

In addition to the recipes provided in this party planner, be sure to serve up finger foods that partygoers can just pick up and go. Here are some ideas:

- Cherries
- Corn on the cob
- Hotdogs
- Mini hamburgers
- Nuts (be sure to label them so partygoers with food allergies can steer clear!)
- Pineapple juice ice pops
- Popcorn
- Salad with cucumbers and papaya dressing
- Stone-fruit-and-berry salad (for example, peaches, plums, raspberries, and blueberries)
- Sugar-free gelatin
- Sweet Hawaiian rolls

And what beach party isn't complete without s'mores? Be sure to have plenty of graham crackers, marshmallows, and chocolate bars for s'more-making fun!

Reminders

- All actions involving knife cutting, skewering, stove and oven usage, and electrical appliances (food processor, blender, etc.) should be handled or supervised by a grown-up.
- Ask parents of partygoers if children have any food allergies!
