Building on the success of the first Boss Baby film, which earned more than \$500 million worldwide, The Boss Baby: Family Business is directed by returning filmmaker Tom McGrath and is produced by Jeff Hermann (Kung Fu Panda 3).

ANSWER

TIC-TAC-TOE

Cut out the characters on the left. Choose which character you're going to be, and your opponent will be the other character. Taking turns, place one of your characters on the board at a time. The first player to place three of their characters in a row, whether it is horizontal, vertical, or diagonal, has won! If neither player is able to get three in a row, the game ends in a tie!

Juice of 1 lemon
1 Tbsp. sugar
1 Tbsp. fresh mint leaves
A thin slice of orange
8 oz sparkling water
2 or 3 ice cubes

Method

Add the ice to a tall glass.
Add the sugar and mint leaves.
Add the lemon juice.
Pour the sparkling water over and stir really well until sugar is dissolved.

YOUTHFUL SUNRISE

Ingredients:

Orange juice
Sugar-free lemonade
Grenadine
Orange slices or other fruit to serve

Method

Fill your glass about a third of the way up with orange juice.

Add lemonade to fill the glass, leaving a small gap for the grenadine.

Follow the step-by-step instructions below to make your very own paper Ninja Throwing Star. Then test your throwing skills using the target. But be careful! These stars have very sharp points and should not be thrown at people.

STEP 1

Start with a square piece of paper.

STEP 2

Fold the left side to the right side, then unfold.

STEP 3

Cut or tear (after only creasing well with your nails) in half at the line.

STEP 4

Fold each piece in half for thinner strips.

STEP 5

Fold both strips in half from top to bottom.

STEP 6

Unfold because all we need is the crease.

STEP 7

Fold the top half to the side at the crease.

STEP 8

Fold the lower half of both sheets opposite to the upper half.

STEP 9

Turn both papers over so they match the positions as shown.

STEP 10

Fold the top squares of both sheets in half as shown.

STEP 11

Fold the bottom squares of both sheets in half as shown.

STEP 12

Fold the top triangles in as shown, but make sure the base of the triangle does not pass the halfway crease. Also fold in the bottom triangles of both sheets.

STEP 13

Unfold the top and bottom triangles of both sheets.

STEP 14

Turn the right sheet over and position it exactly as shown.

STEP 15

Place the right sheet on top of the left sheet.

STEP 16

Tuck the right flap of the bottom sheet under the left side of the top sheet.

STEP 17

Tuck the left flap of the bottom sheet under the right side of the top sheet.

STEP 18

Turn the figure over.

STEP 19

Tuck the above flap into the pocket of the top sheet.

STEP 20

Tuck the lower flap into the other pocket of the top sheet.

STEP 21

Finish! Now you're a ninja with this 4 point ninja star!
