FROM WWW.UHU-BTS.COM

UHU®

glues anything, anytime.

CREATE YOUR POKÉMON PICTURE FRAME IN JUST A FEW STEPS

PRINT OUT YOUR
PAPERCRAFT ITEMS.

CUT OUT ALL ITEMS. ALTERNATIVELY USE
THE UHU GLITTER GLUE AND/OR COLOUR
TO DESIGN THE FRAME YOURSELF.

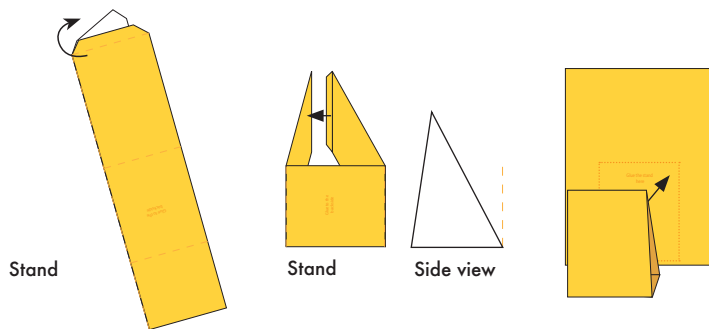

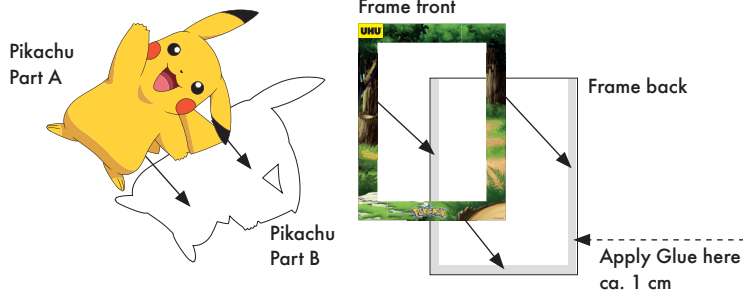

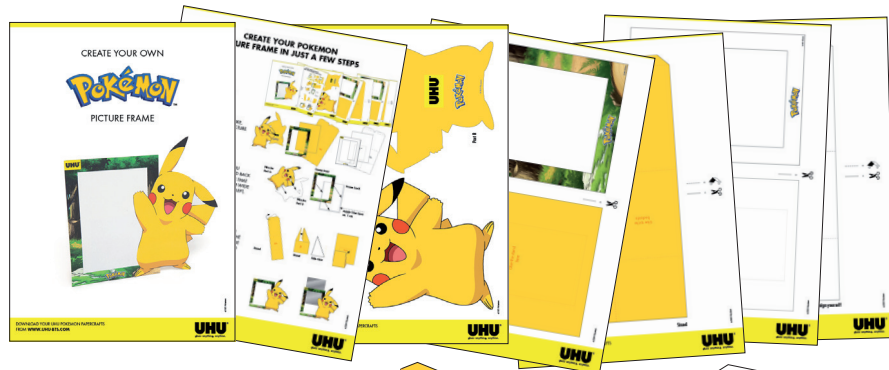

GLUE PARTS A AND B OF PIKACHU
TOGETHER. THEN GLUE THE FRONT AND BACK
OF THE FRAME TOGETHER. MAKE SURE THAT
YOU APPLY THE GLUE ONLY ABOUT 1 CM WIDE
ON THREE SIDES OF THE EDGE (RIGHT, LEFT,
BOTTOM).

FOLD THE STAND IN HALF AND GLUE BOTH
SIDES TOGETHER. THEN FOLD THE STAND AT THE
DOTTED LINES TO FORM A TRIANGLE AND GLUE
IT TOGETHER AT THE FLAP. GLUE THE STAND TO
THE MARK ON THE BACK OF THE FRAME.

