Halloween Lantern Orange

INSTRUCTIONS:

1. Cut along solid lines.

2. Score and fold along dotted lines.

3. Fold base of lantern into a square and glue tab in place to close.

4. Fold top panels outward and down, and glue in place.

5. Glue remaining tabs behind opposite edges.

6. Curve top panel over and glue tab underneath opposite edge.

7. String multiple lanterns on a ribbon or strand of LED lights and hang up as spooky Halloween décor.
