

Treat Boxes

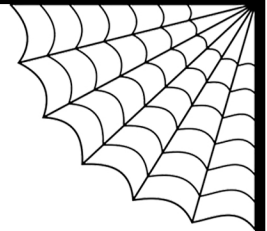

Print out the attached treat boxes on white cardstock.

Cut out along solid lines and score along dotted lines.

Fold box together and use glue or tape to secure the tab inside the box.

Attach one square on the bottom inside and one square on the bottom outside of the box to hold things in place.

Stuff with your favorite treats.

Creepy Eye Mocktail

Stuff canned lychees with blueberries and add them to a glass.

Pour in your favorite clear juice or soda.

Enjoy your drink that looks back at you!

Socrates Octopus Cupcakes

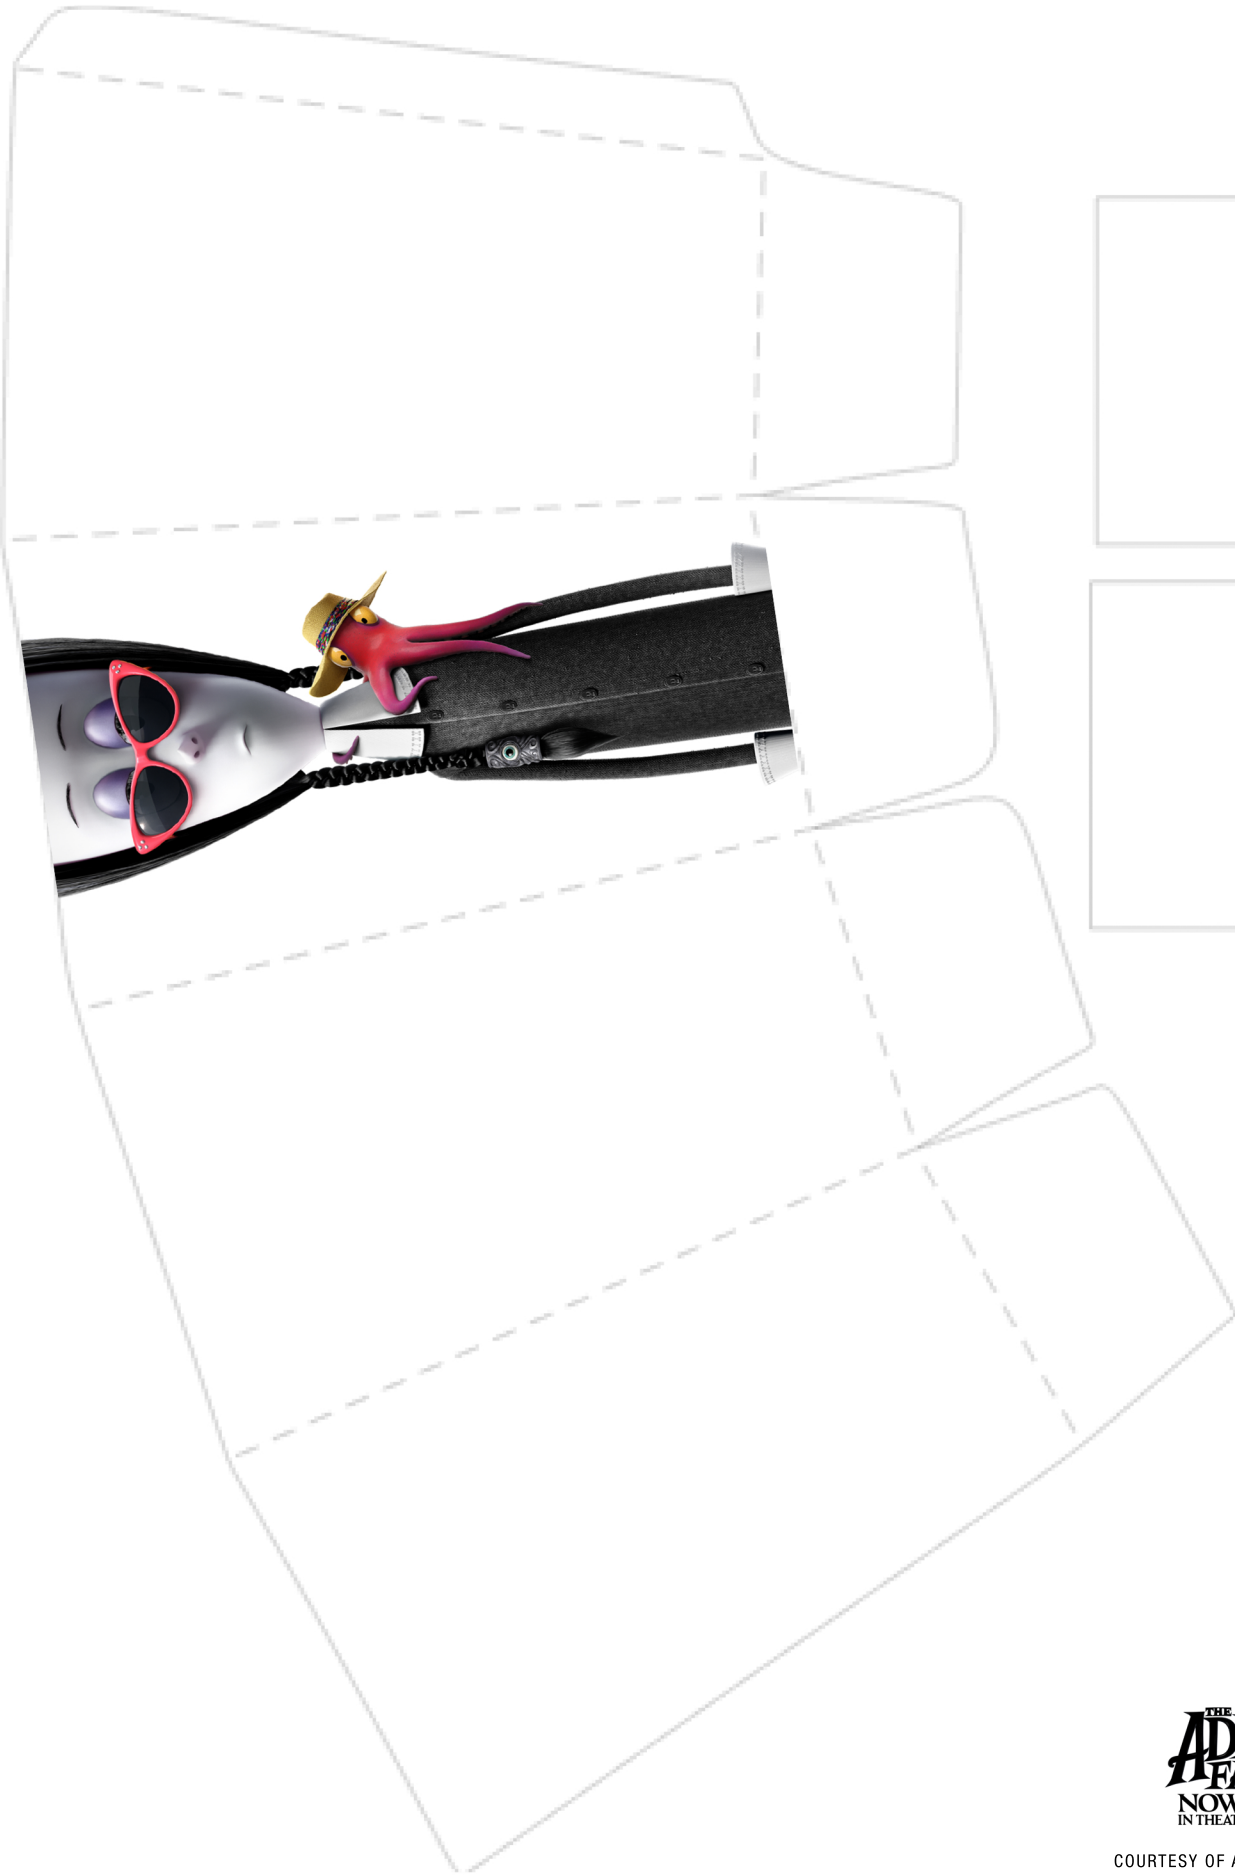

Trim down the stick on a red lollipop and place it in a frosted cupcake.

Create legs from red pull and peel licorice.

Add Socrates' eyes by placing two mini yellow M&M's on the lollipop with a dot of frosting.

Draw on the pupils with a food coloring marker.
