

BEEPAW

Beepaw is all about
bouncing at different speeds
and in different patterns!

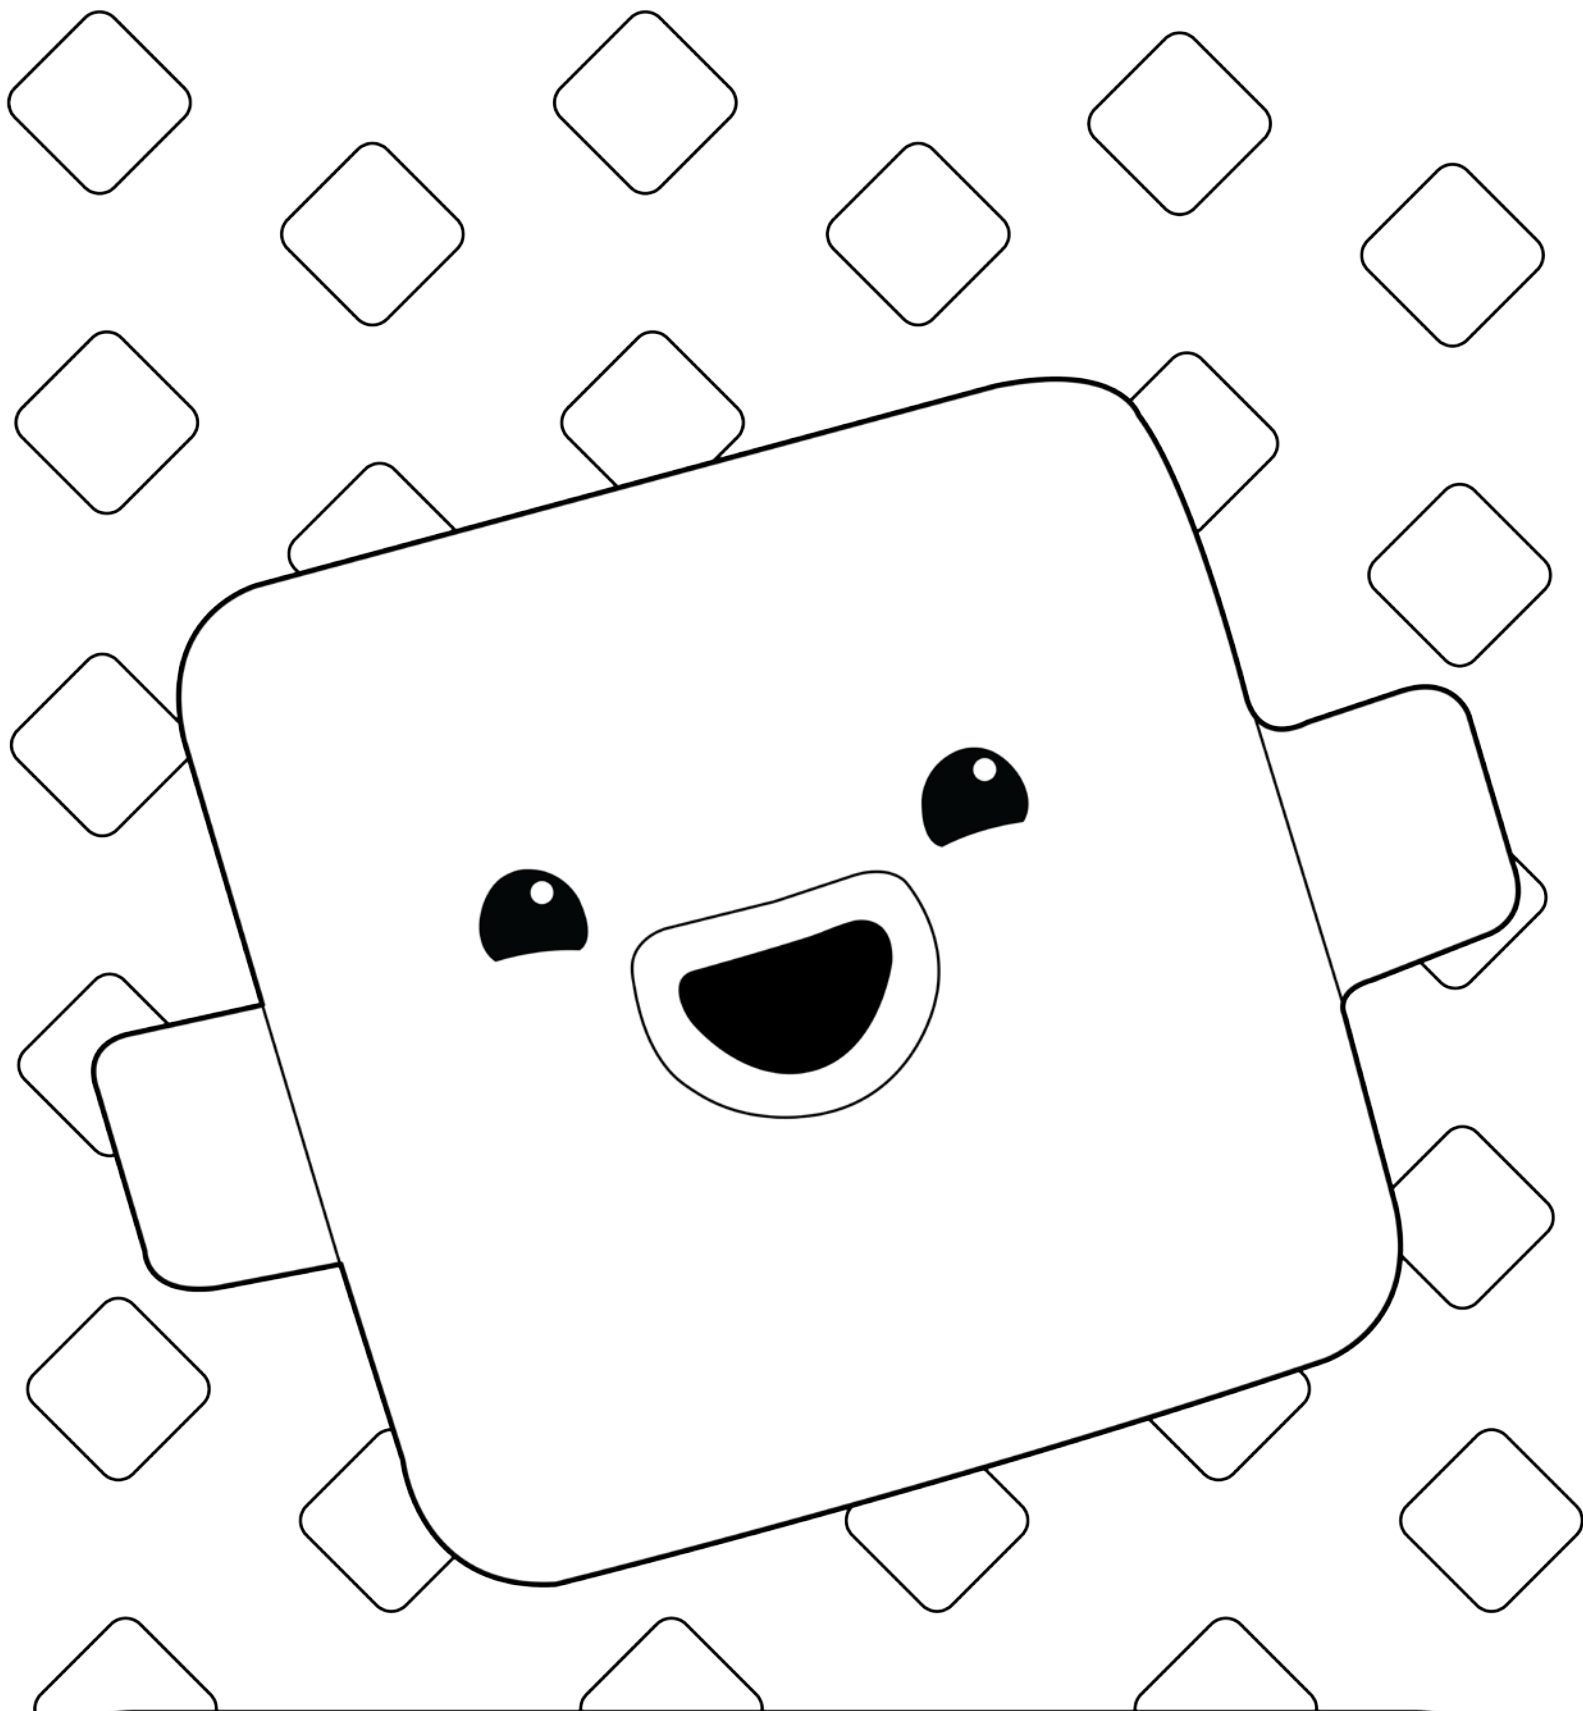

BLOXO

**Bloxo can carry objects
and become big or small
as needed!**

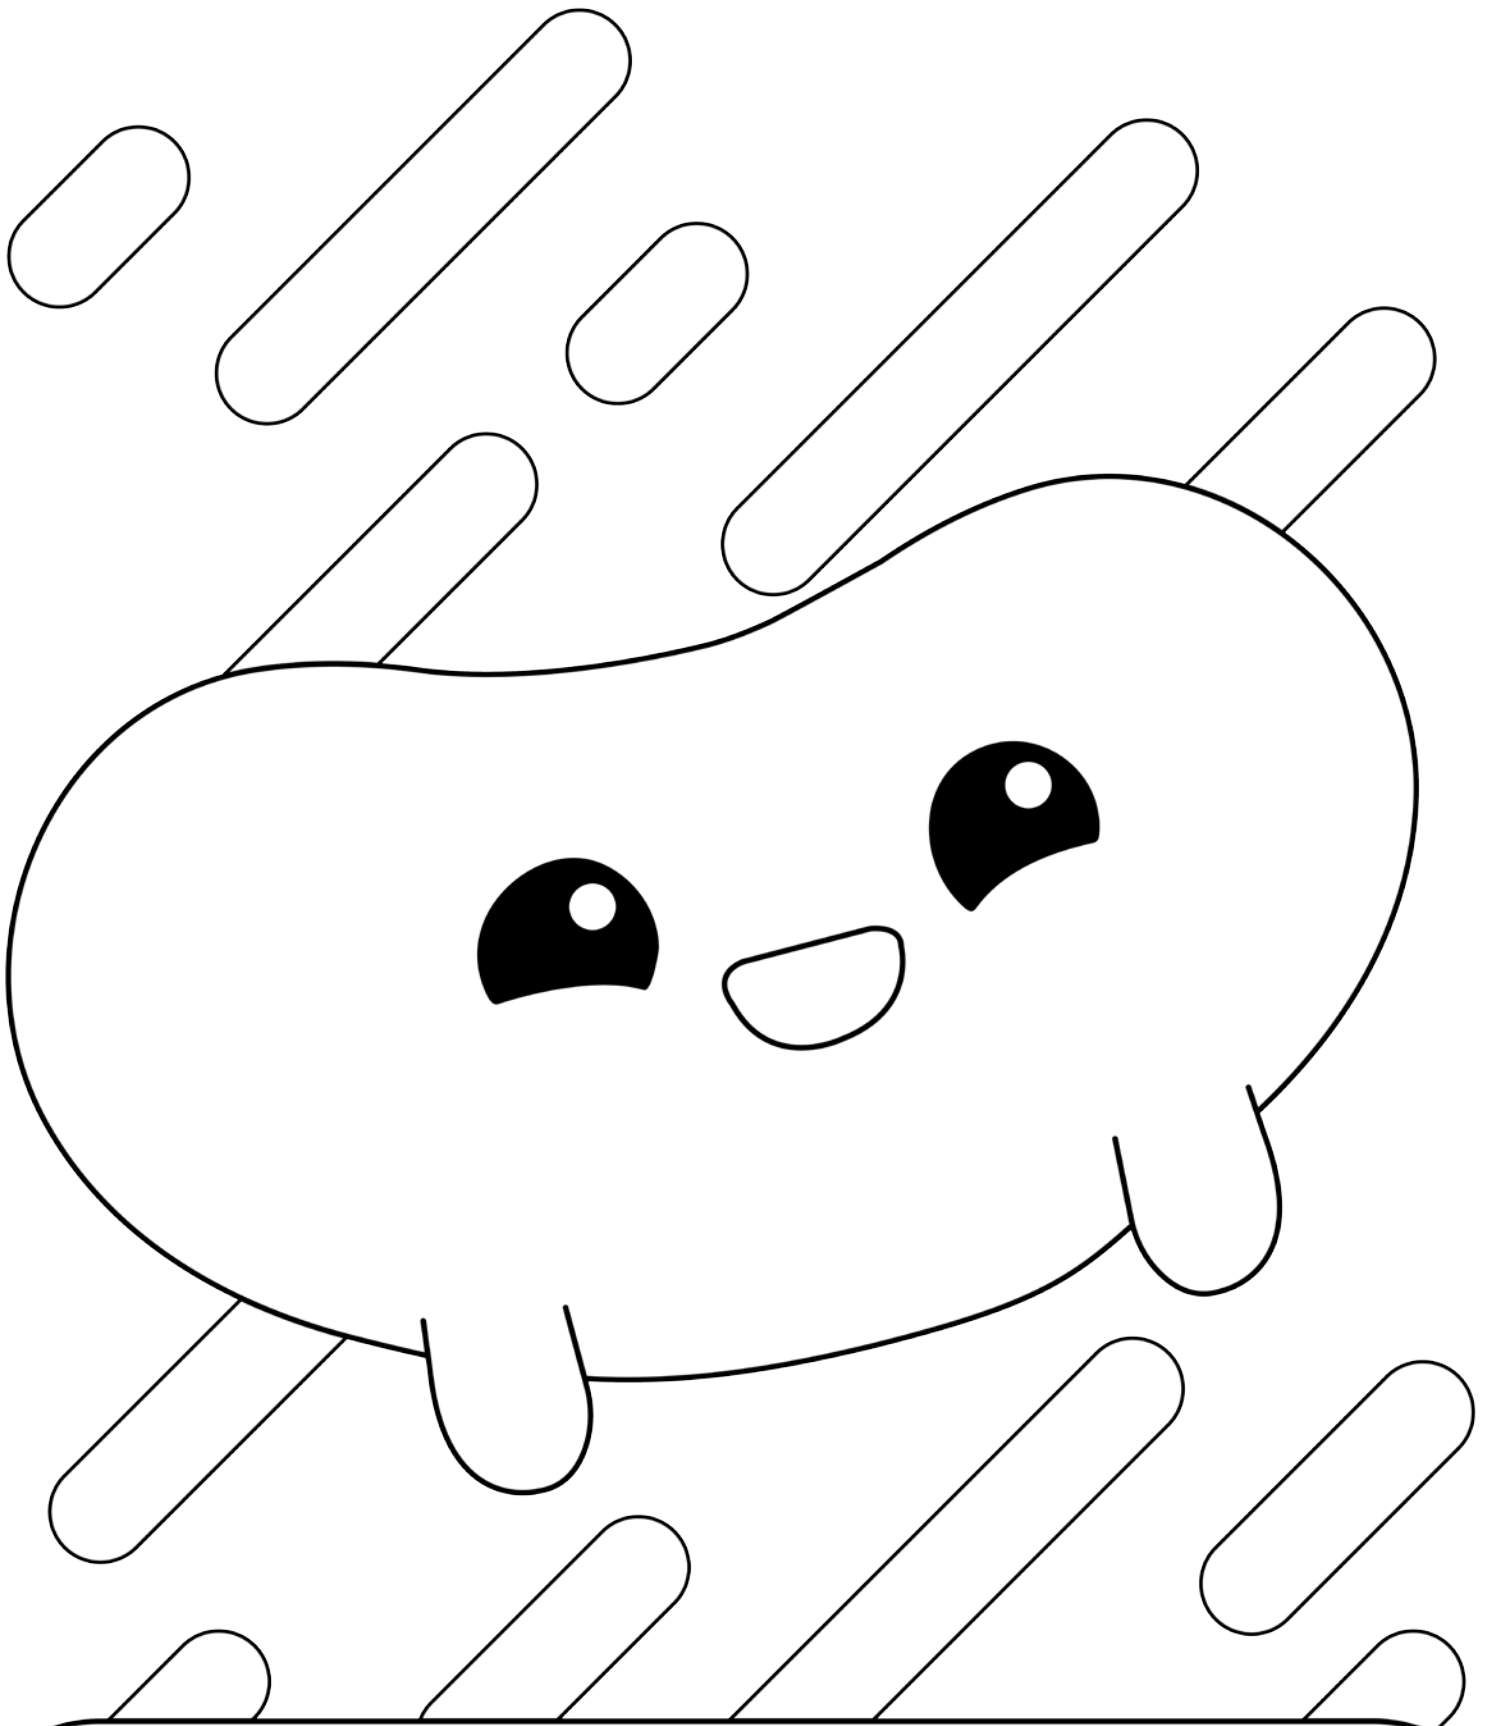

BUBBA

**Bubba is a swimming
wish that lets you
