- 2 Funfetti Cookies
- 2 Mini Snack Cakes
- 5 Pieces of Sandwich Bread
- Peanut Butter & Jelly
- 1 Thick Slice of Cheese
- Slice of Watermelon
- Handful of Blueberries

## Supplies

- Dinner Plate, Small Tray or charcuterie board
- 3" Number Cookie Cutters
- 1" Letter Cookie Cutters
- Mini Star Cookie Cutter
- Kebab or Lollipop Sticks
- Toothpick(s)
- Mini Star Dish (Optional)

## Instructions

1. Using the 3" Number Cookie Cutters, cut (2 each) 1, 2 & 3 out of sandwich bread. Then, spread equal parts peanut butter and jelly onto one side of the bread and press on other piece on top to form peanut butter and jelly sandwiches. Set aside.
2. Use the 1" Letter Cookie Cutters to cut 1, 2 and 3 out of the cheese.
3. Use the kebab or lollipop sticks and add blueberries and watermelon using the star cookie cutter to make fruit kebabs. Set aside.
4. Place blue sour candy strip onto toothpick in a zigzag pattern.
5. Finally, assemble your snack tray by placing all of the snack items, candy and cookies on the plate first. Use a small star dish to separate some of the candy if desired. Once all of the snacks are placed down to fill the entire plate, carefully place the number sandwiches, lettered cheese cut-outs and fruit kebabs on top. Add additional colorful candies to add a pop of color throughout the snack plate. Serve immediately.
