SUPPLIES

- Princess Power hero mask
- Boxes
- Black and yellow paper or paint
- Blue sheet
- White pillow filling
- Stepladder

SET-UP

1. Use the boxes to create a cityscape of buildings. Cover them in the black paper or paint them black.
2. Use the yellow paper or paint to create windows on the buildings.
3. Lay the sheet on the floor and place the finished buildings on one end.
4. On the opposite end, use the pillow filling to create clouds.
5. Have your child and their guests put on the mask and lie in a flying pose between the clouds and buildings.
6. Using a stepladder take a picture of them from above.
7. Share the super photos with your guests!
