Meet
SUNIL NEVLA™

Can you
find the
route Sunil
took to
meet us?

Start

Finish!

Hi. Such drama today! We went to the theater, and Sunil got separated from us because he was packing "emergency supplies". He brought tissues, water, sunscreen, an umbrella, a snow shovel and his sweater. It took him 20 minutes to find us, and the poor thing was so upset, I don't think he even remembers what movie we saw!
