

FRANKIE'S

DIARY

## FRANKIE'S DIARY

The 30th Day of November

I feel like I'm lost in the  
Bermuda love triangle

because I can't make up my  
mind whether I'm crushing on  
Jackson or Holt. Since they  
are really the same guy, am  
I allowed to date both of  
them?

## FRANKIE'S DIARY

Jackson is so scary-sweet, he's a ghowl's dream. But Holt is electric and I really get a charge out of him. They are totally polar opposites, so why do I like them both and what does that say about me? Tesla's ghost it's complicated! I don't understand why guys can't be as steady and unchanging as us ghowls. :p

The 8th Day of December

Being an only child, I always have lot of questions for Clawdeen about what it's like to have lots of brothers and sisters. Whenever I ask, the first thing she usually does is roll her eyes and tell

## FRANKIE'S DIARY

me how lucky I am that I don't have to wear hand-me-down clothes, share a room with a messy sister or be packed tightly into a car for a long road trip. Of course, she also tells the funniest stories about the things her brothers and sisters have done.

## FRANKIE'S DIARY

I think having a sibling would be scary-cool, but the last time I brought up the subject, dad sprayed coffee onto his laptop. Might want to wait a couple months before I bring it up again :)

The 3rd Day of January

After 1,599 years,  
Draculaura has had her  
share of scary-cool birthday  
parties, so I'm little worried  
about making her Sweet  
1600 party totally voltage.

## FRANKIE'S DIARY

I really want it to be uber-mega-ultra special, which is why even though her birthday is in February, we're planning it now. It's freaky to think that Draculaura has been around for almost 1,600 years. Think about everything she's seen and experienced.

## FRANKIE'S DIARY

I'm totally sparking at the bolts to do half of what Draculaura has done! When I celebrate my Sweet 1600 Party, I wonder if I will be a completely different monster than I am today? For now, I'm just sparking at the bolts to celebrate with Draculaura.

## FRANKIE'S DIARY

I already have a freaky-fab  
blue, black, silver and red  
plaid party dress to wear to  
the epic bash.
