ON BLU-RAY & DVD 8/20

CAN YOU WIN A BIRD RACE?

Bufo holds bird races with many of the Leafmen for fun. Now you can create your own with your friends. Cut out the square above and follow the instructions to make a bird. Get your friends to make one too. Then each player takes a bird and you all hold them as high as possible, and watch them float to the ground. The first bird to land is the winner. Play outside on a windy day for more fun.
