Carefully Cut Here 

STEP 1

Fold the paper diagonally with the white side up. Flatten the paper again.

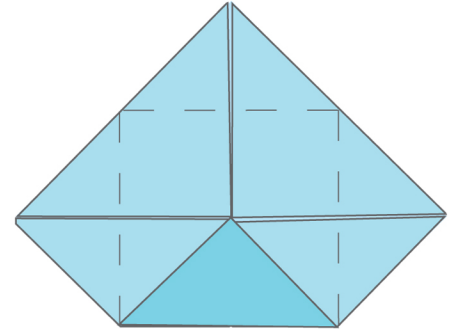

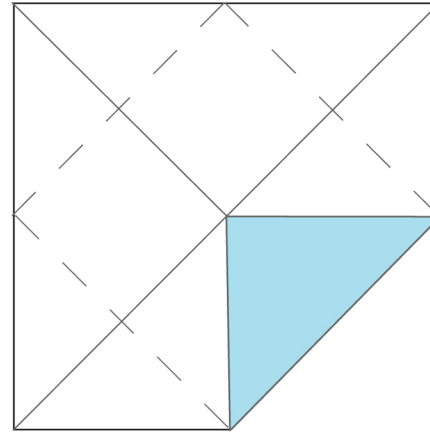

STEP 3

Flip paper over to the side with no seams. Fold corners to center again. Fold 2/3 of each flap back the other way so that each overlaps the edge.

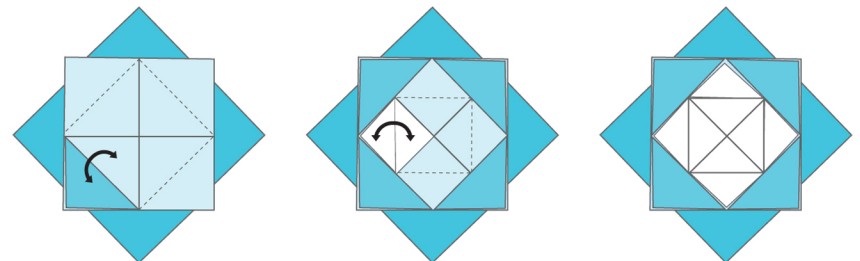

STEP 2

Fold the corners to the center of the paper. This will create a smaller square. Once done, fold the corners of the new, smaller square to the center as well.

STEP 4

Flip back to the first side. Fold all four flaps out and then repeat. Repeat steps 1 through 4 with the other colors.

STEP 5

Tape your flowers in a desired pattern around the string.
Tie ends of string together. You're done!
