

# DIY CAT TOY

## SUPPLIES

- 1 Wooden dowel • Clear wire
- Assorted color feathers
- Assorted color mini bells
- Assorted color ribbons • Super Glue
- Assorted color pipe cleaners

## INSTRUCTIONS

1. Tie a knot to end of wooden dowel with clear wire. Wrap it around end of dowel multiple times until it is firm and secure. This should cover about an inch of dowel base.
2. Leave 3 inches of clear wire to hang from the dowel. Set aside.
3. Attach bells to 6-inch pieces of ribbon and tie tightly. You can add multiple bells to your ribbons.
4. Attach feathers to pipe cleaners using super glue. Add as many feathers as you wish.
5. Gather the ends of each ribbon and pipe cleaner and tie together to the end of the clear wire hanging from dowel.
6. Add some glue to make sure it is extra secure.
7. Attach pipe cleaners or ribbon to decorate the base of dowel.
8. Enjoy your fun kitten craft!
