## PAL Finger Puppets

### ● YOU WILL NEED ●

Colored markers

Colored pencils

Scissors

Clear tape

### DIRECTIONS ●●●●●●●●●●

Color in the PALs and their horses, and then cut out all characters along their outlines.

Separately, cut out strips of paper (0.5" x 1.75") and tape each end to the back of the character. Make sure the paper strip bows out so you have a place to slide your finger.

Reenact your favorite scenes or make up your own adventures!