breathe underwater!**

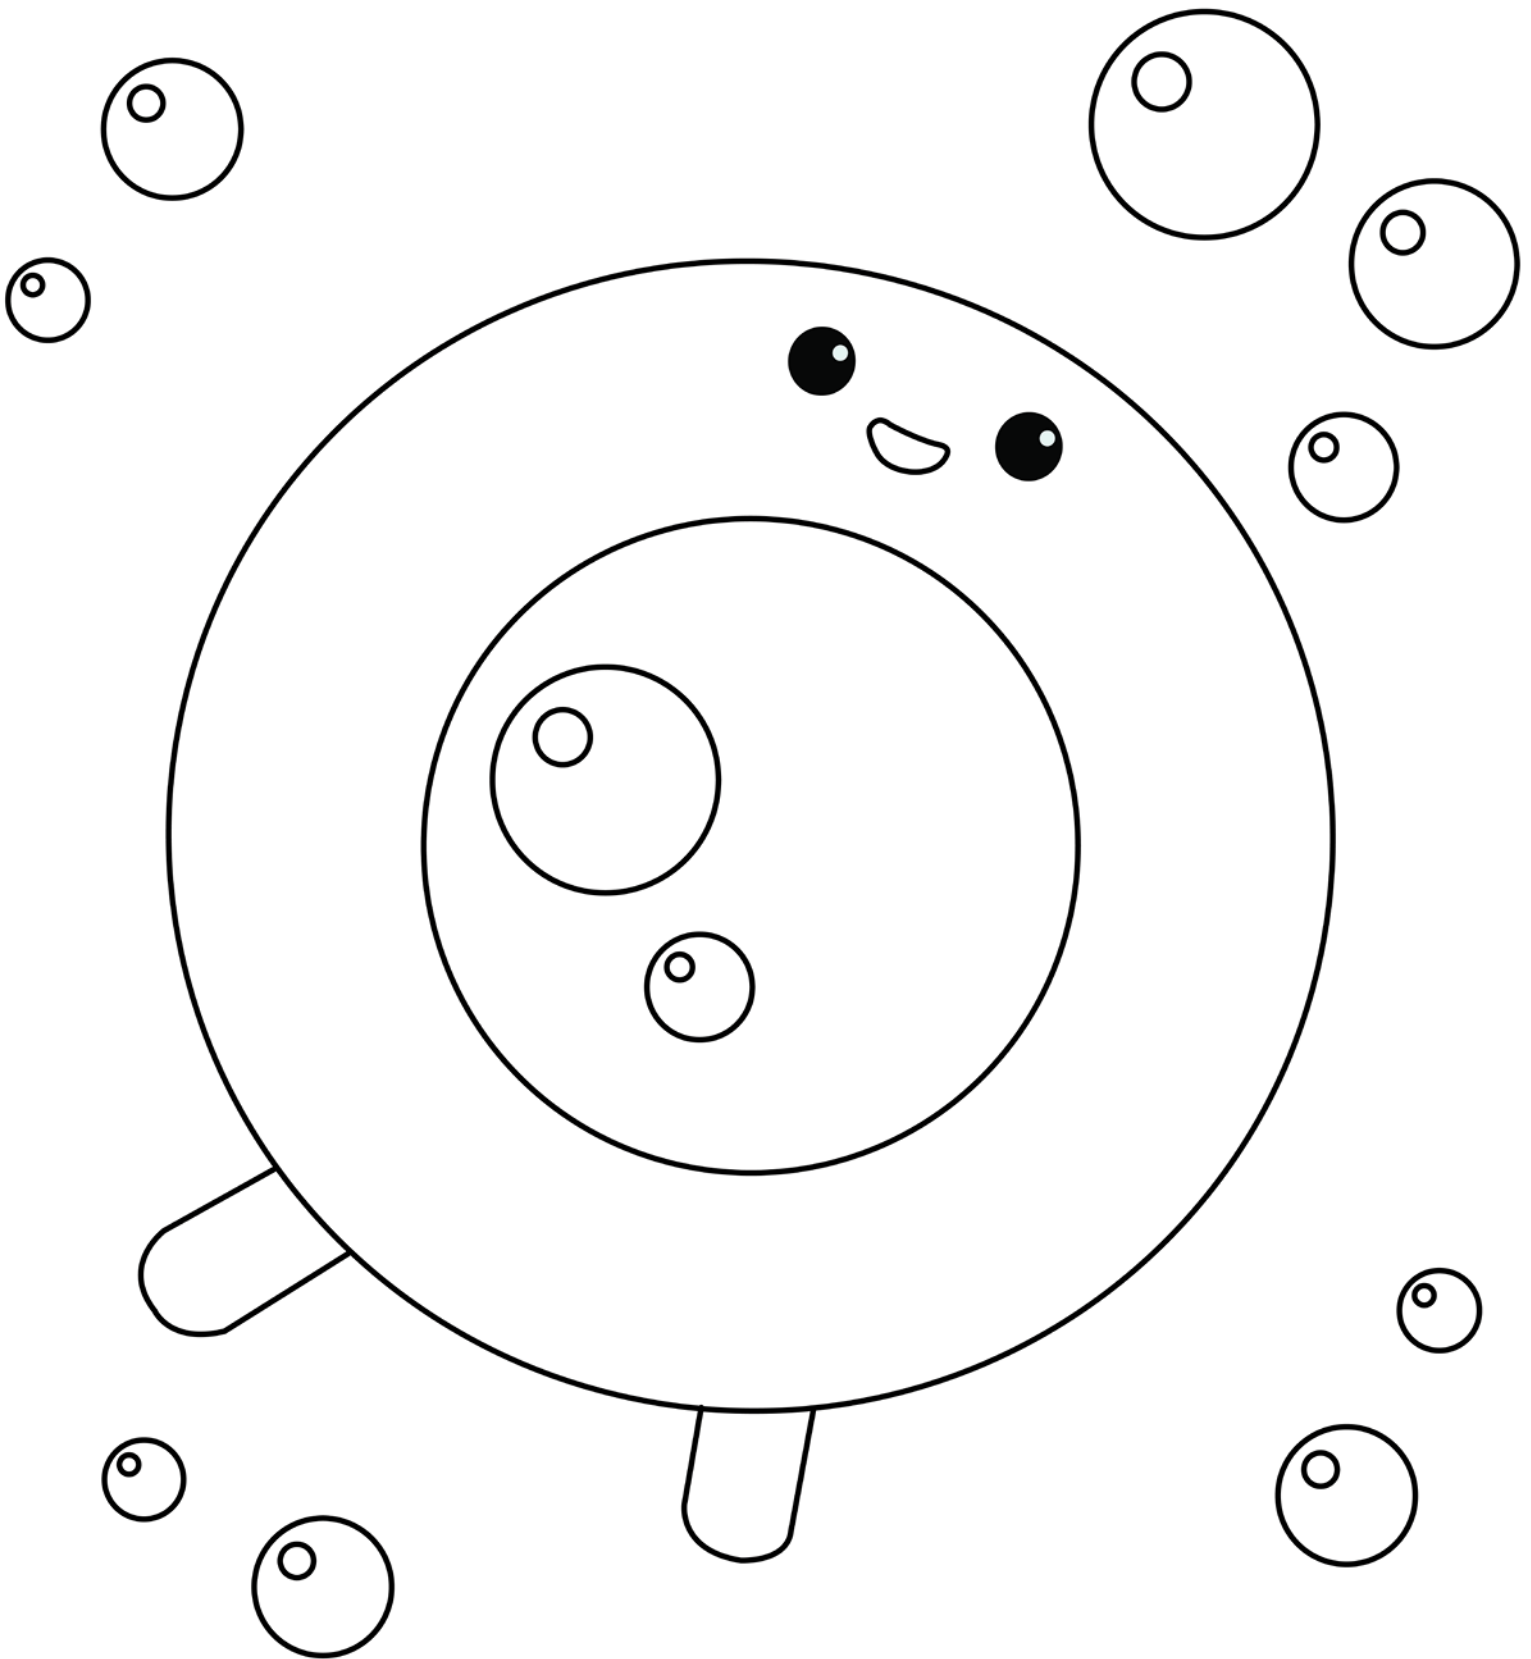

CU-BIGGLY

**Cu-Biggly wiggles,
wobbles, and is
very springy.**

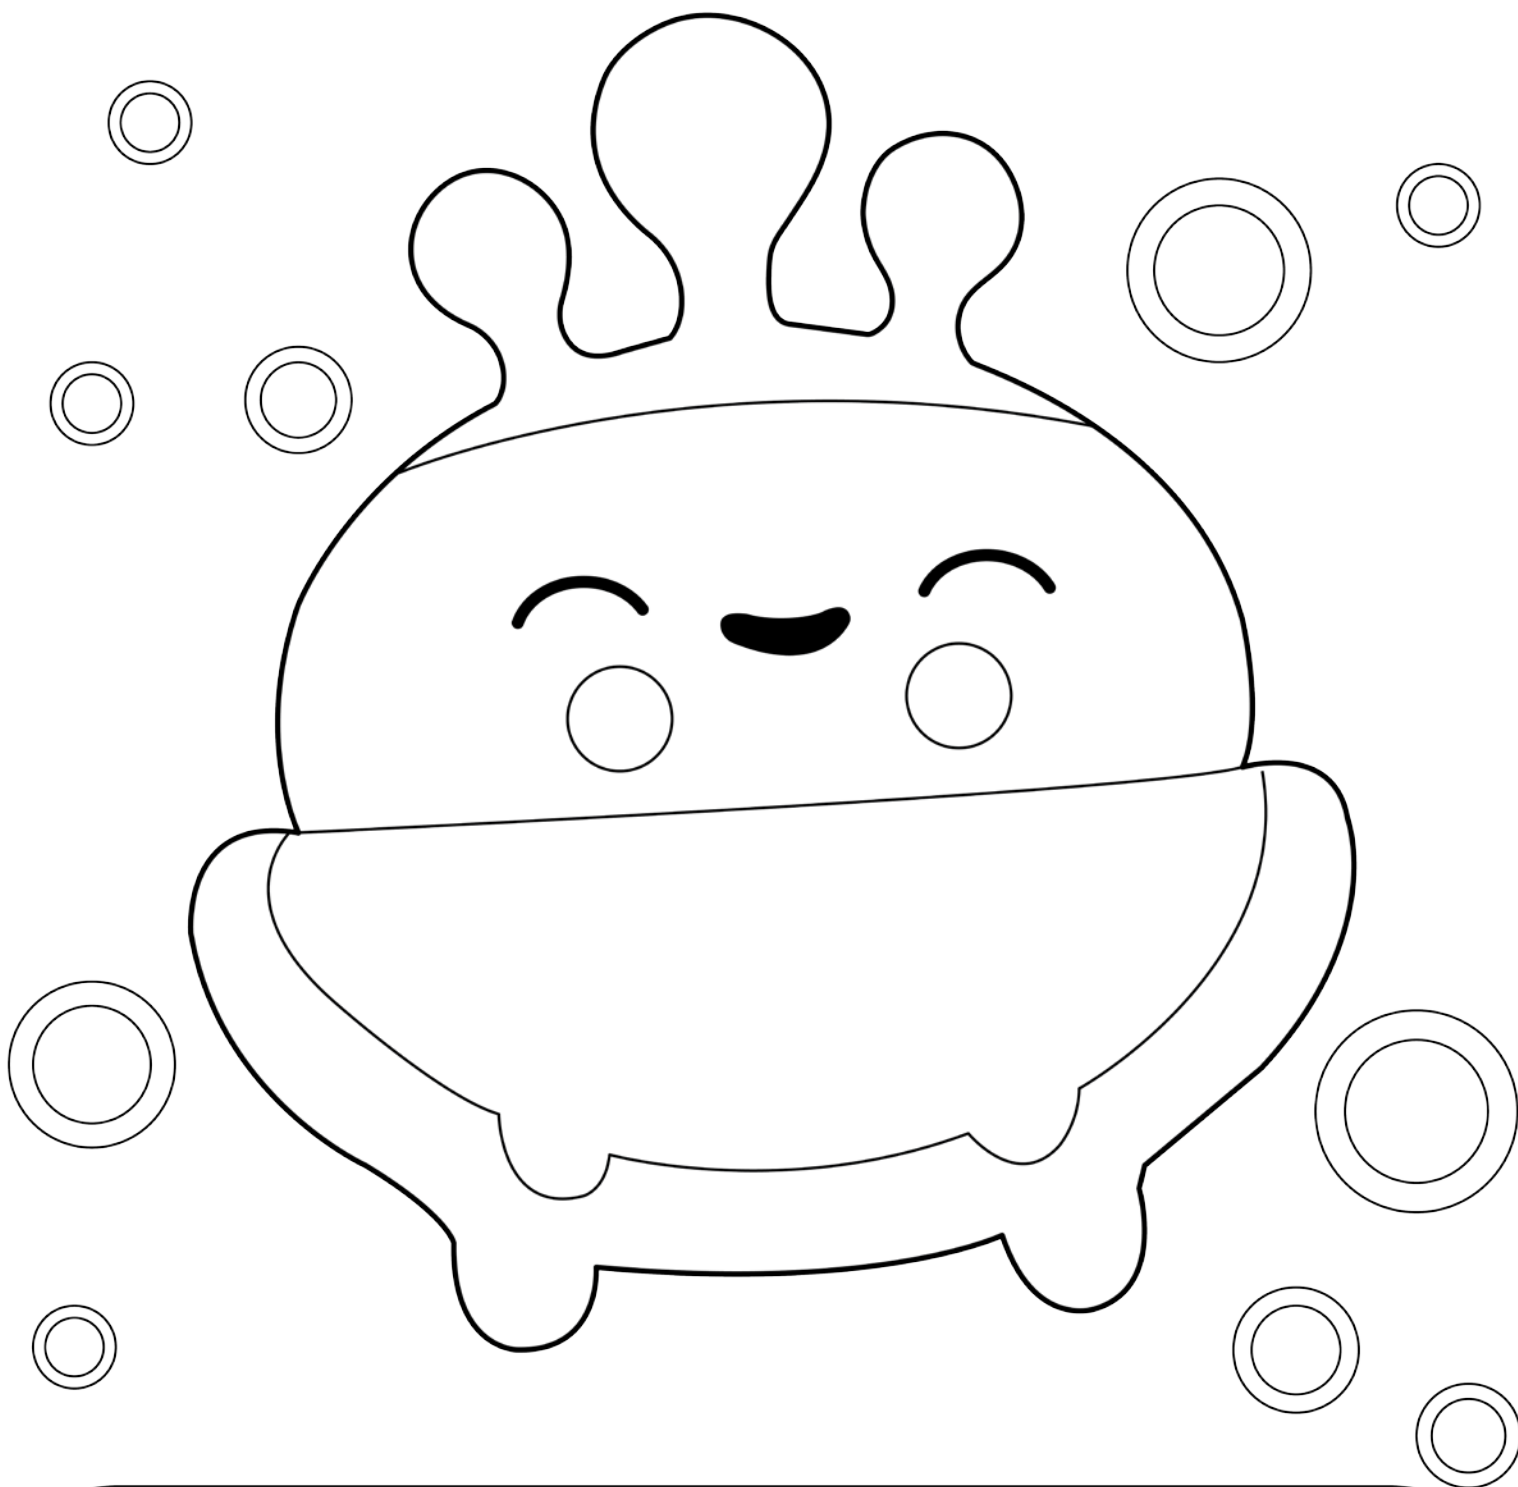

ELONGY

Elongy is a rubbery wish
strong enough to walk on,
but it can be a bit sproingy
sometimes!

