INSTRUCTIONS

- Paint a large section toward the left-hand side pink, with a red swirl and five purple dots, to form the shell.
- Paint his face/body blue on the right-hand side and bottom.
- Use green paint to make a thin line on the bottom of the rock to be the slime.
- Let your rock dry for about twenty minutes.
- Use the yellow marker to draw a ring around the pupils on the googly eyes. Use the green marker to color in the rest of the white.
- Cut the pipe cleaner into two antennae and glue eyes on the tops.
- Glue pip cleaners onto the body portion of Gary.
