## Letters from Blythe®

Meet  
**ZOE TRENT™**

Hello! What a week — I've been so busy designing new outfits for all the pets! To get inspired, I'm reading fashion magazines with Zoe. She always knows what's in style. She's my most enthusiastic model, too. When she walks down the runway, she sings and dances all the way! Zoe knows she's a superstar!

Love, Blythe

I designed a hat for Zoe and she made **6** changes to it! Can you spot the differences?