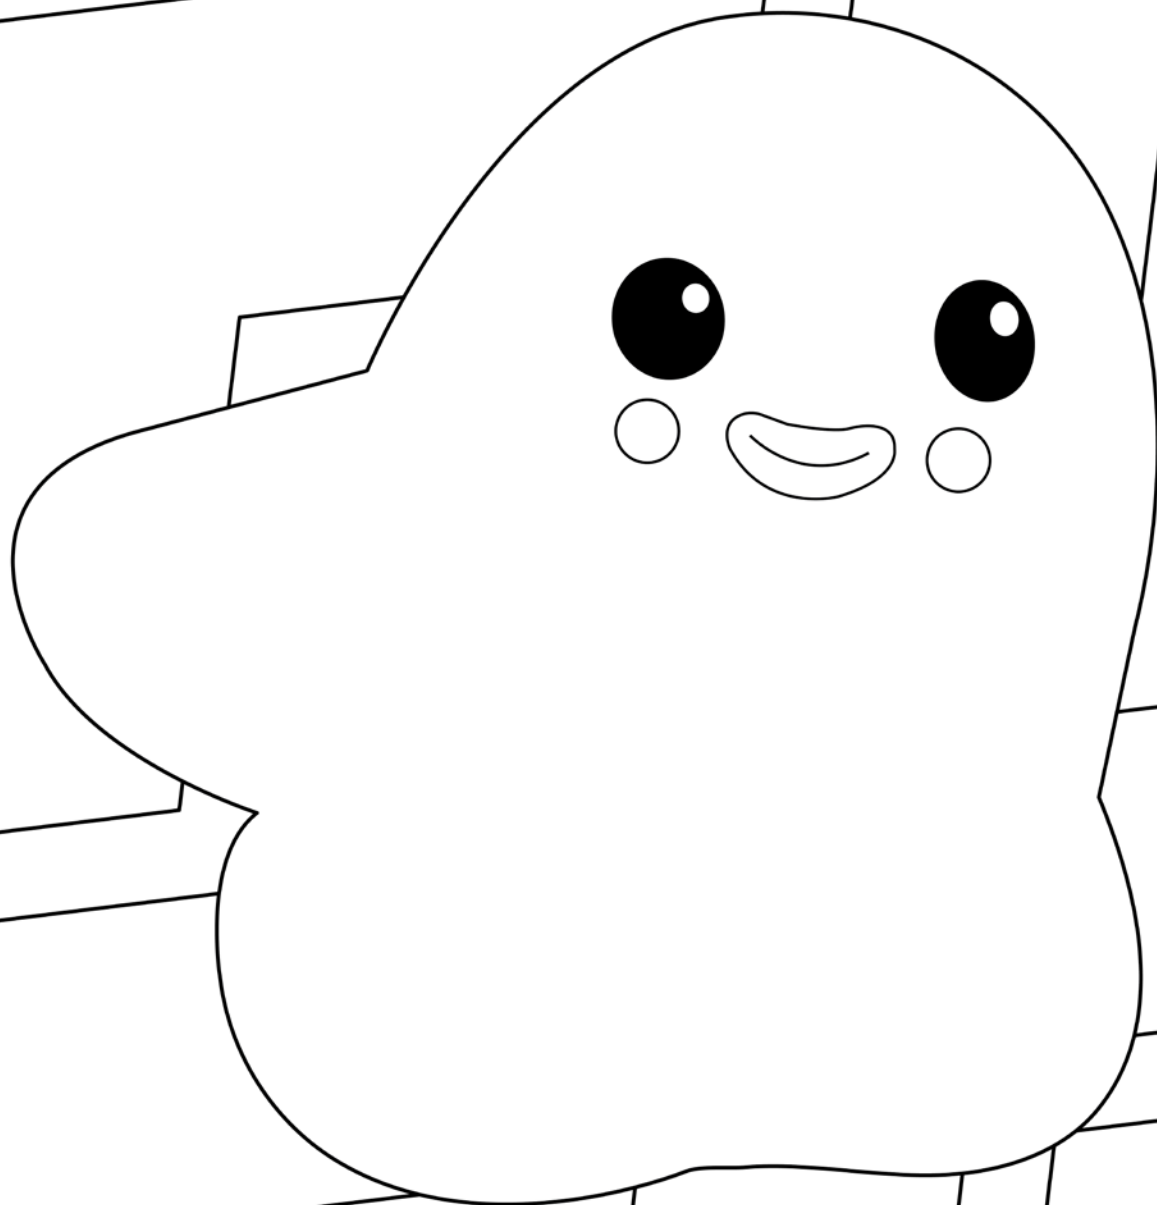

FLOTO

**Floto can make very
big bubbles that you
float around in!**

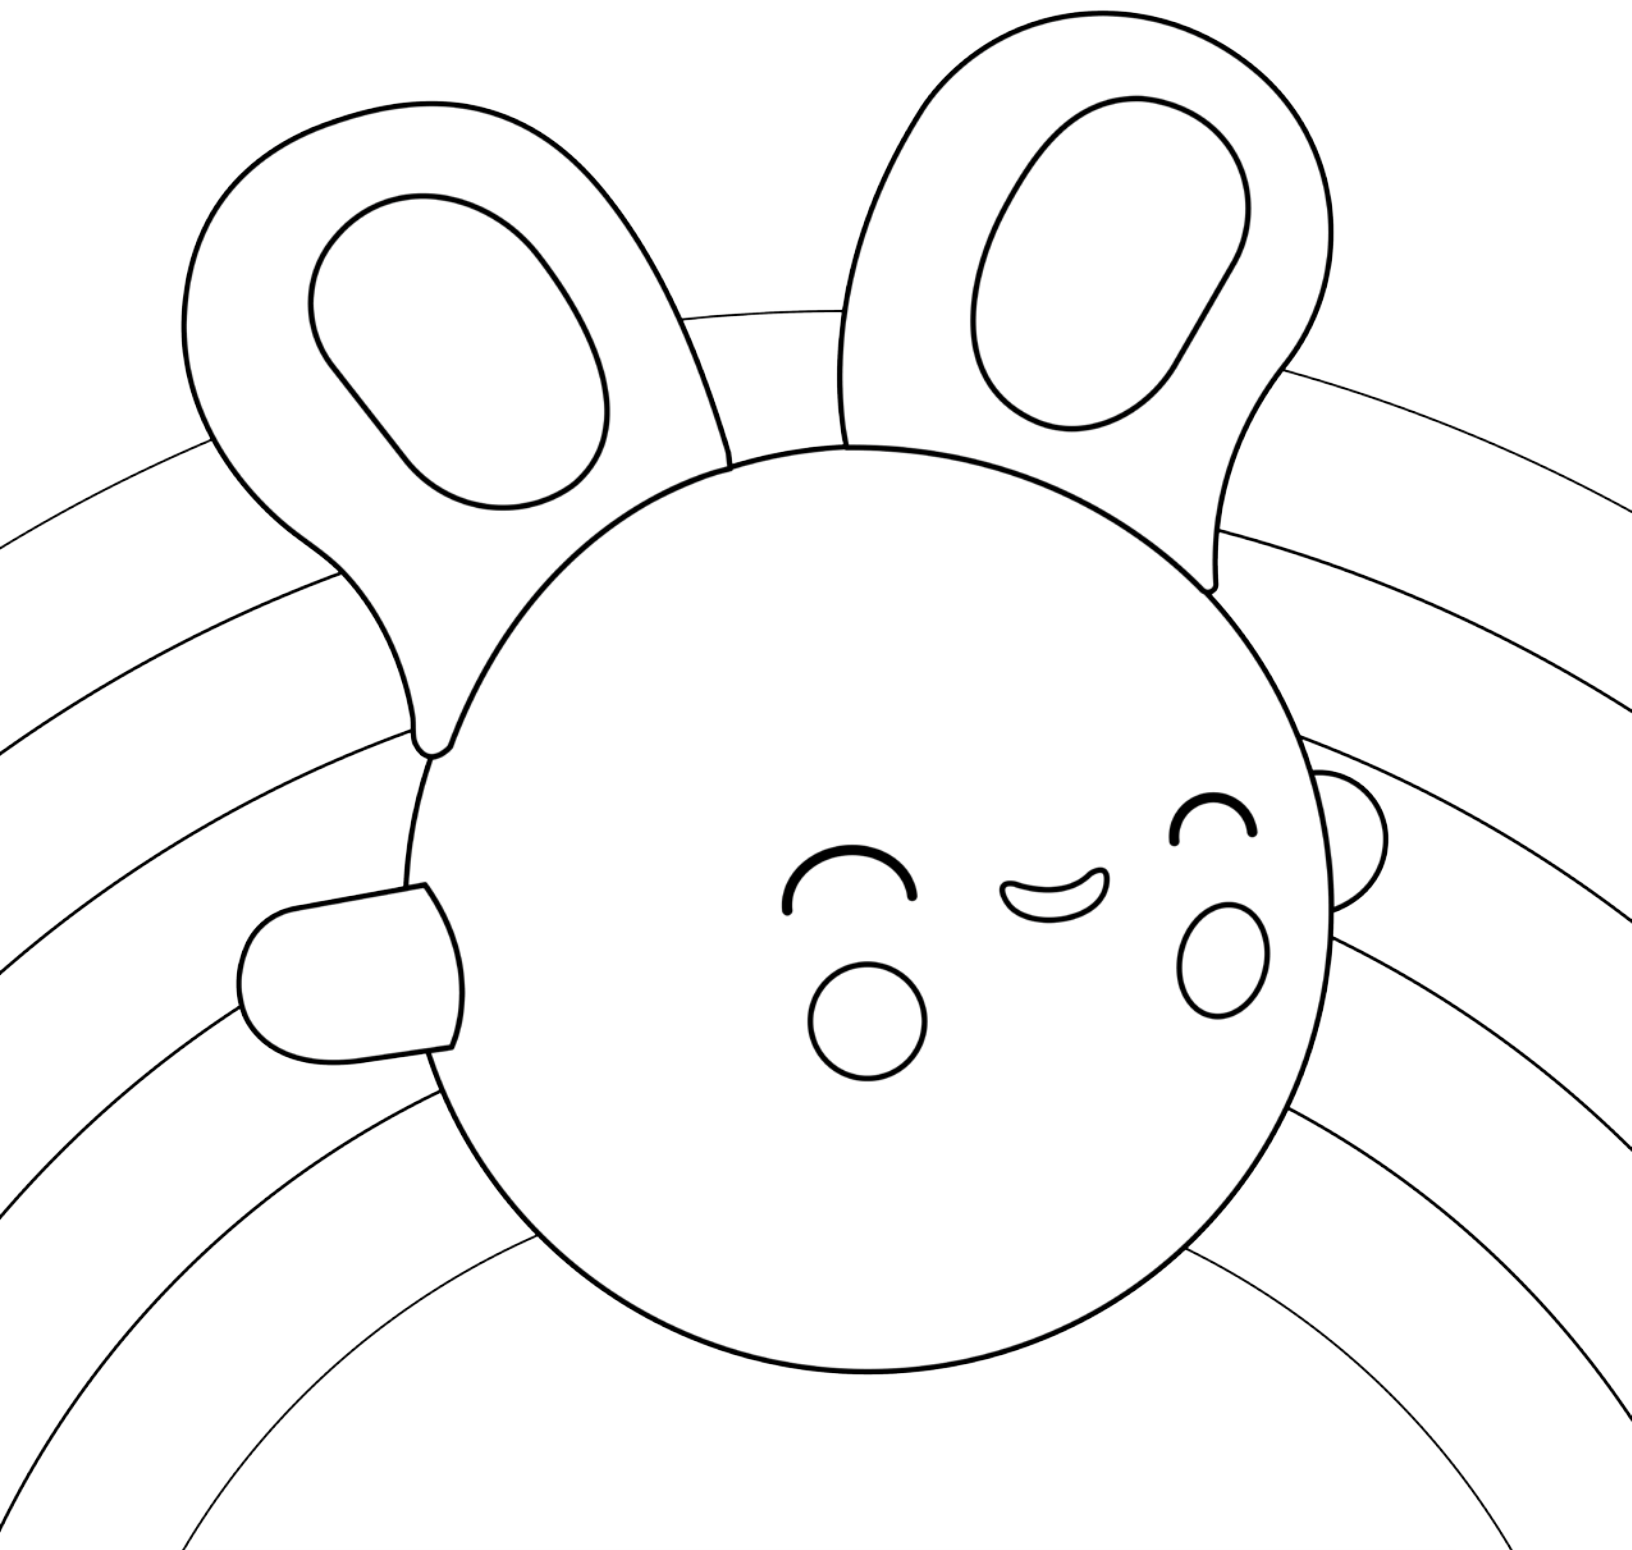

GLUBU

**It can make anything stick
to it regardless of what
the object is made of!**

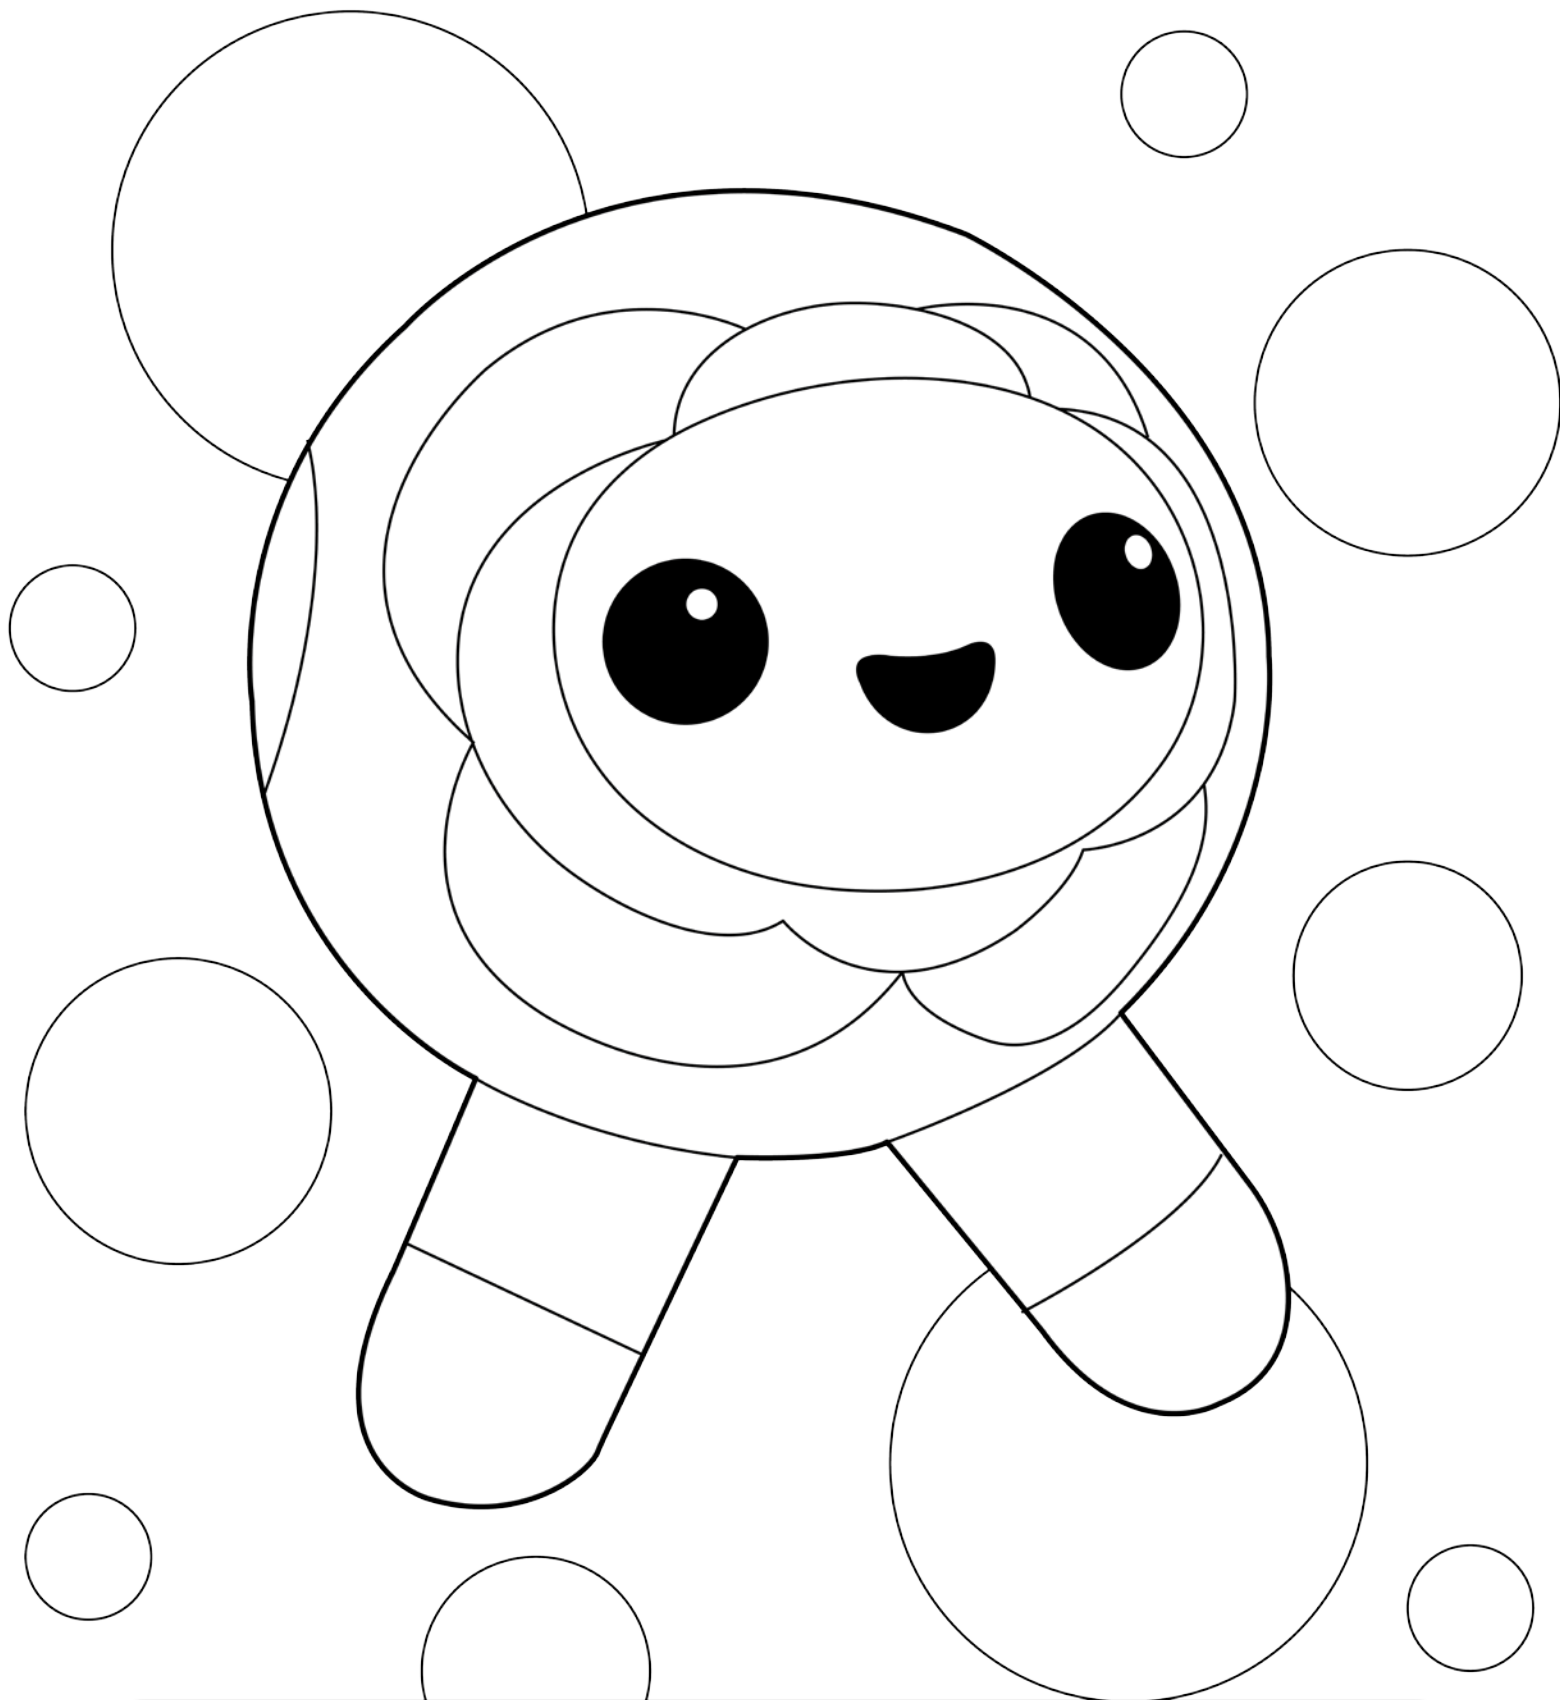

GROWZER

Growzer can make
any greenery -
vegetables and plants
too - grow larger!

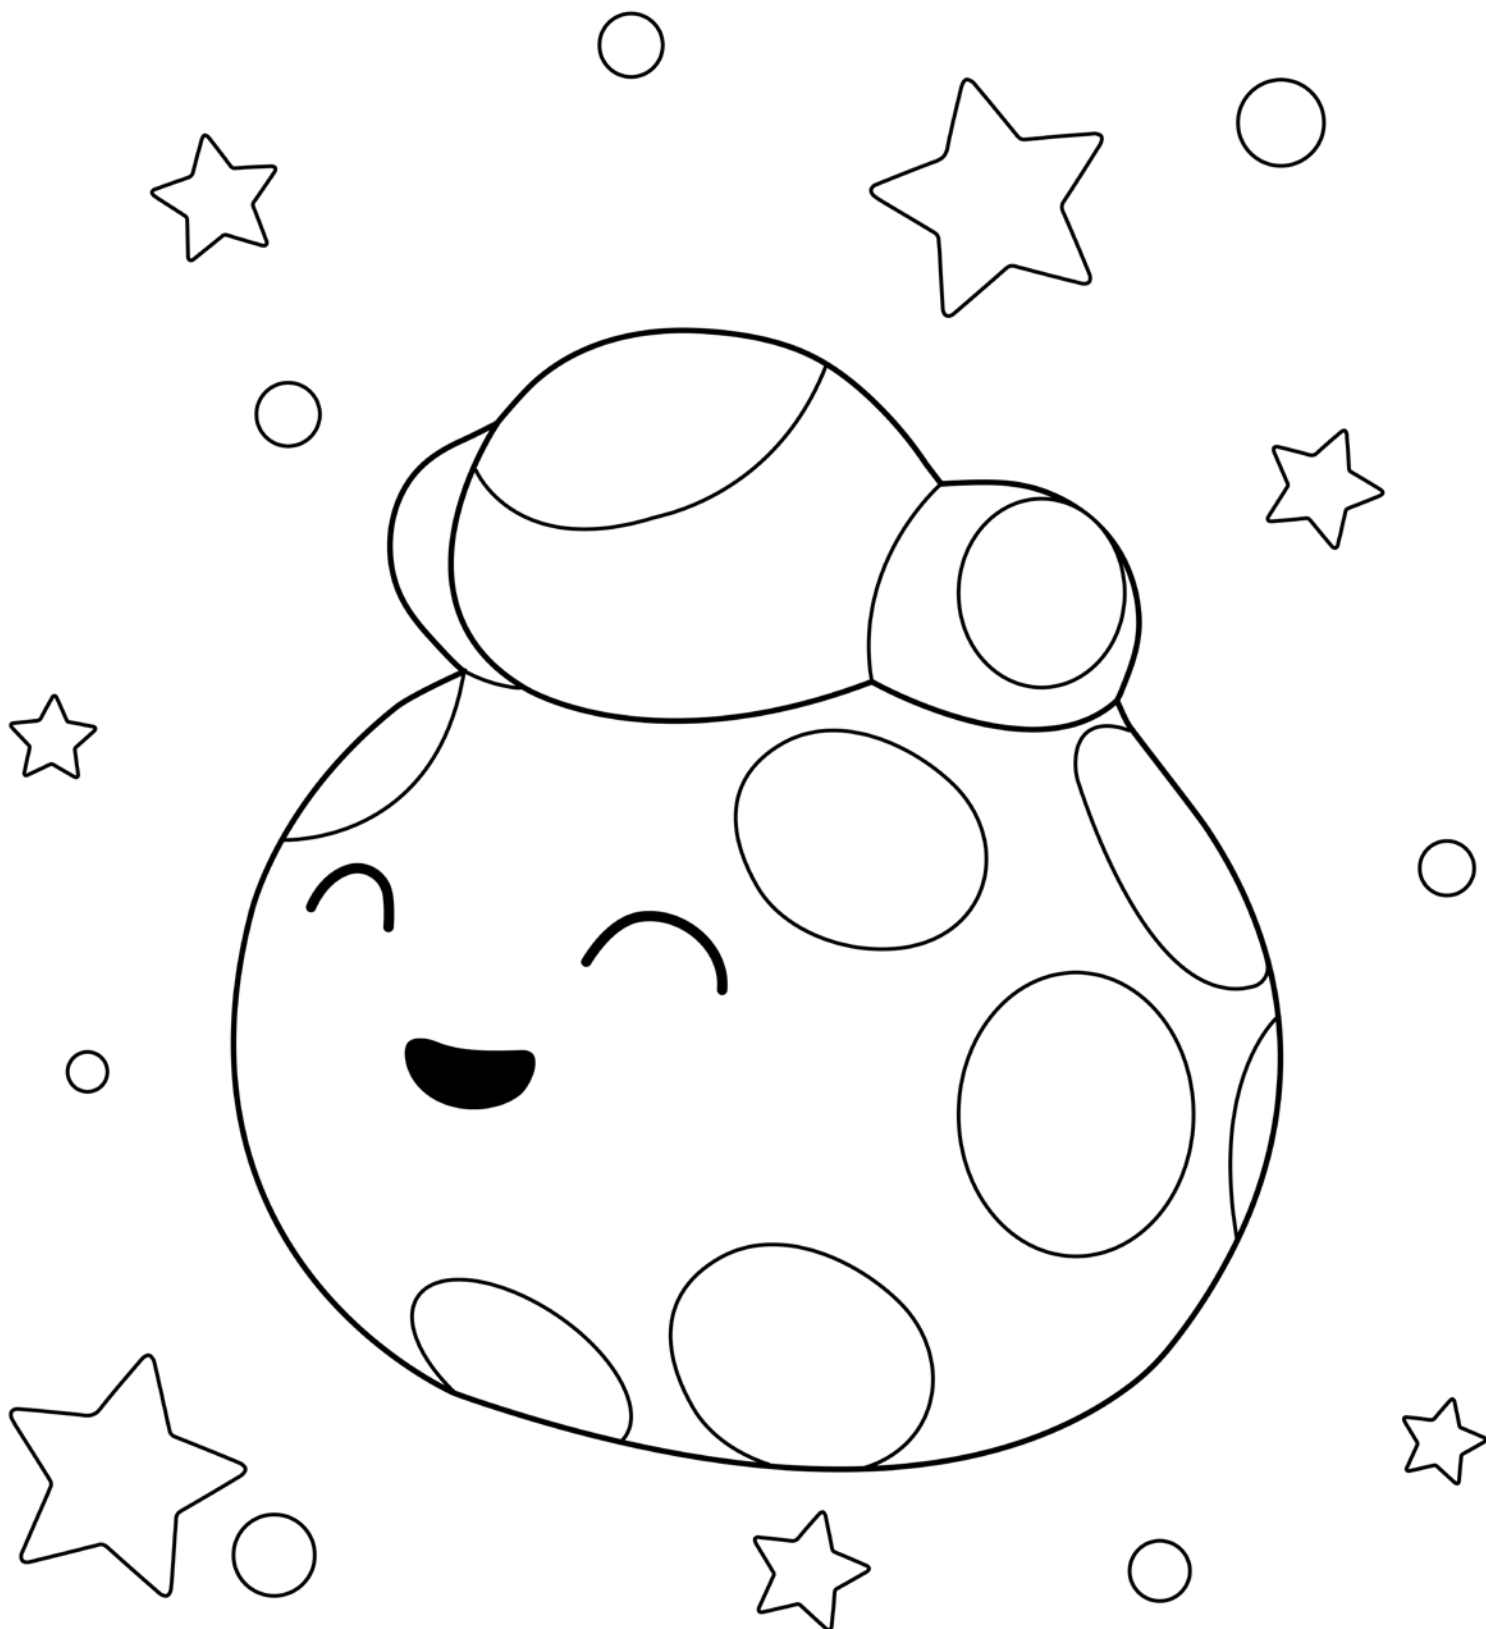

HEARYA

**Hearya can pick up
sounds from really far
away and amplify them
back to you!**

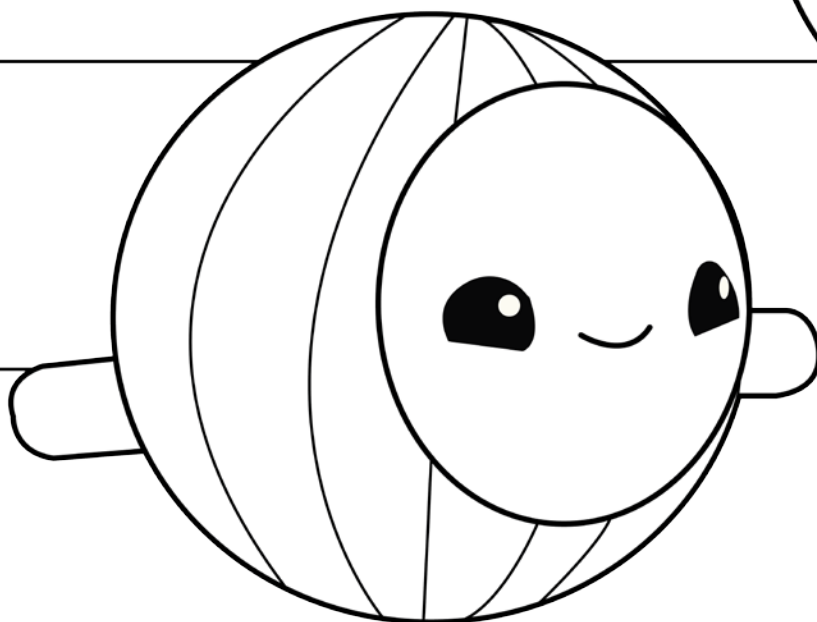

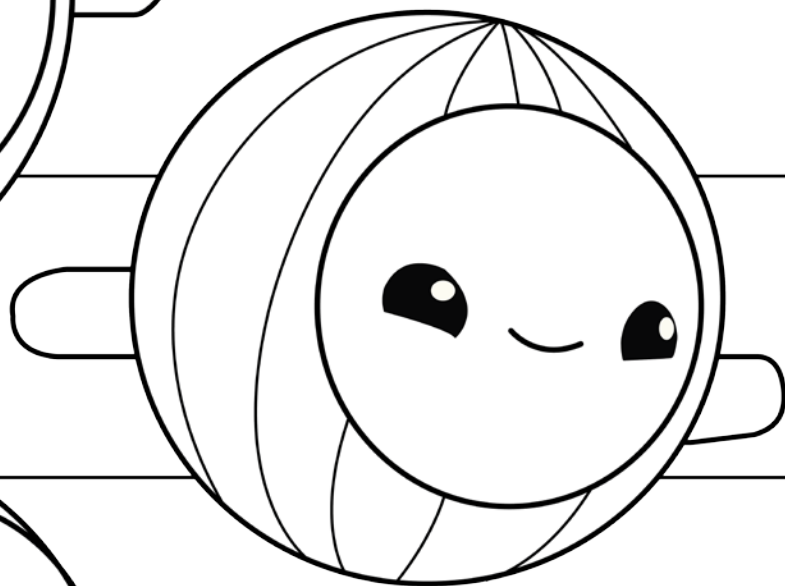

HIDESY

It can camouflage to hide, effectively becoming invisible, and also camouflage and hide people or objects it touches.

