## Don't Be a Mean Ghoul

Have you ever wanted to apologize for something you said or did to another ghoul? Cleo de Nile did. Since it's scary-cool to be kind, Cleo recently made a superior move and sent Toralei an apology note. The two ghouls may not be BFFs, but Cleo wanted to try to scratch things up with the scary werecat.

Dear Toralei:

I'm sorry I made you quit the Fear Squad. I want to stop our fearsome feud. You are pardoned for your monstrous deeds. —Kindly, Cleo

### Be Yourself. Be Unique. Be a Monster.

Follow Cleo's royal lead and send a note to a ghoul you've treated scarily using Monster Mail. From name-calling and spreading rumors to pushing and hair pulling, mean-spirited behavior among ghouls is dead wrong. It's scary-cool to be kind.

## HOWL TO: Throw a KILLER Sleepover!

You don't need a howliday to host a Monster High sleepover. Send your friends and their fav doll a Monster Mail invite to come over for a scary-cool pajama party.

### 1. Invites

Send your ghoulfriends an invite to spend a chilling night haunting your house.

### 4. Snacks

Snack on the fav fare of the Monster High ghouls: grapes, veggie treats and angel food cake.

### 2. What to Wear

Everyone can slip into a killer pair of PJs (dolls included) and let the scary sleepover fun begin.

### 5. Sleep

Even monsters need their beauty sleep. After you've put your freaky-fab dolls to rest for the night, don't stay up too late or you'll never feel alive in the morning.

### 3. Fun

Start the night with a screening of Monster High webisodes, followed by blood-red mani/pedis, a game of Truth or Scare and maybe a creepstastic dance party.

The all knowing Oracle offers killer advice and answers to horrifyingly embarrassing questions.

**Dear Oracle:** I'm crushing on a boy who sits next to me in Biteology. How can I get him to notice me?  
—Secret Admirer

**Dear Secret Admirer:** Spark up a voltage conversation with him so he can see how freaky-fab you are. Besides, I heard some ghostly gossip that he might like you, too.

**Dear Oracle:** I'm super self-conscious about my monstrously big feet. What should I do? —Size 10-Plus

**Dear Size 10-Plus:** You can't change the size of your feet, so why not celebrate them? Just think, there are probably a lot more size 10 shoes on the sale rack than size 8.

**Dear Oracle:** My older brother and his friends are always lurking around. How can I get them to leave me alone? —Little Sis

**Dear Little Sis:** Oh. My. Goth. You've got a brother to die for. You should feel ghoulishly grateful that he and his friends lurk out for you. I think it's drop-dead sweet.
