Create Your Own Mike and Sulley Inspired Bookmark

MATERIALS: CARD STOCK PAPER, PENCIL/CRAYONS, SPLIT PINS, GLUE OR DOUBLE SIDED TAPE AND SCISSORS

1. Draw or copy the Mike & Sulley drawings onto card stock paper including the strips at the top and bottom of each one. Cut them out along with the circle of card. (see pattern sheet attached)
2. Create a backing card, which will form your bookmark, by measuring out a piece of card stock paper 22cm wide by 22cm tall. Cut it out and fold it in half.
3. Using the pointy end of a pair of scissors, carefully make three small holes in the circle – one in the centre and one on each of the 'x' marks. Next, make a hole on the 'x' mark on each of the strips attached to Mike & Sulley.
4. Use the pencil crayons to colour in Mike and Sulley.
5. Use the split pins to attach Mike to the circle on the right hole, and Sulley to the circle on the left. Use a split pin in the centre hole to attach the whole thing to the backing card.
6. Glue or tape the bookmark closed along the long edge. Decorate the outside however you like.
7. Voila! A useful bookmark for your roarsome books. The best part is, when you pull gently on Mike's foot Sulley will pop out the top!
8. Gently press Mike and Sulley back inside the bookmark to begin the pop up surprise all over again!