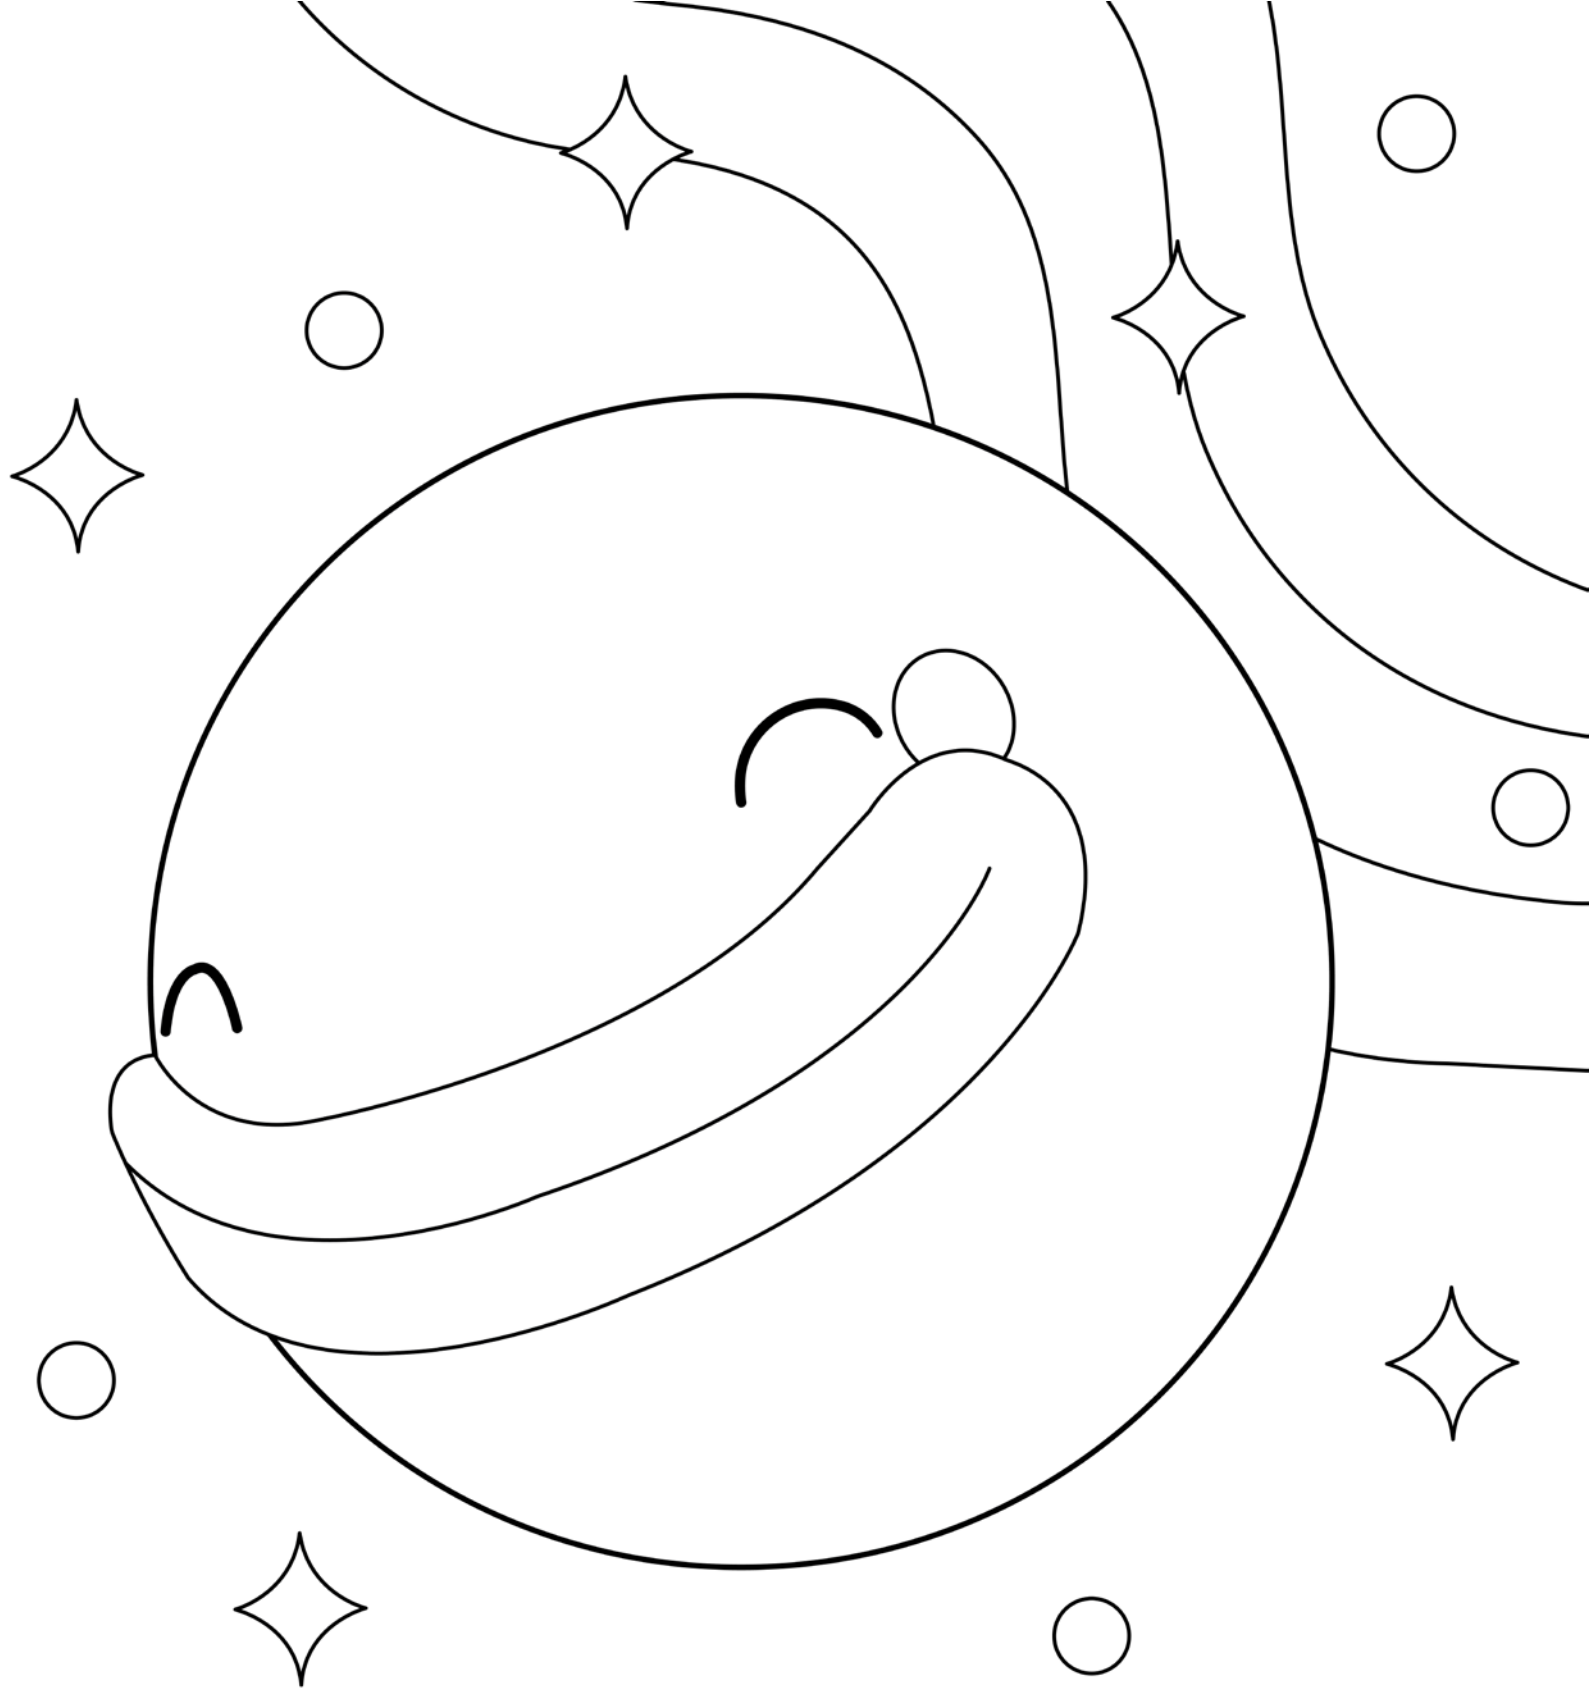

HUSHABYE

Hushabye can
play a wide
selection of
soothing songs

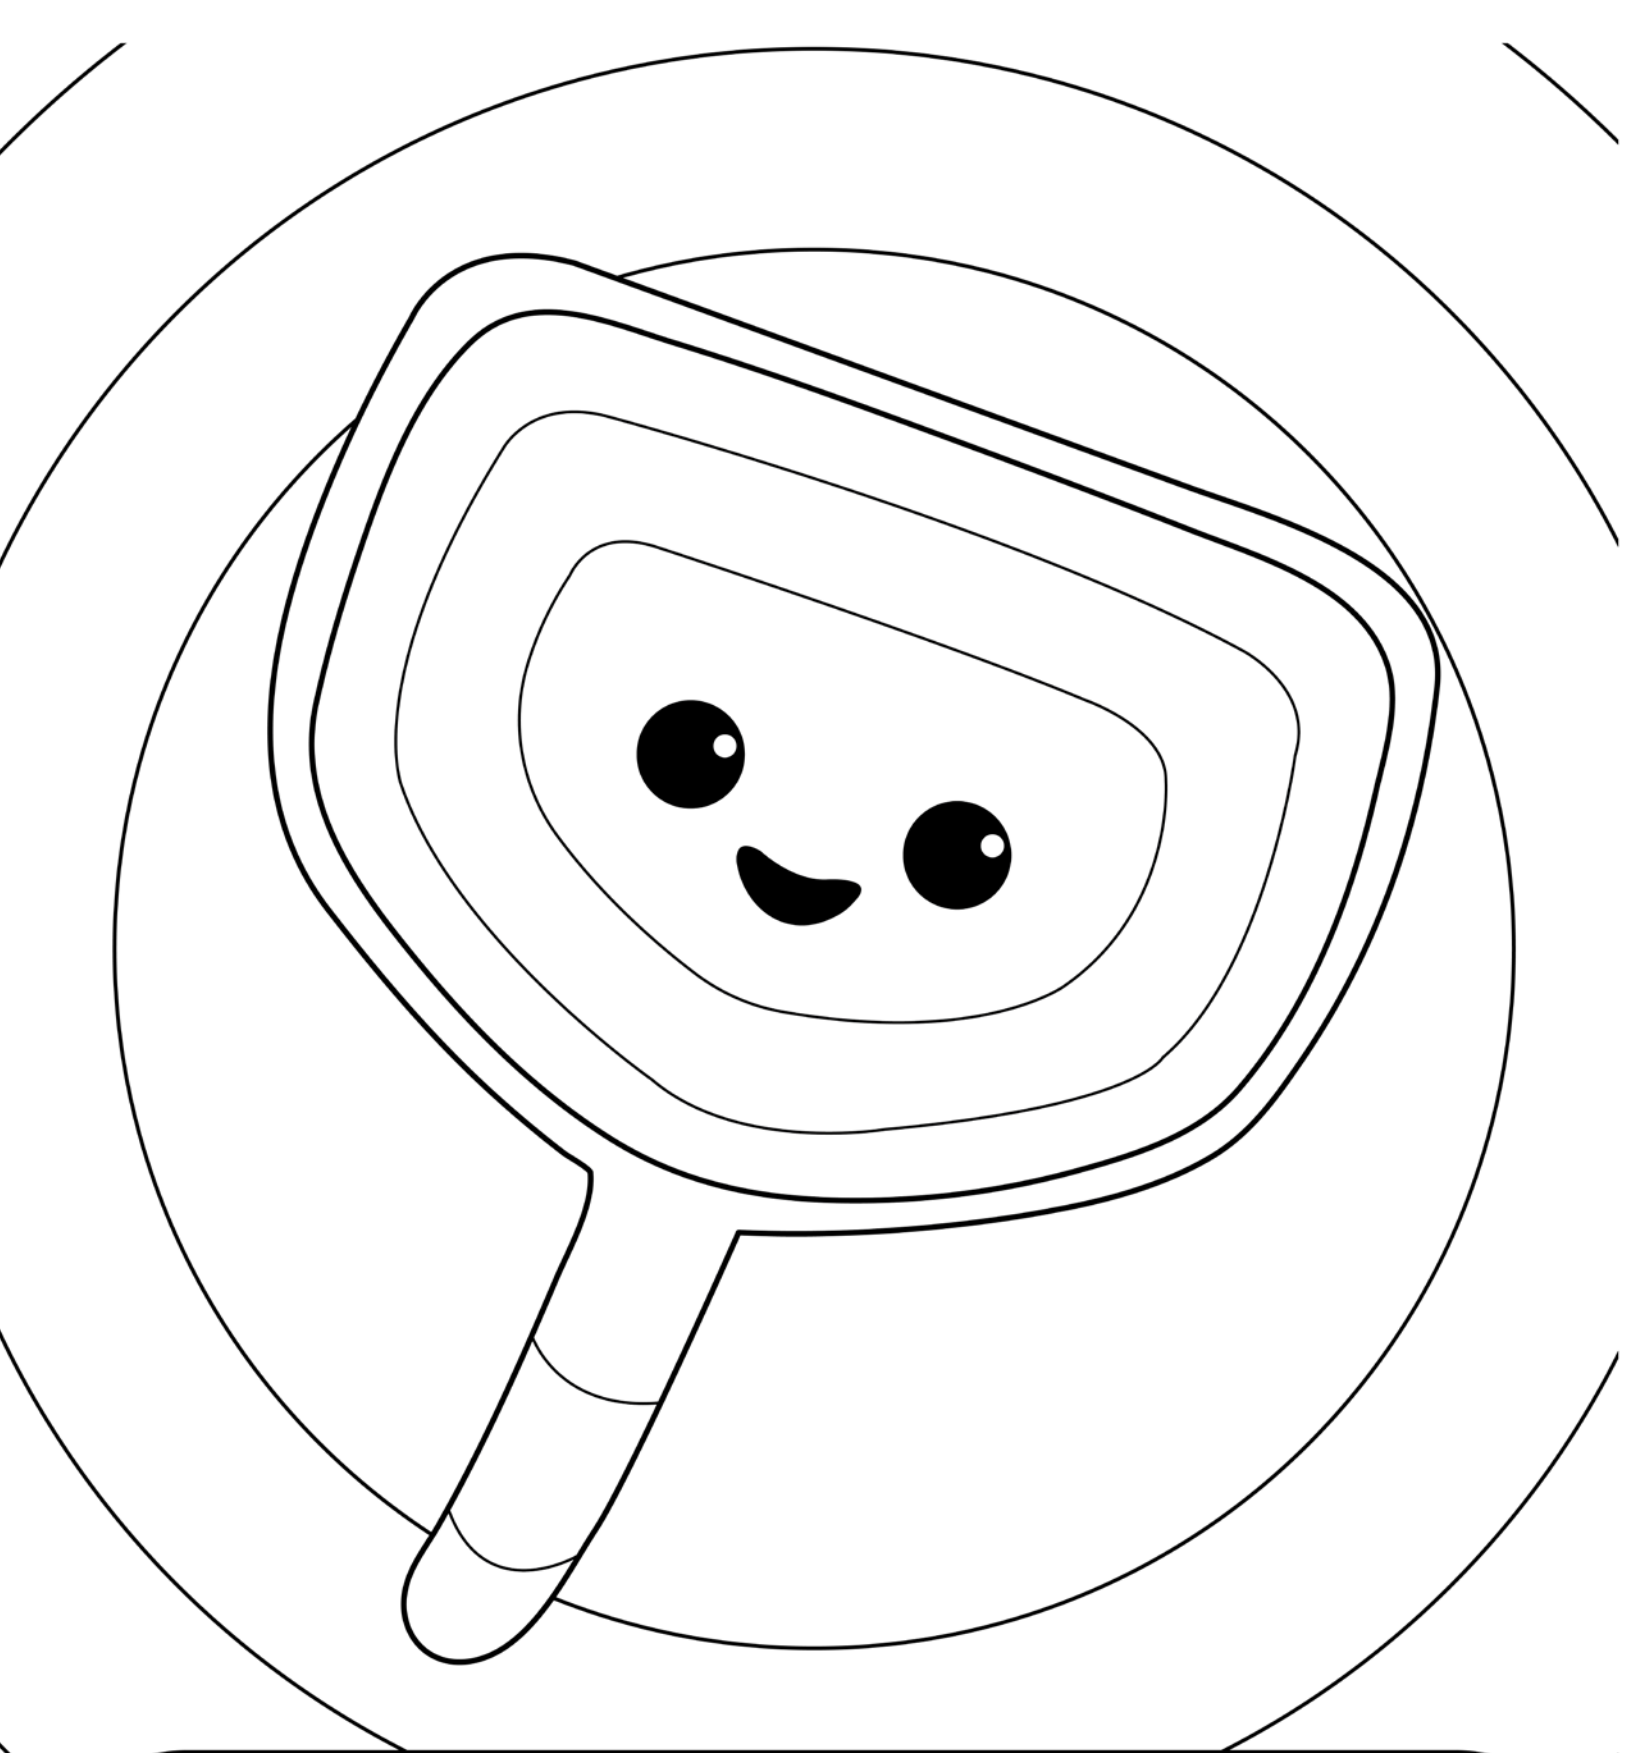

JOINER

Joiner can make
several objects into one.
Just make sure they're
close together!

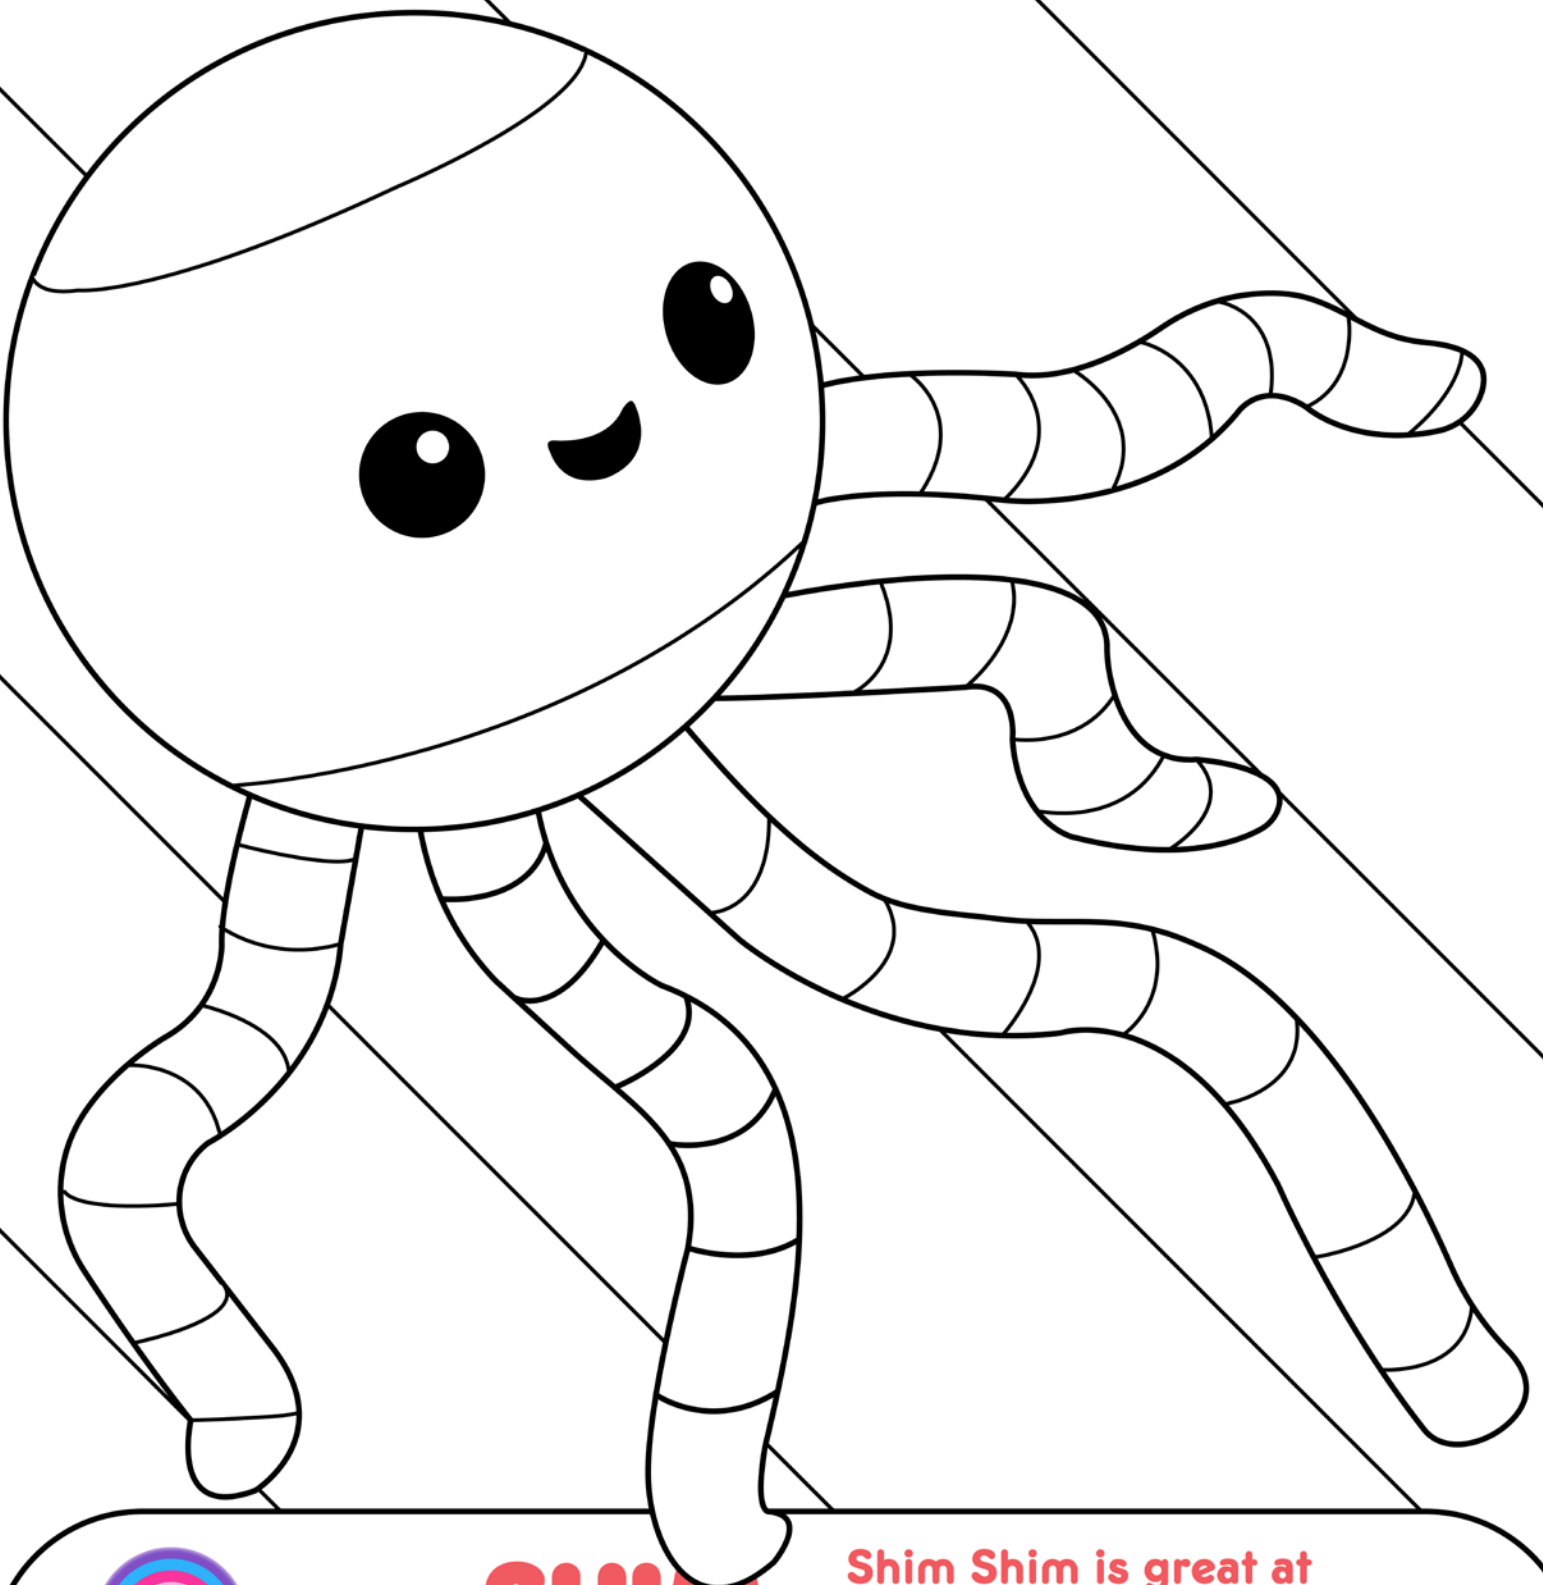

POM POM

Pom pom can make
even the quietest
whispers very loud!

