

Mr. Mummy's Puzzle Game

MR. MUMMY IS A MATH WHIZ. WHEN HE'S NOT TEACHING,
HE LIKES DOING GEOMETRY PUZZLES JUST FOR FUN!

HOW TO PLAY

1. Cut out the pieces below.
2. Lay the shapes out on a table.
(You should have 7 triangles, 2 rectangles, and 1 parallelogram.)
3. Rearrange the shapes to see how many different animals you can make.

MR. MUMMY CREATED 6 DIFFERENT ANIMALS.
HOW MANY CAN YOU DO?
