EUNICE'S GREEN SLUDGE PUNCH

Ingredients

- 2 (12 fluid ounces) cans frozen limeade concentrate
- 2 (12 fluid ounces) cans frozen lemonade concentrate
- 2 (2 liters) bottles lemon-lime flavored carbonated beverage
- 2 quarts lime sherbert

Instructions

1. In a large pot, combine limeade, lemonade with lemon-lime soda.
2. Mix in lime sherbet just before serving.

Note: This GREEN SLUDGE PUNCH recipe is Dracula's favorite drink to unwind with after a long day, aside from, you know, blood. Green Sludge is a great combination of sour and sweet. Serve in monster themed cups for an added bonus!