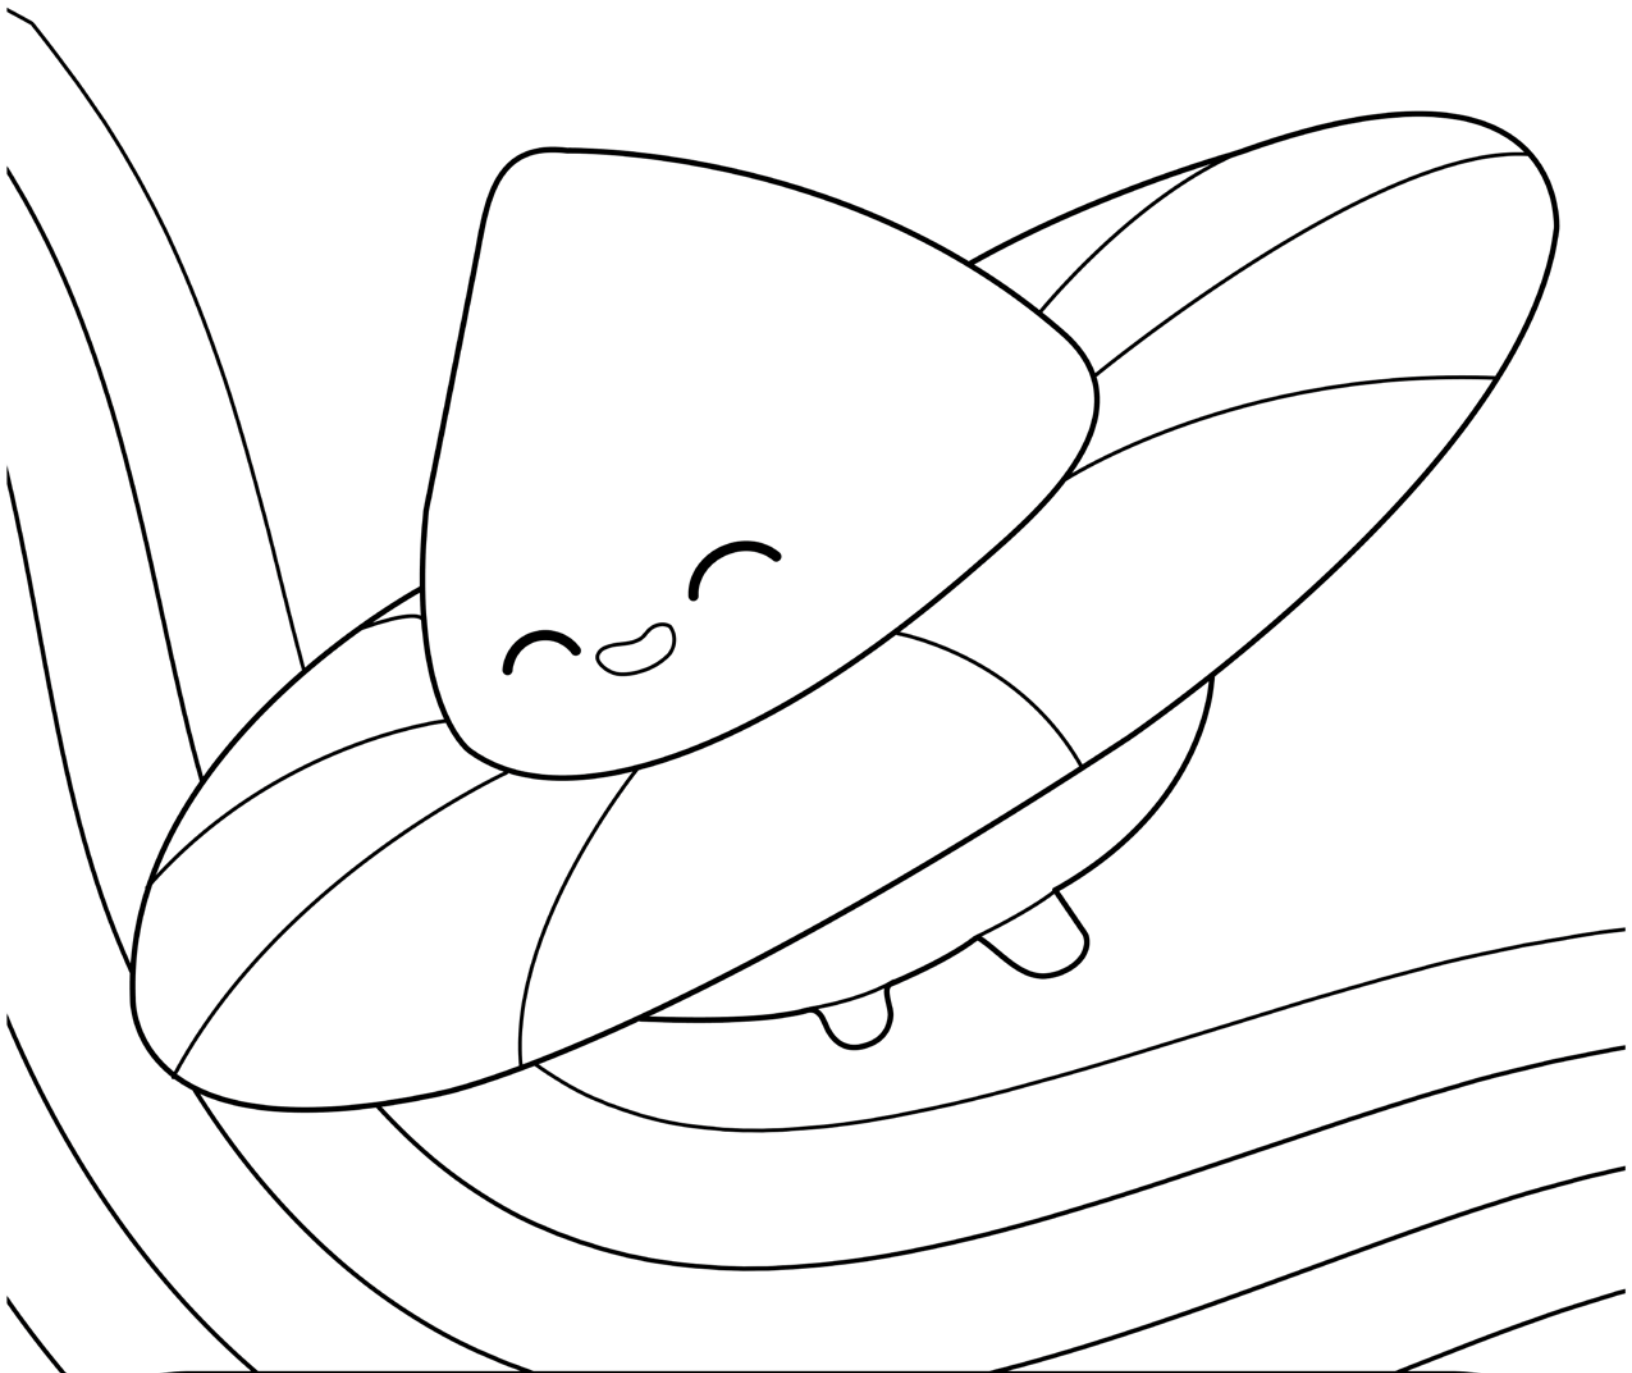

ROPER-ROO

Roper-Roo can be
used to lasso things
and move them.

**SHIM
SHIM**

Shim Shim is great at oscillating - which means its long wiggly arms can shimmy all over the place!

