

2

Fold the remaining pieces underneath the base, and glue tabs 4 of each side, then glue the reverse side of tab 5 to the underside of BASE TOP.

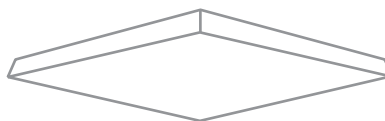

BASE BOTTOM

1 Place glue along edges of BASE TOP and glue BASE BOTTOM to the underside.

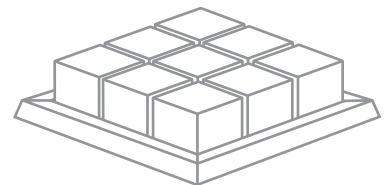

2

Try to make the edges of the BASE TOP and BASE BOTTOM line up.

3

Now the BASE is complete. Place the BOXES in the BASE, and rotate the BOXES to create the faces of different animals.

YOU'RE DONE!
