Letters from Blythe®

Meet
PEPPER CLARK™

Dear Friend - yesterday I asked Pepper to try on a new dress. It took forever because she told so many jokes, we couldn't stop laughing! I knew she liked it, because she smelled like pretty perfume. (If she doesn't like something, hold your nose!) Now I'm making her a coat. Can she try it on without giving us the giggles? I doubt it! -B

Pepper isn't just funny, she's cute, too! you can draw her picture!