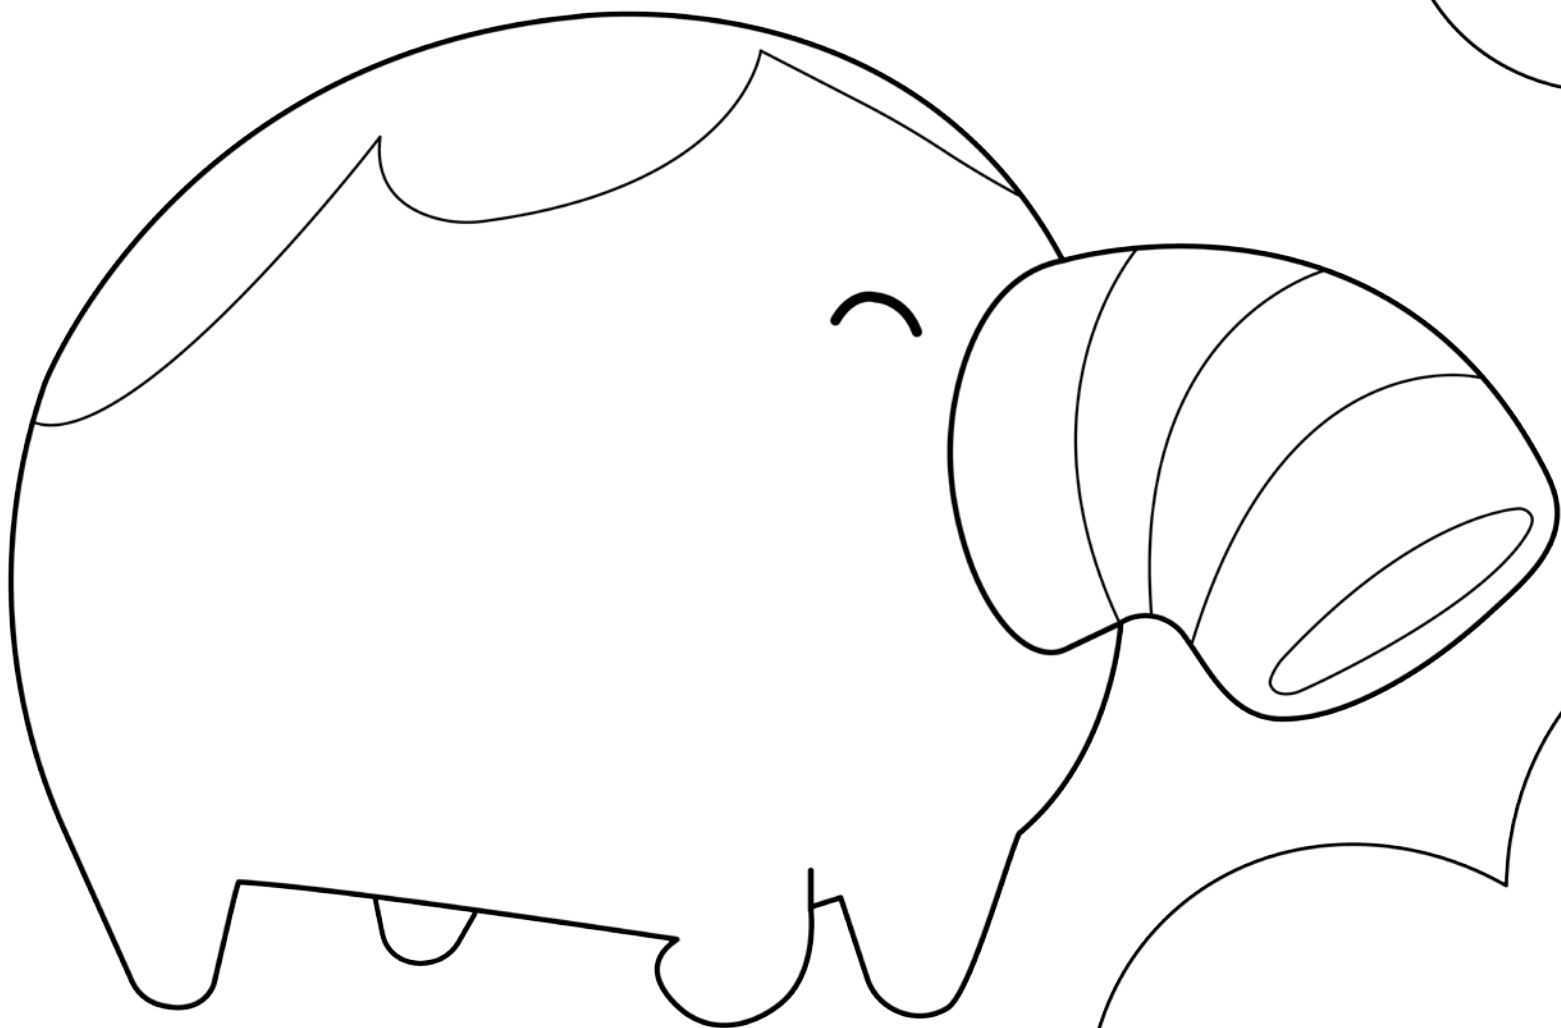

SLIPZY

**Slipzy is a slide wish.
Not only can you slide down
it, you can slide up too!**

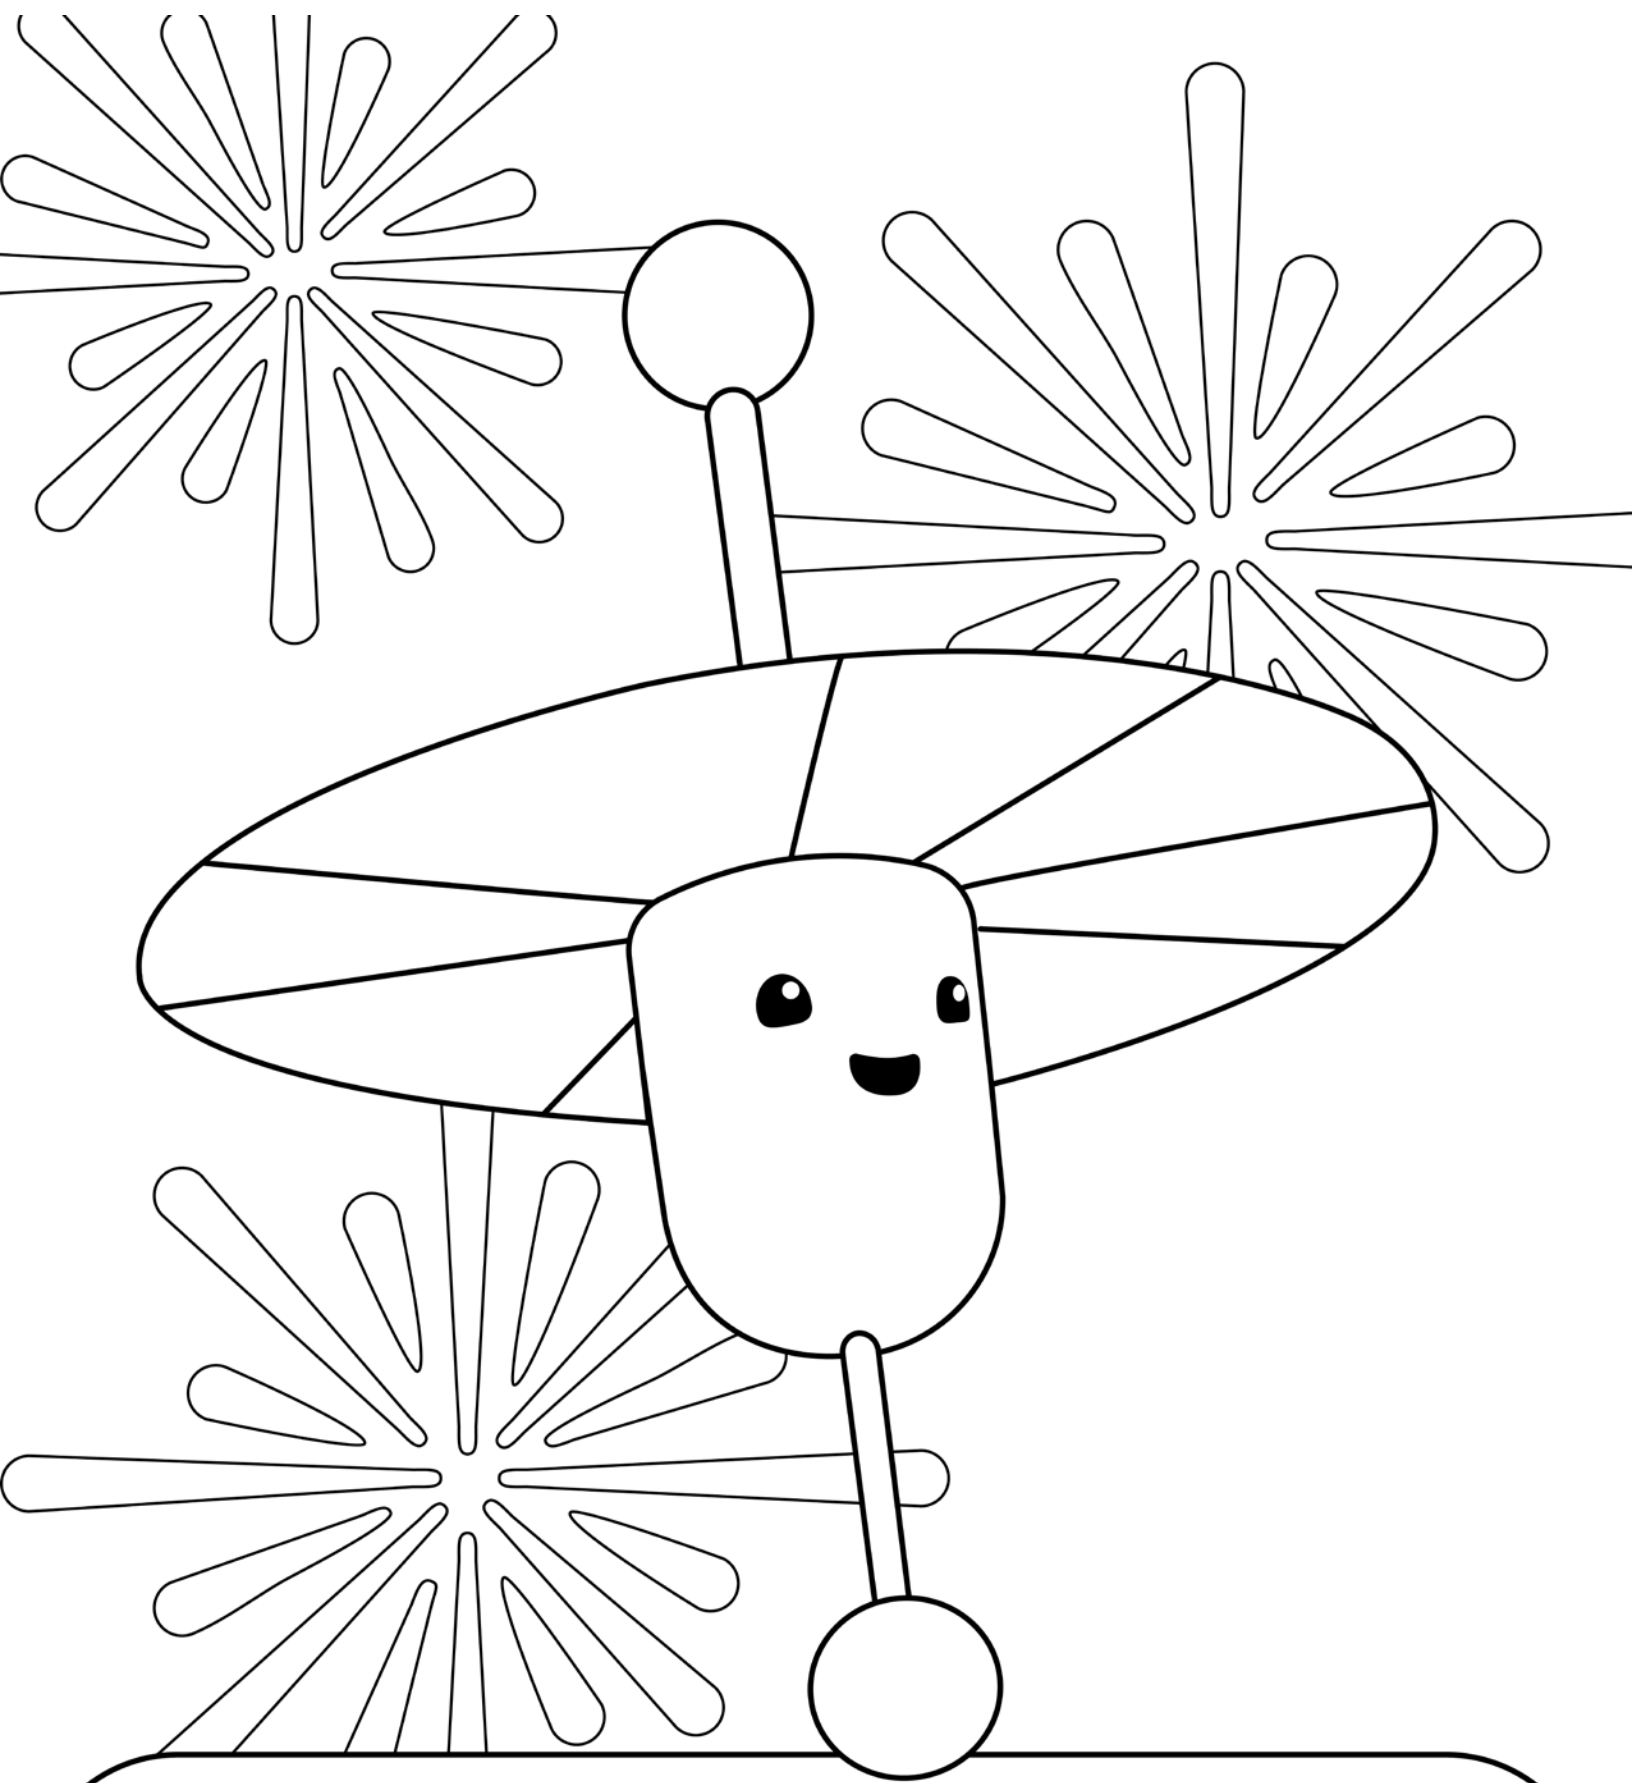

SMELFER

**Smelfer smells wonderful
and can even mask
unpleasant smells**

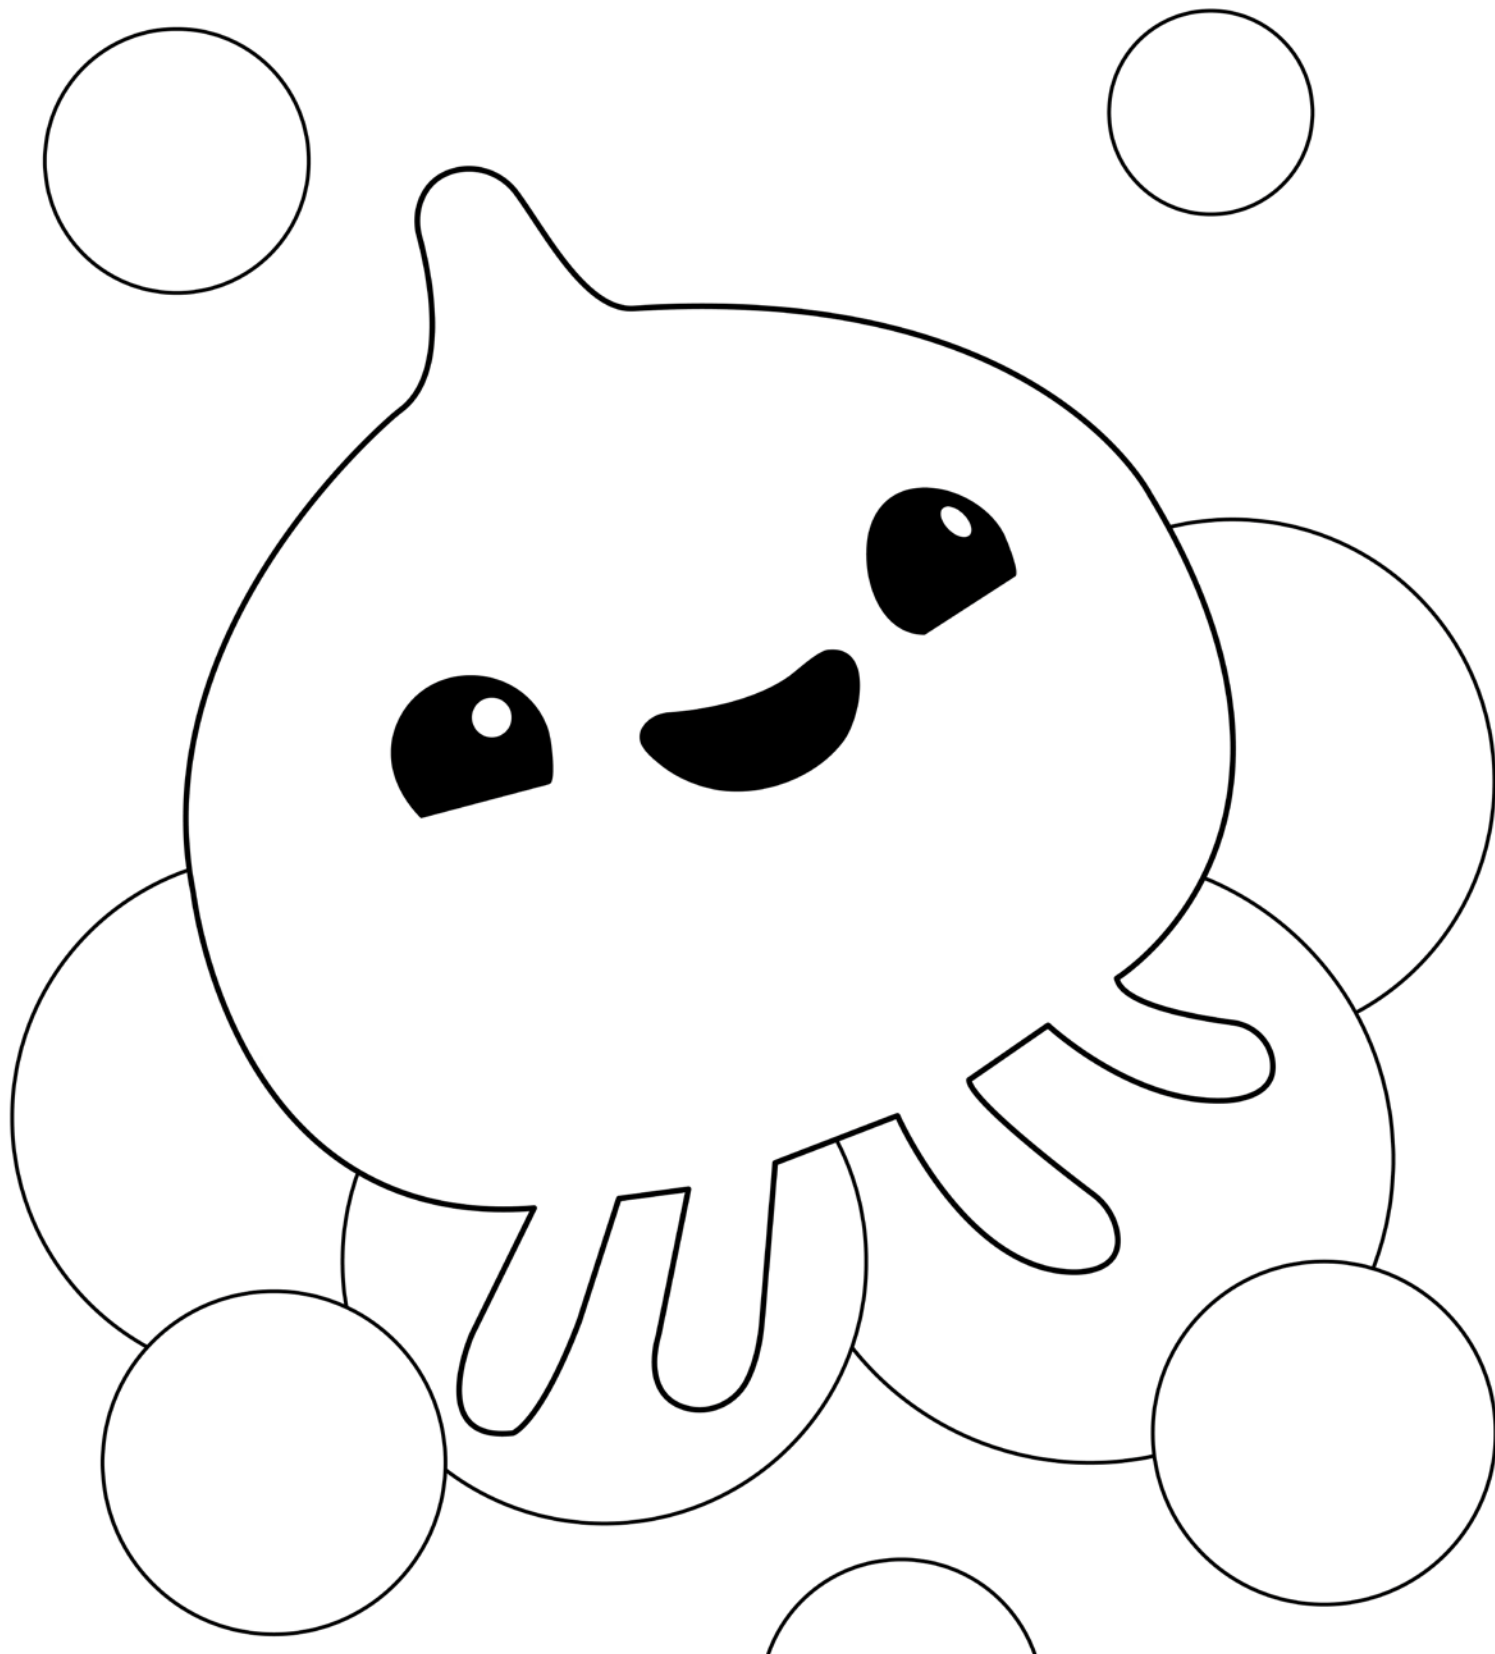

SNORFLE

**Snorfle can sniff out
smells that are barely
even smelly!**

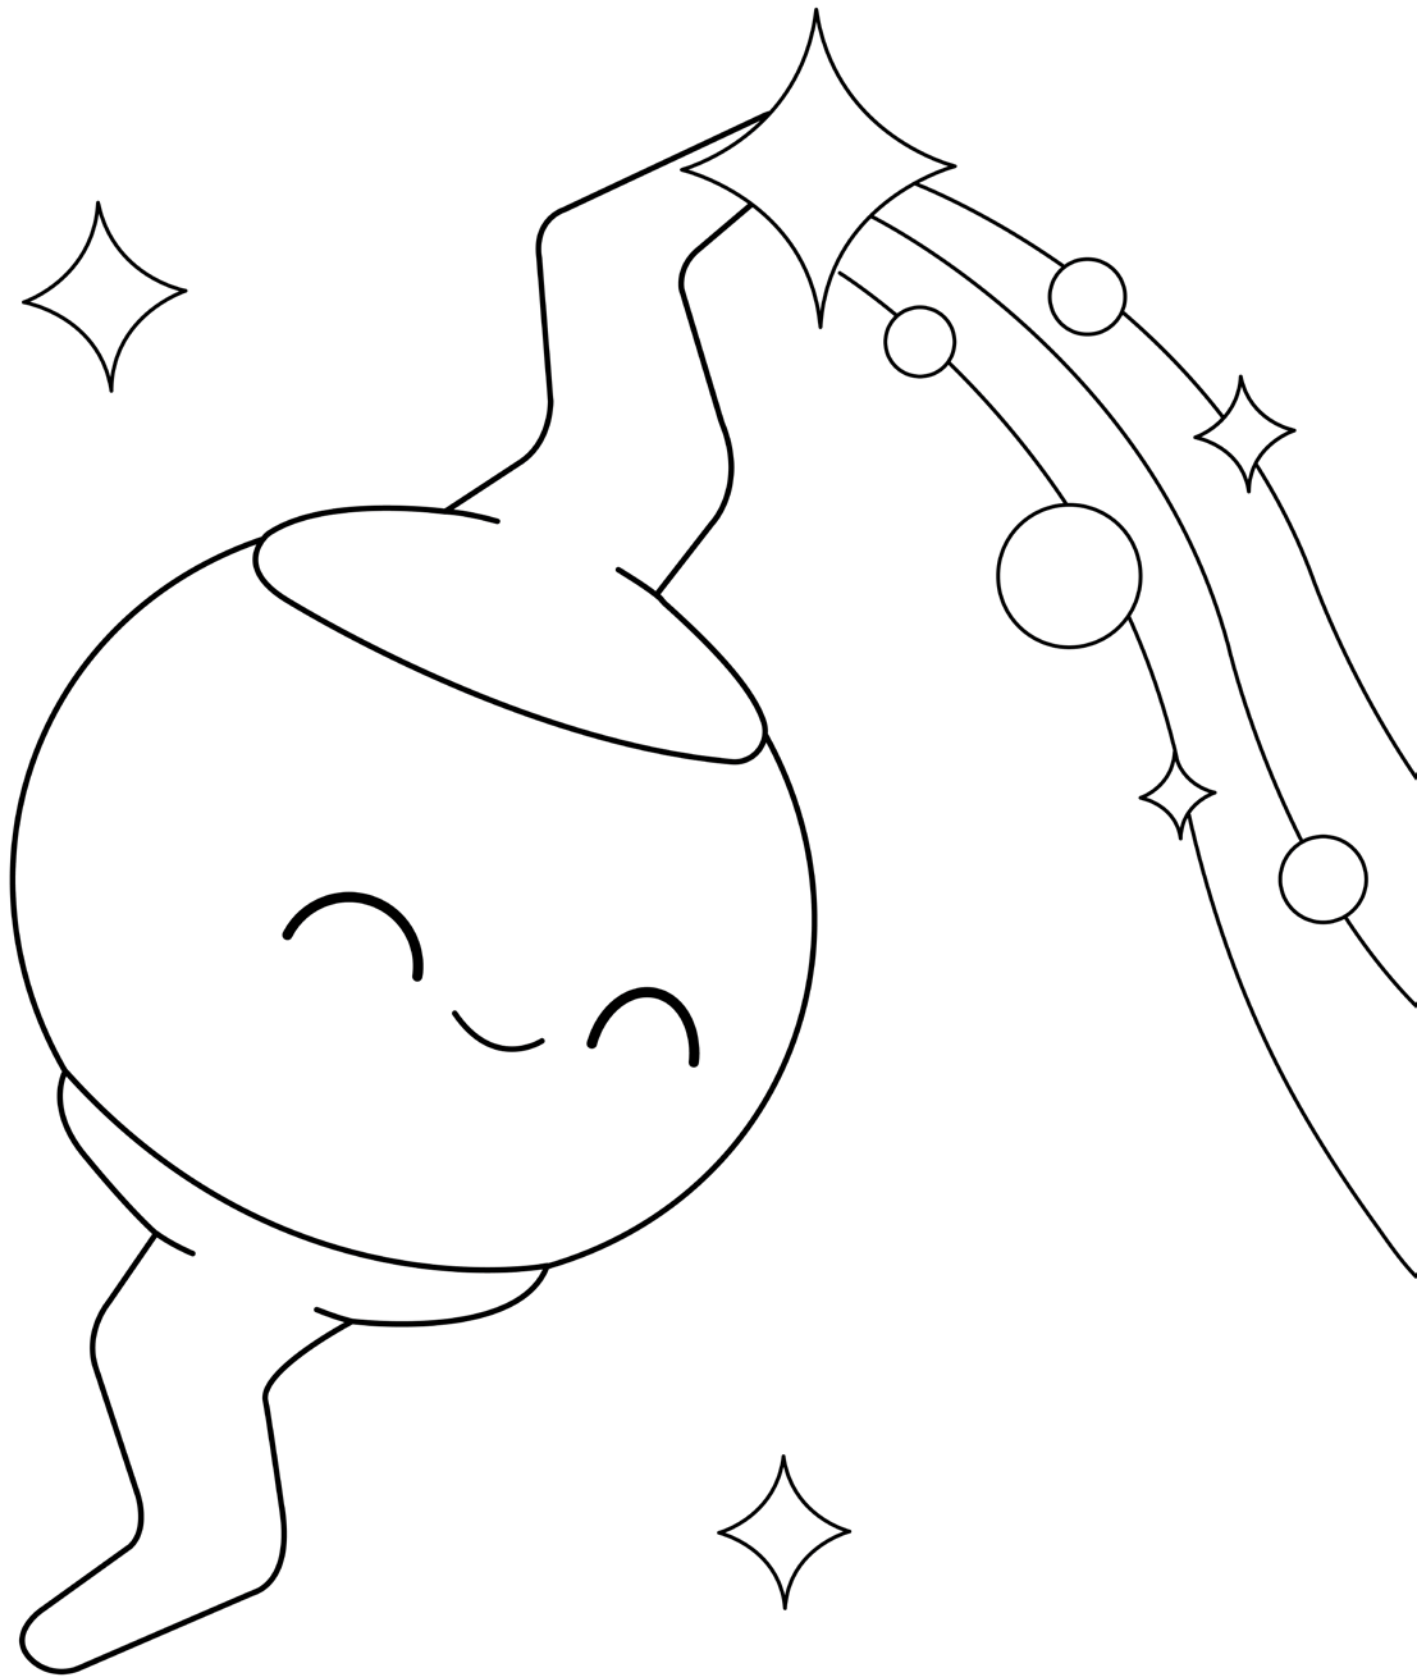

SPARK-LEE

Spark-Lee is a fireworks
wish so bright and
colorful, you can't
stop looking at it!

