My fashionista friend Zoe Trent™ loves to model my latest designs..... Can you help me sketch a new outdoor look for her?

Hey there! I've been waiting to tell you about all of the new designs I've been sketching for the pets! They're all so excited to try on some new styles, and they've been such a big help with finding materials and accessories. I've been so busy drawing, measuring & sewing that I almost forgot to do my homework! Talk to ya later!

Love, Blythe