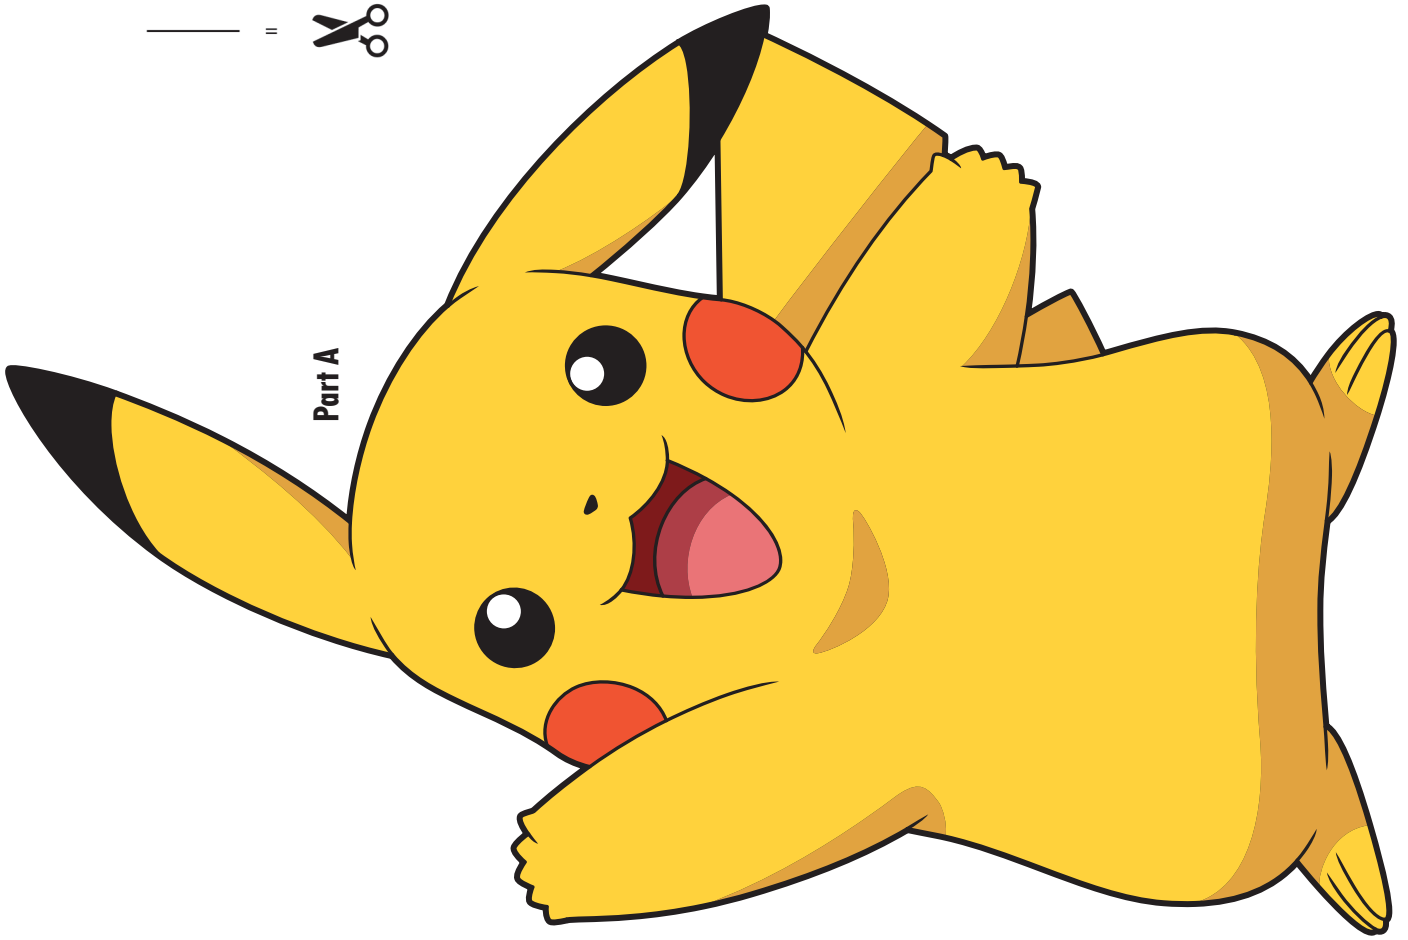

FINALLY, STICK PIKACHU TO THE FRAME
WITH PATAFIX OR GLUE AND PUT A NICE
PHOTO INSIDE. DONE!