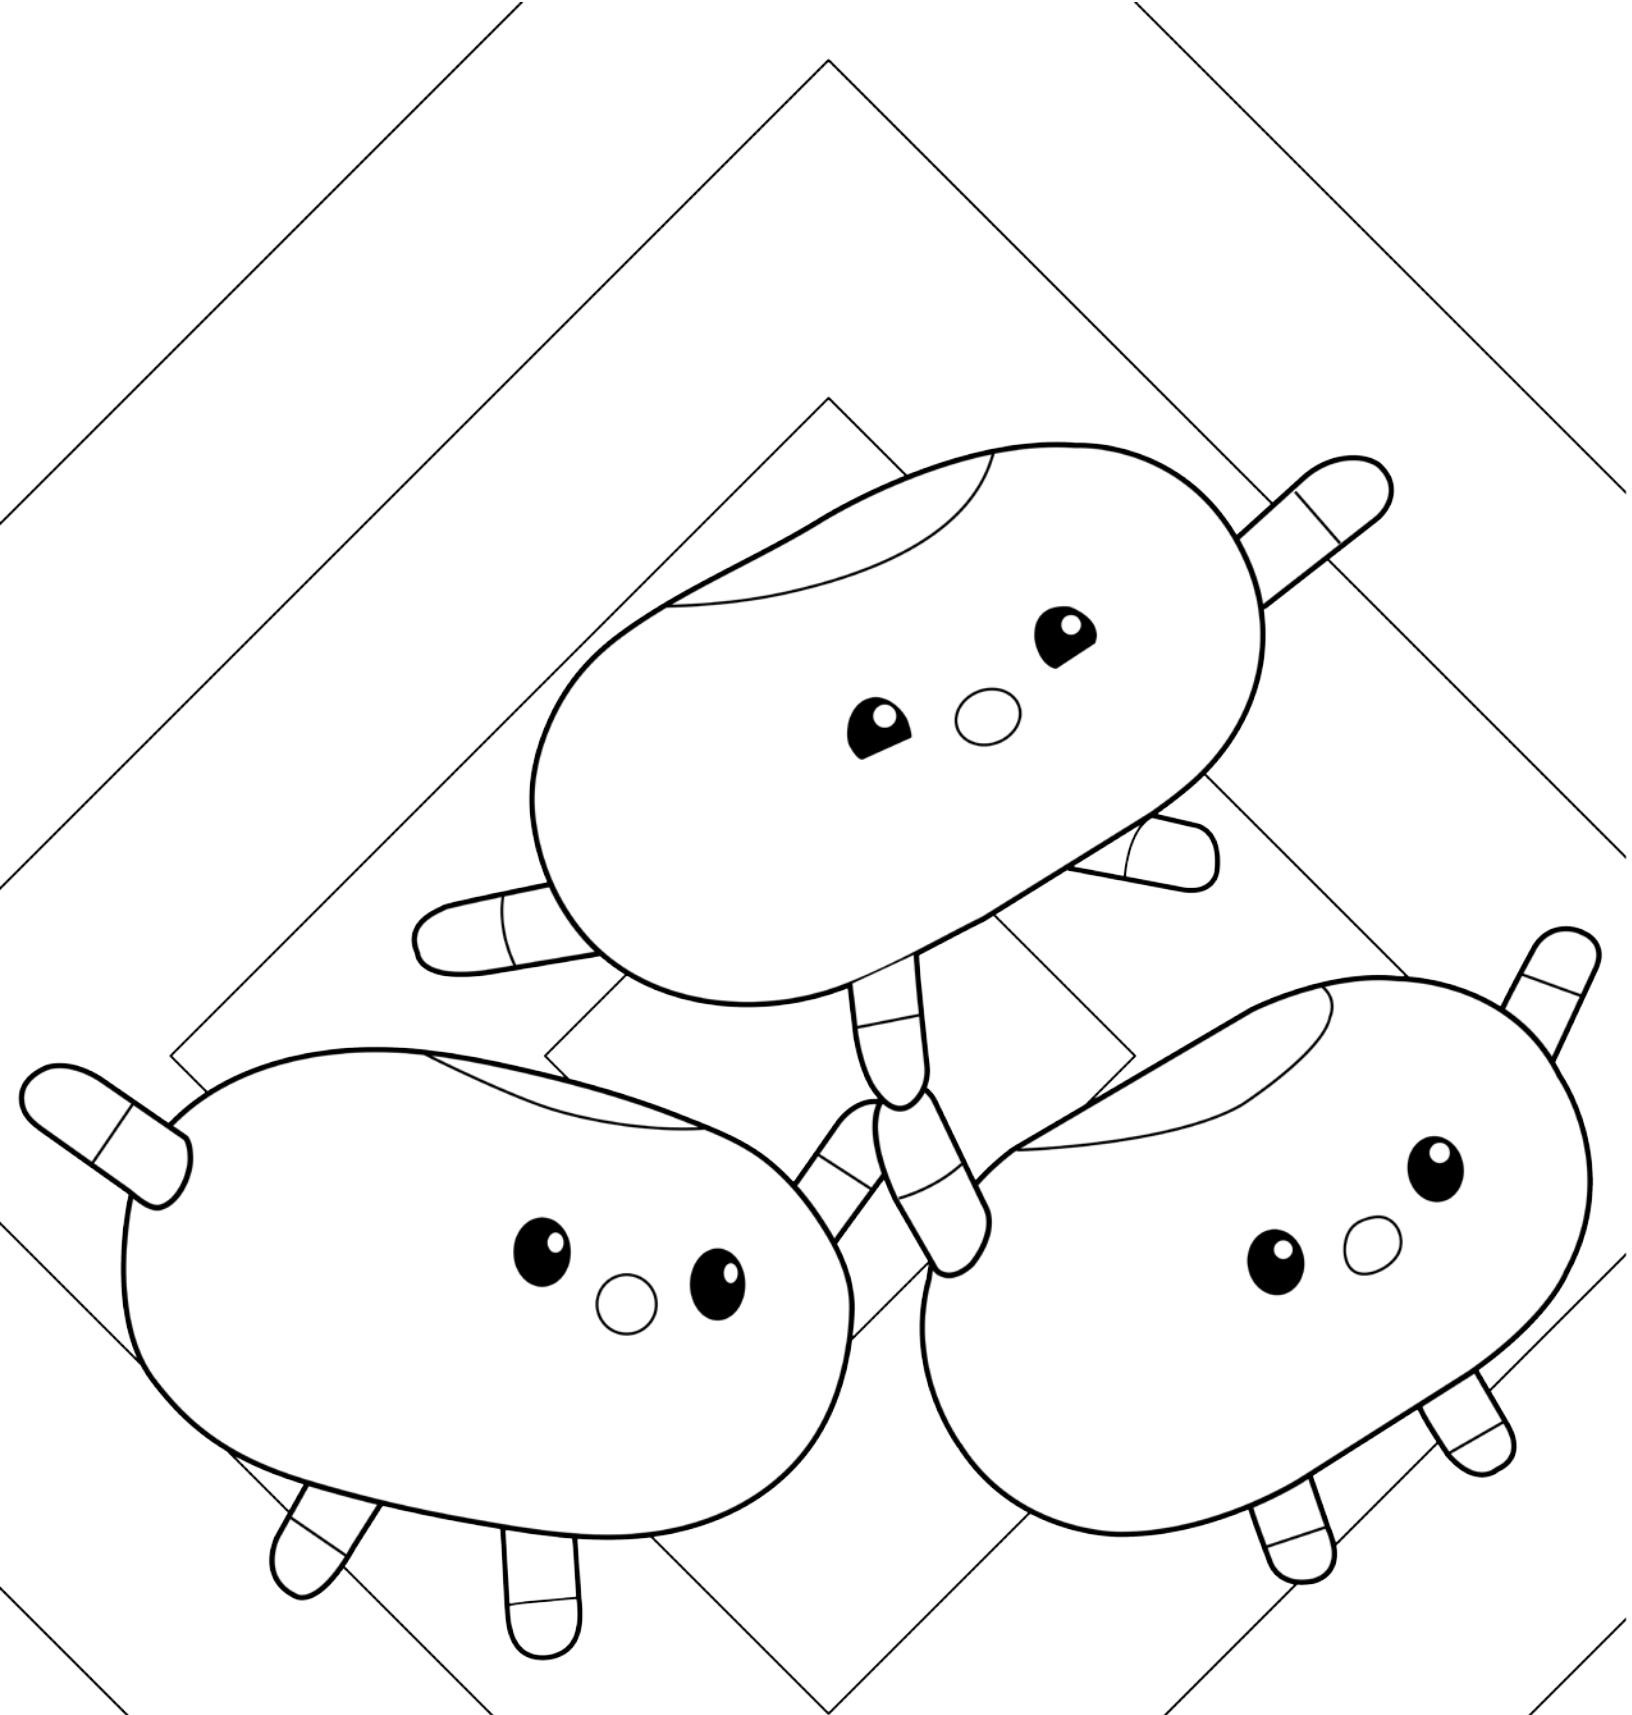

SQUIDZY

Squidzy is super grabby! Its tentacles can do all kinds of things, like reaching places that are hard to get to.

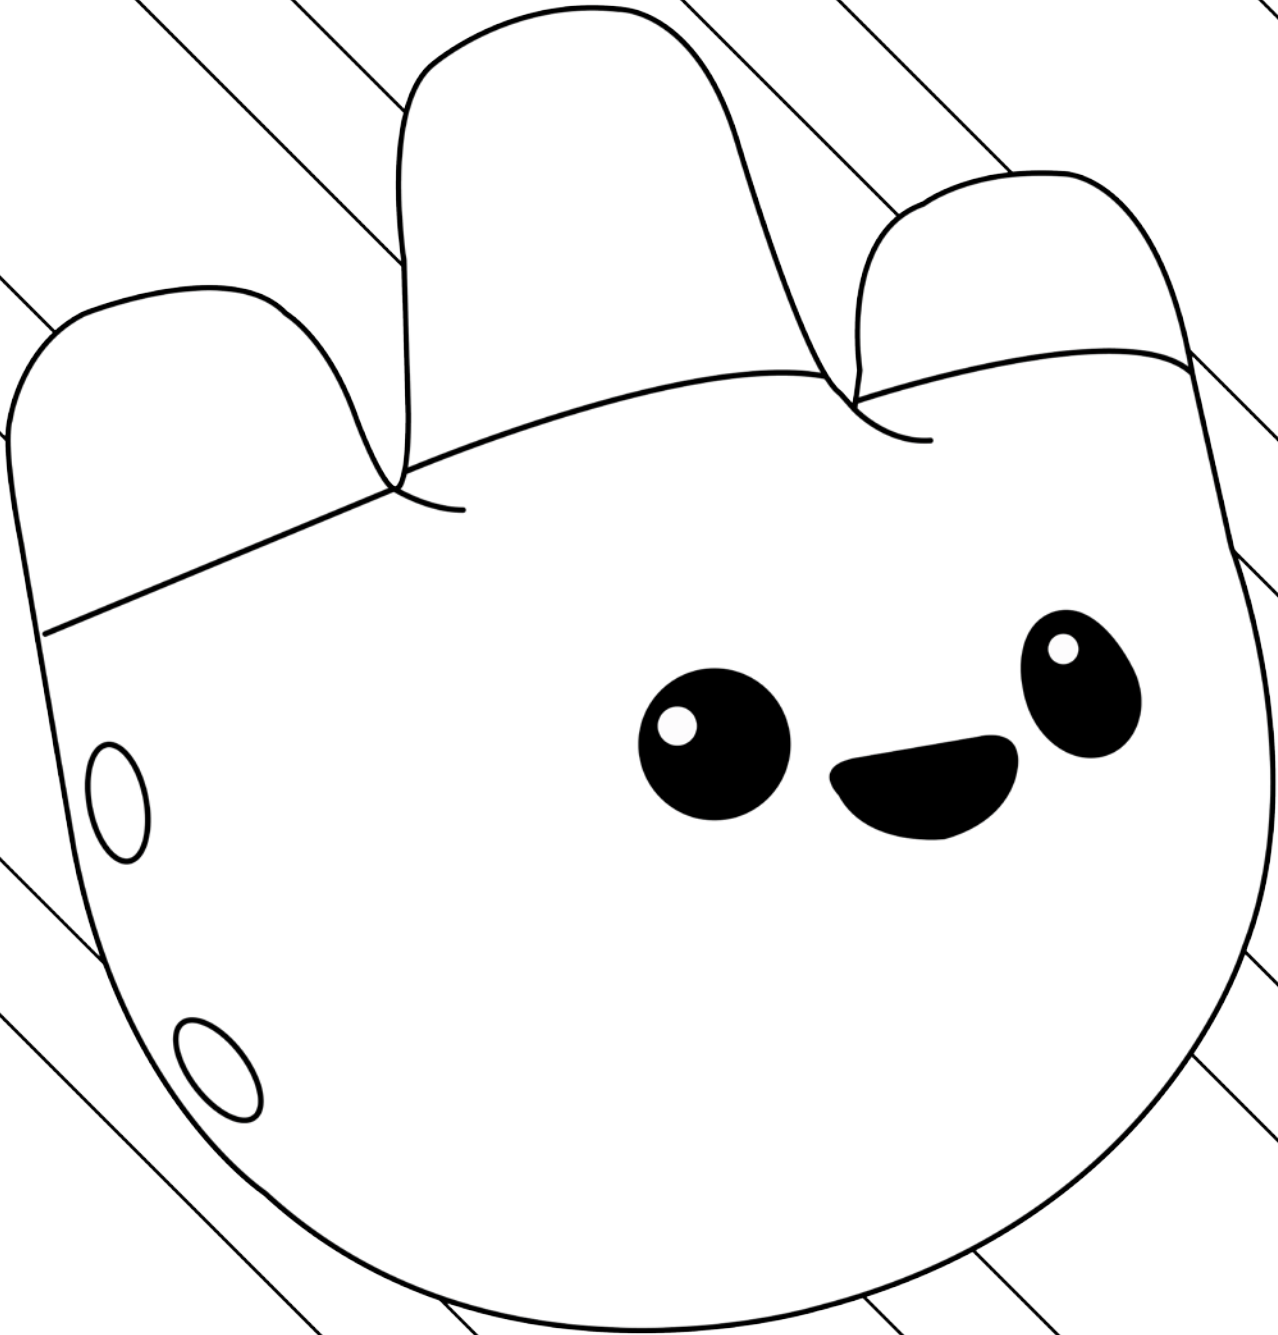

SYZER

Syzer can make things very small, or very big! Just snap your fingers to get Syzer to stop!

