STUDENT CONTRACT

WELCOME STUDENTS!

Want to survive your first semester?

1. Watch for famous monsters, but don't get star-struck. Or freaked out!
2. Study hard so you can make the Fiend's List.
3. Get involved in activities like casketball or fear squad. Whatever horrifies you!
4. Ask a Monster Mentor to walk you to the Creepateria. (Lunch is way too scary by yourself!)

Frightfully yours,

**Headless Headmistress
Bloodgood**
