# GALAXY DOG BONE COOKIES FOR KIDS (NOT DOGS)

## INGREDIENTS & SUPPLIES

- 1 Roll Sugar Cookie Dough, 16.5 oz
- 1/4 Cup All Purpose Flour + Extra for Dusting
- 1 Container Blue Cookie Icing, 7 oz
- 1/3 Cup Galaxy Sprinkles with Alien and Spaceship Decorations
- 1 Teaspoon Edible Glitter • Dog Bone Cookie Cutter
- Cutting Board • Rolling Pin • Baking Sheet • Parchment Paper

## INSTRUCTIONS

1. Knead the flour into the cookie dough little by little until fully combined.
2. Sprinkle a little flour over a cutting board and rub onto rolling pin.
3. Roll out the dough until it's about 1/4" thick.  
Use cookie cutter to make bone-shaped cookies.
4. Carefully place on parchment-lined baking sheet, leaving an inch of room in between each cookie.
5. Place baking sheet into freezer for about 10 minutes or fridge for 15 minutes and heat the oven to 325°.
6. Remove cookies from freezer/fridge and place immediately into heated oven. Bake the cookies for 8-11 minutes.
7. Remove and let cool on a cooling rack.
8. When cookies are completely cooked, use icing to trace around the cookie and then fill in the middle. Carefully add sprinkles to the corner of each cookie, placing an alien or spaceship decoration in the center. Let icing set and add a little edible glitter to the cookies.
9. Store uneaten cookies in an airtight container.

**Available on  
December 7!**