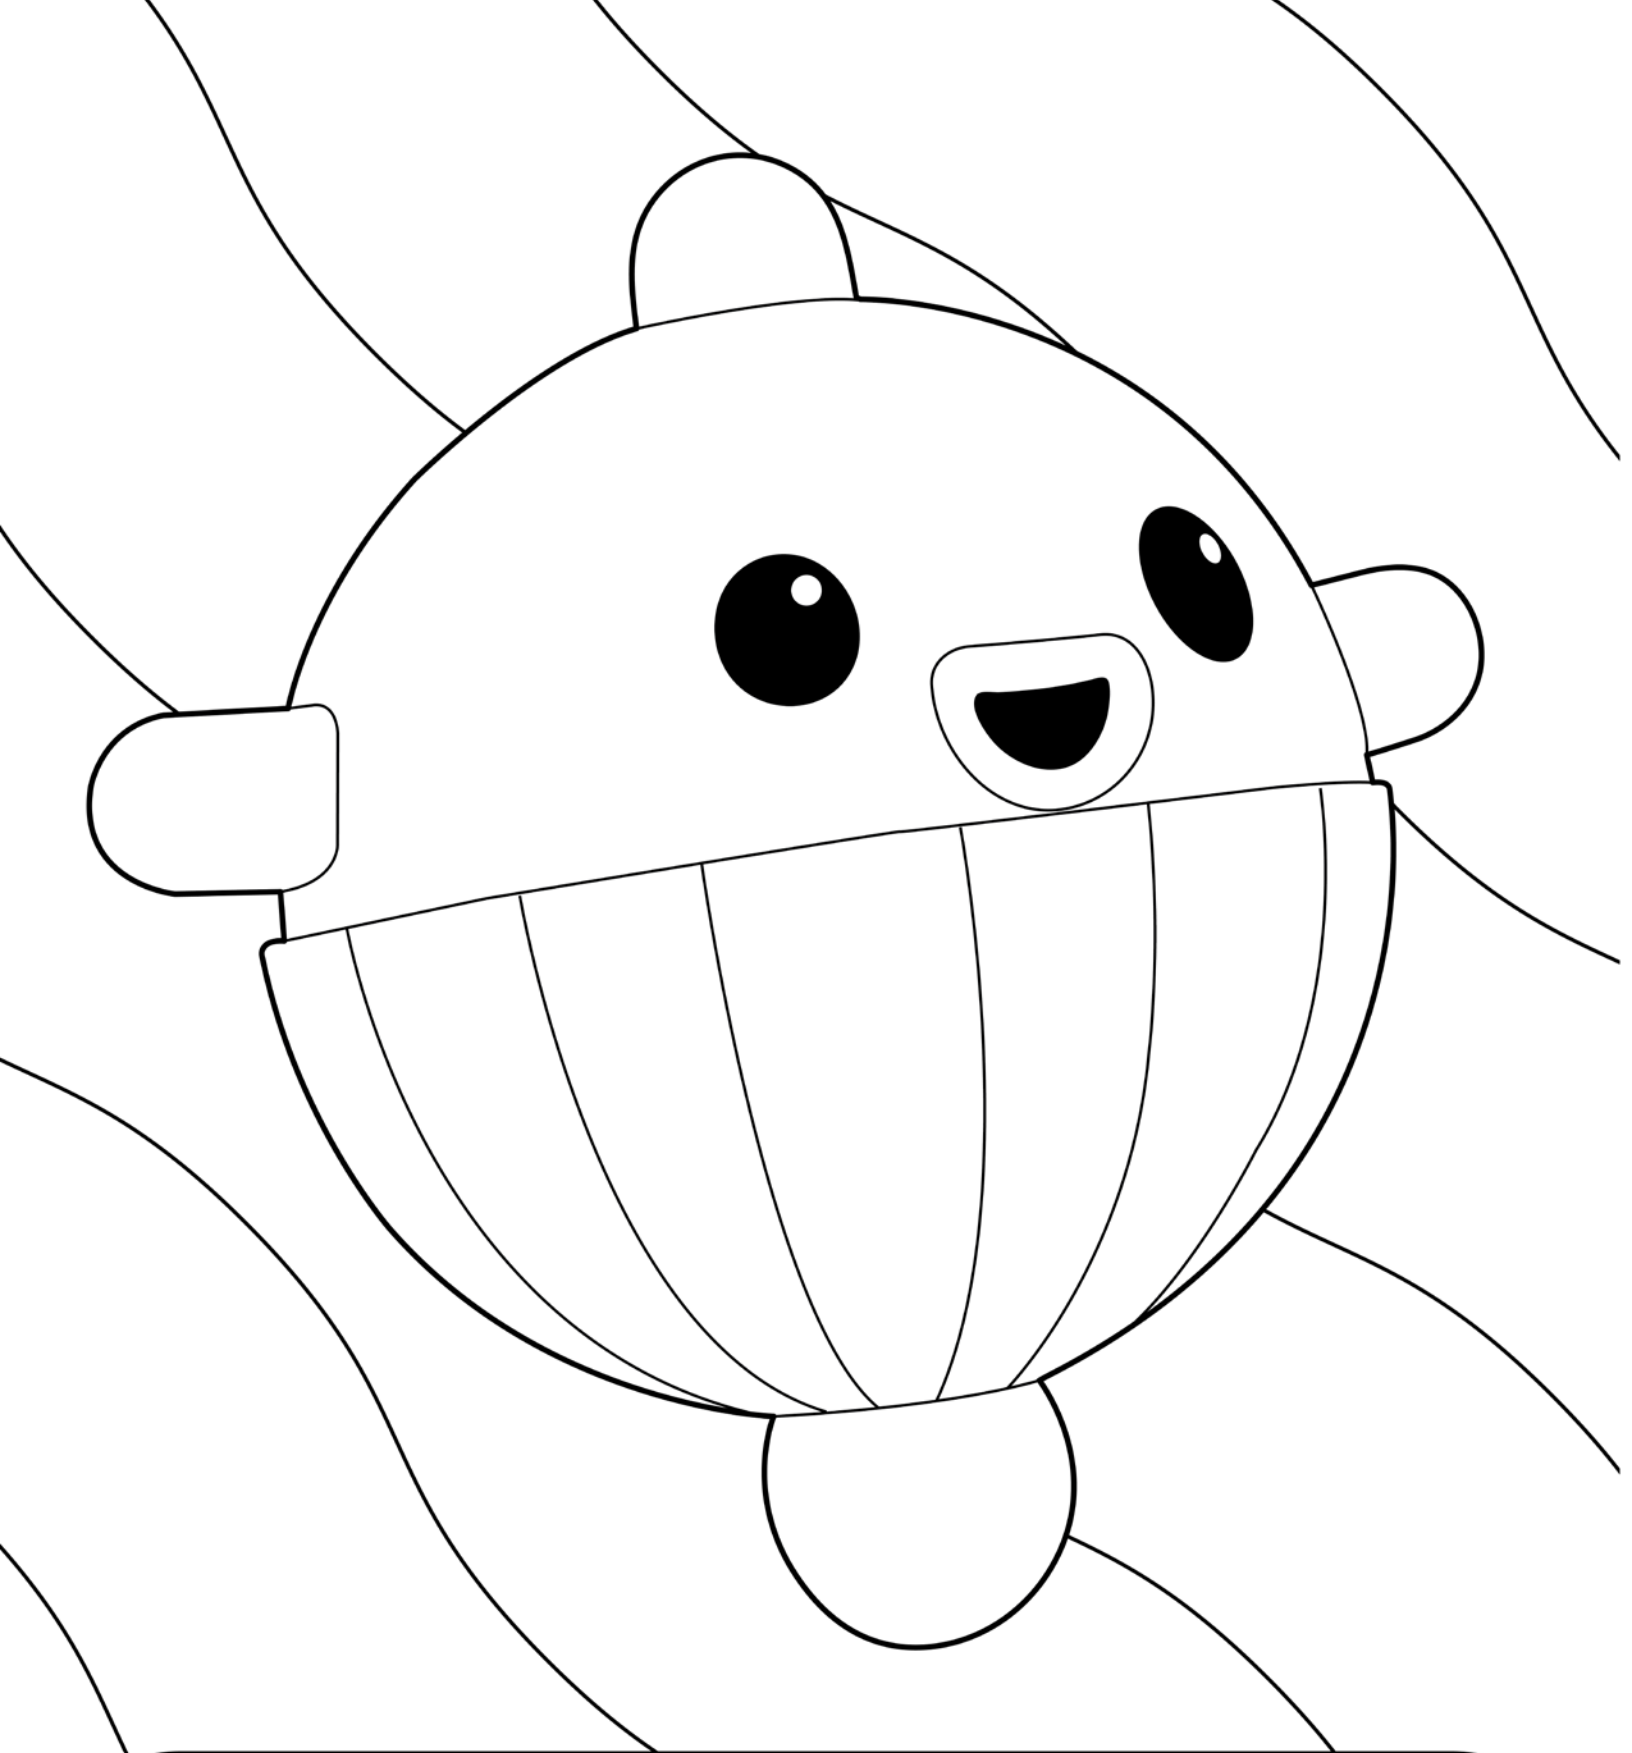

TIPTOP

**TipTop is made of
different parts that
work together to make
bigger structures!**

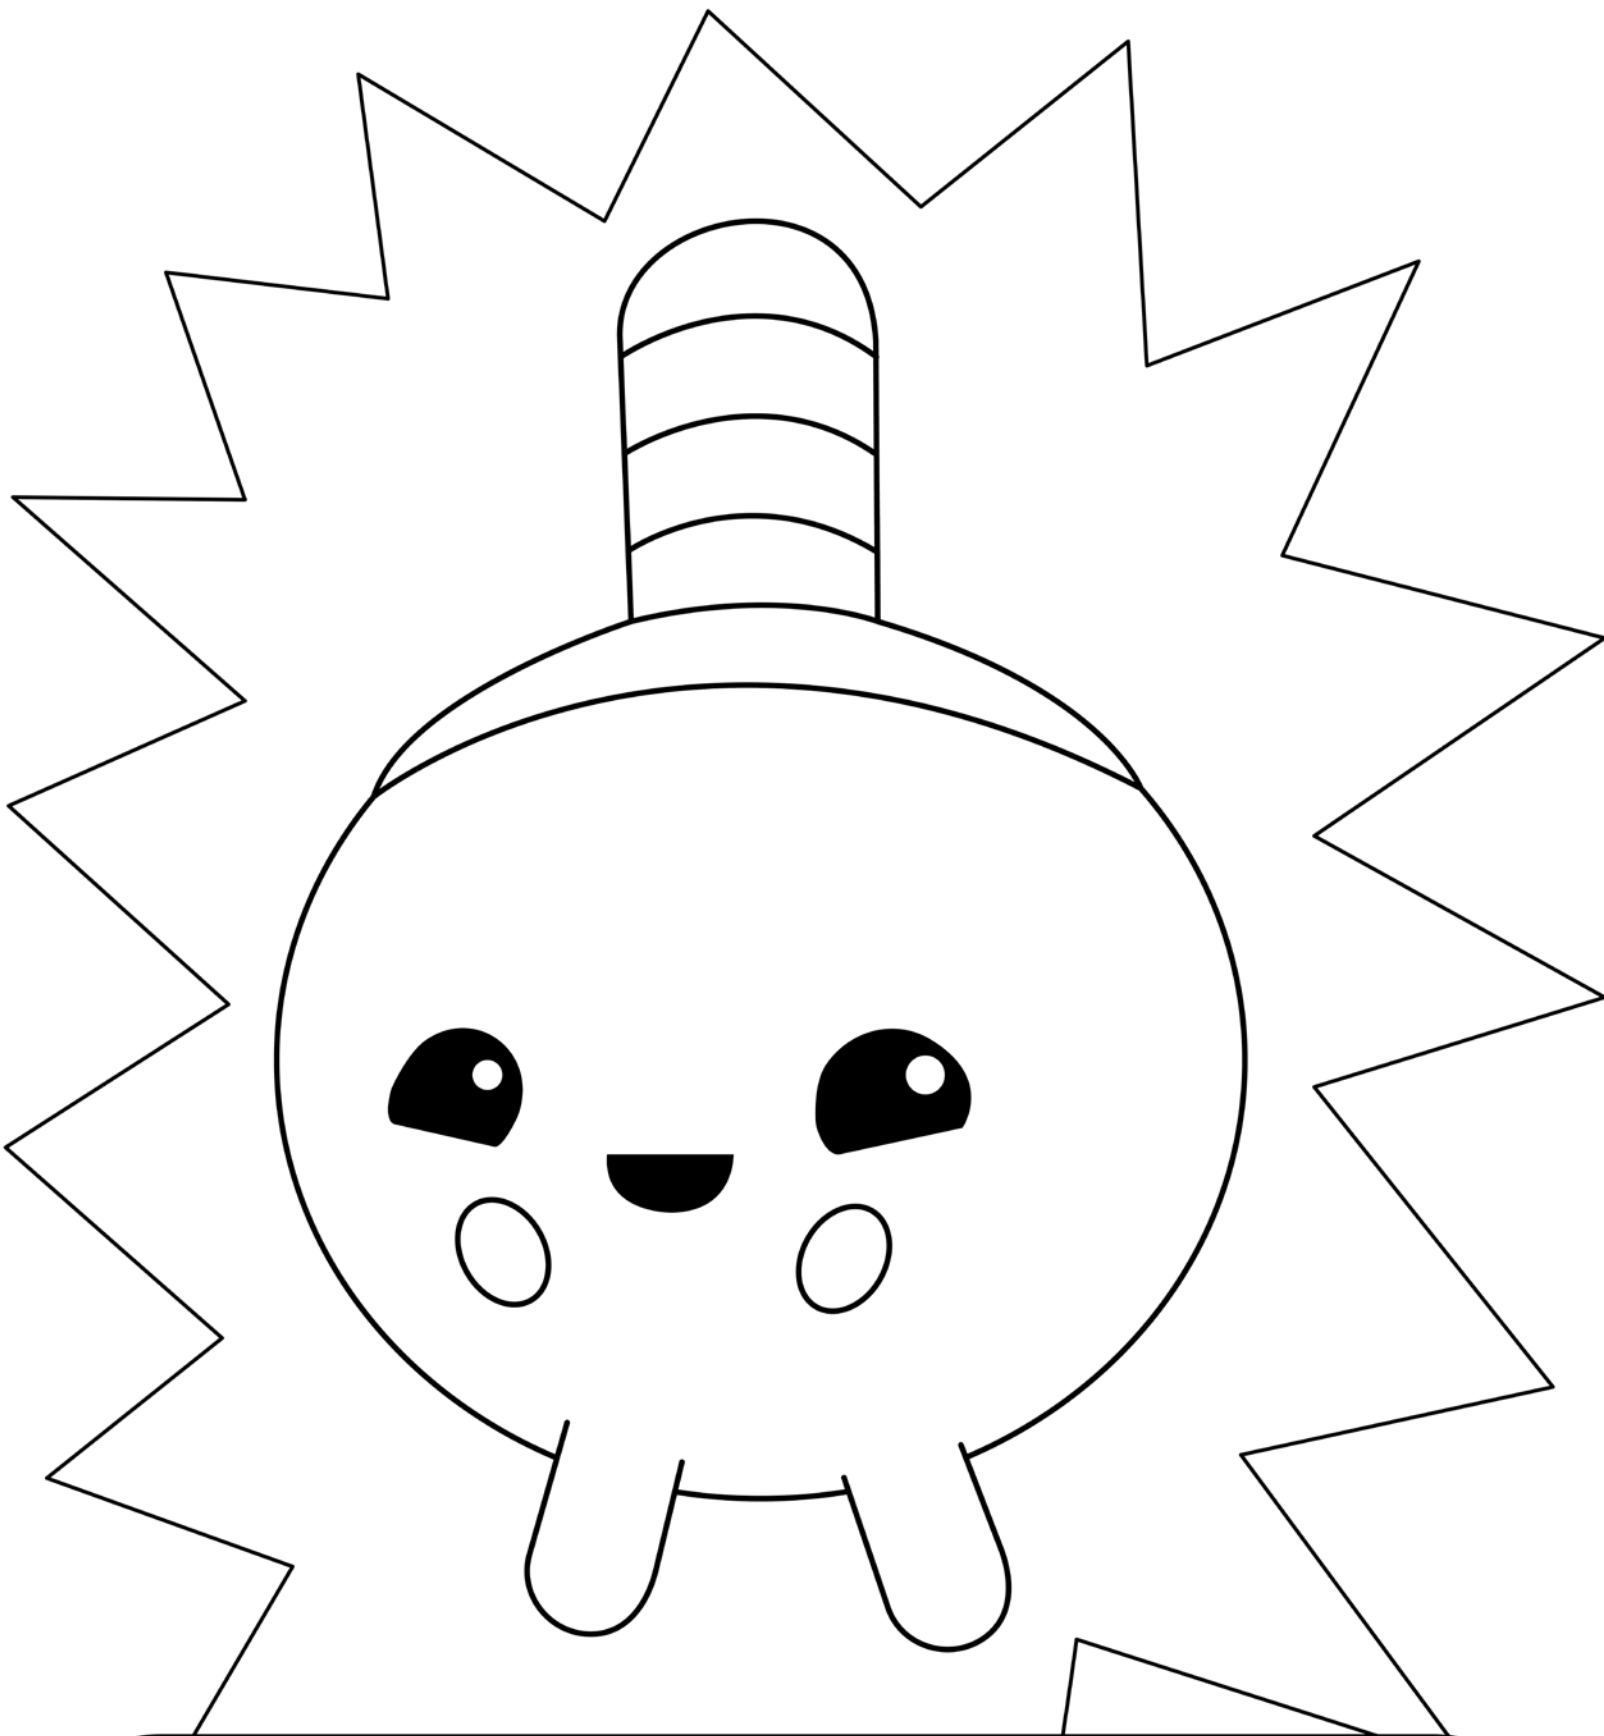

TISWAY

**Tisway plays
enchancing music
that everyone
flocks to.**

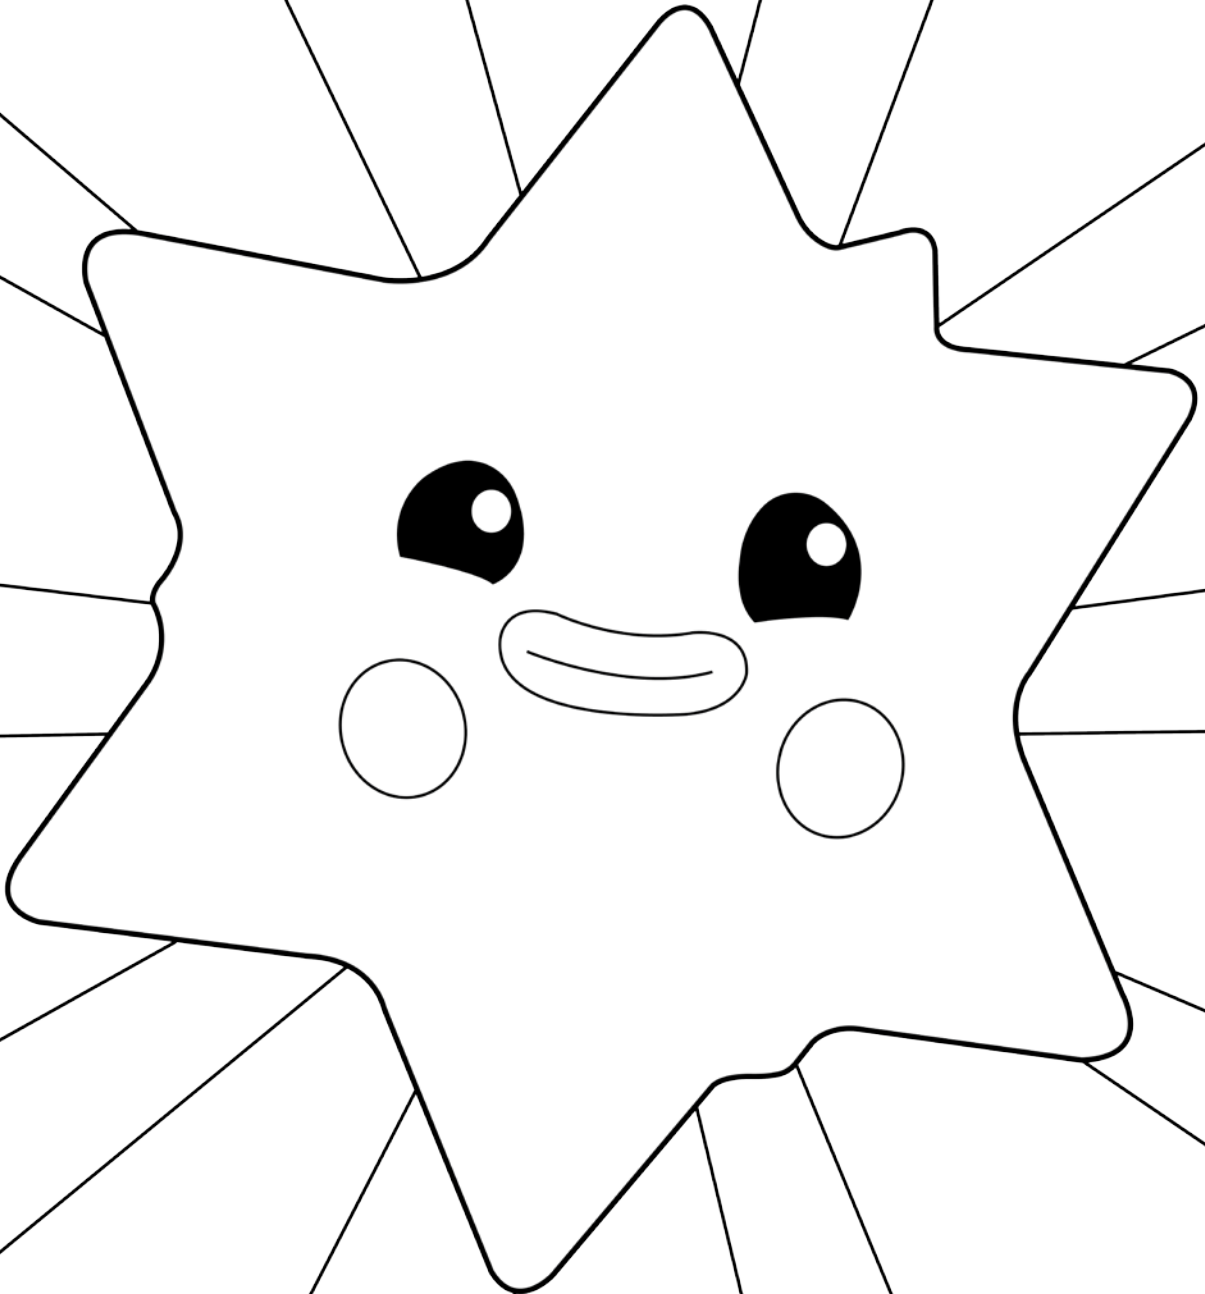

WHOOSH

It can suck air in strongly, hold it (like an inflated balloon) and then release it!

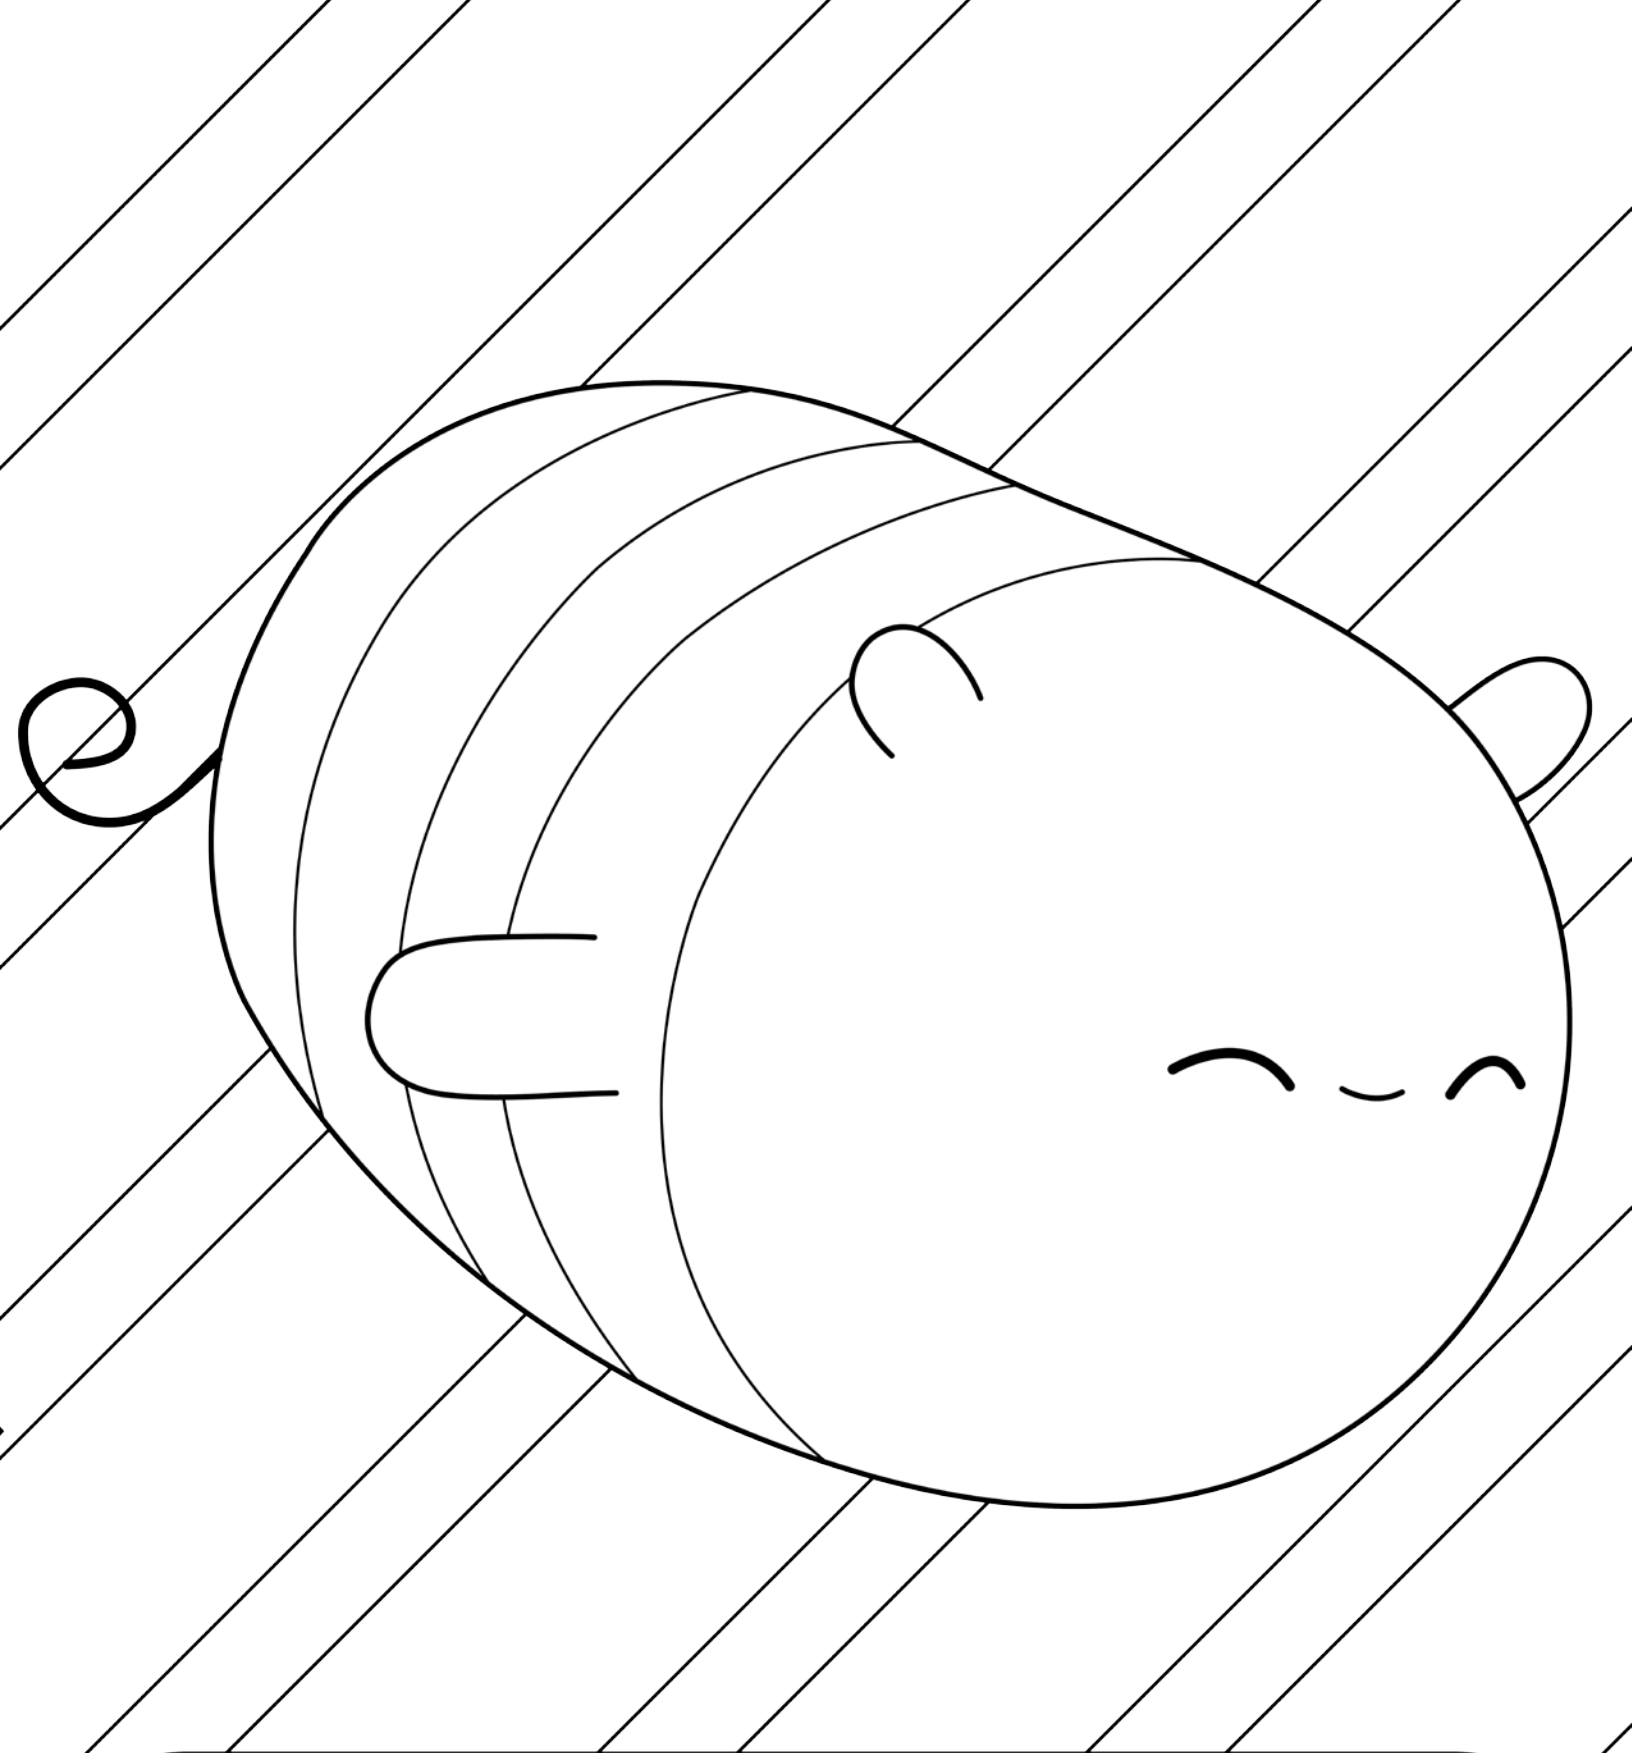

WO GLO

**Wo glo can make light that
is super bright, or really
faint - and its a bit of a
frightey-cat too!**

ZEE ZOO

**Zee zoo is like a
battery that can
take and give energy!**

ZEPPLO

**Zepplo can hold hot air
inside its body and
expand as it rises!**
