Chickaletta's Chicken Nuggets Recipe

These delicious homemade nuggets are way better than the drive-through! Perfect for a PAW Patrol party, lunch idea, or afterschool snack.

What you need:

- Cooking oil
- 1 lb. boneless, skinless chicken breasts, cubed
- 1 cup all-purpose flour, divided
- 1/3 cup cornstarch • 1/2 teaspoon paprika
- 1/2 teaspoon pepper • 1/2 teaspoon salt
- 1/2 teaspoon garlic powder
- 1 cup soda water

Instructions:

1. Add cooking oil to a deep skillet and heat to 350 degrees.
2. Chop the chicken pieces in a food processor until finely minced.
3. Place 1/4 cup of the flour into shallow bowl. Form the chicken into small nugget-sized patties (it's helpful to have some flour on your hands while forming the patties) then dredge both sides in flour. Set the nuggets on waxed paper and continue until you've used all the chicken.
4. Mix the remaining 3/4 cup of flour, cornstarch, salt, pepper, garlic powder, and paprika together in a medium-sized bowl. Add the soda water and stir until the batter is blended completely.
5. Dip the chicken nuggets into the batter, shaking off the excess batter before adding to the hot oil. Repeat with the remaining chicken nuggets. Cook, flipping with tongs once or twice until golden brown on both sides and completely cooked. Drain on a paper towel lined plate. Serve with your favorite dipping sauces.
