

Follow-me-eyes Pumpkin

Instructions:

1. Print on cardstock
2. Cut out the pumpkin along the outer solid line, be sure not to detach from base.
3. Wrap the base around to form a circle and glue together.
The circle should form behind the pumpkin.
4. EYES:
 - a. cut out the eye rectangle along the outer boarder.
 - b. fold on the lines closest to the eyes. It should partly cover the eyes
 - c. Fold on the next line outward so that it forms a zigzag.
 - d. Glue each tab to either side of the eyes behind the pumpkin
 - e. Trim the excess
5. Display pumpkin and Enjoy
