THE
SMURFS

DIY HOUSE CRAFT

SUPPLIES:

• Disposable Cup or Planter/Seed Starter • Disposable Bowl • Glue • Paint Pens, Paint, or Markers

INSTRUCTIONS:

1. Find a disposable cup or planter/seed starter to use as the base of your house, along with a disposable bowl that will serve as the roof.
2. Turn the bowl upside down and glue it to the bottom of the cup to form your mushroom house.
3. If your bowl and cup are not already the color you would like for your house and roof, use paint to paint them in whatever color you would like.
4. Decorate the bowl with paint pens or markers to create the spots on your mushroom roof. Add windows and a door to the cup.
5. Outline all of your decorations with a black paint pen or marker as a finishing touch.
