

## Daily Planner

### 1. Print your Daily Planner

You can print out your Daily Planner on regular copy paper and after glue it onto cardboard paper to make it stiffer

The planner template is set against a pink background with white polka dots. At the top, the text 'Get it done!' is written in a large, white, cursive font. Below this is a row of five circular icons, each containing a letter: 'M', 'T', 'W', 'T', and 'F'. Each icon has a black scalloped border. Below the icons is a grid of five columns, each corresponding to a day of the week. The first column is yellow, and the others are pink. Each column has several horizontal lines for writing. To the right of the grid is a faint illustration of a girl with pink hair. At the bottom left, there is a section labeled 'Notes' with several horizontal lines for writing. At the bottom center, there is a circular logo with the word 'Miraculous' in a white, cursive font, with 'ZAG HEROES' written above it. To the right of the logo is a faint illustration of a girl with blue hair sitting and writing in a notebook.
