PATCHI'S JOURNEY

CAN YOU COME FIRST IN THE JOURNEY?
In Walking With Dinosaurs: The 3D Movie, Patchi must overcome many life-threatening situations in his journey from hatchling to adulthood. He is not the biggest or strongest dinosaur in the herd, but by following his head and his heart he triumphs against all odds.

Experience Patchi's journey in this game. With some friends, carefully cut out the counters and playing square, and get a grown up to help you. Next, throw a dice to determine how many steps to take on the board, and follow any instructions on the square your counter lands on. The first person to get to the end wins.
