Maul Crawl

It doesn't take much to lure the ghouls to the maul, but with Draculaura's Sweet 1600 birthday coming up, Cleo, Clawdeen, Frankie and Abbey decide to go shopping for the best presents ever for their beloved birthday ghoul.

Clawdeen

**What are we gonna get the ghoul
who has everything?**

Frankie

**There's a whole maul full of freaky-fab ideas.
We're gonna find something freaktacular.**

Cleo

**And with my exquisite taste, it's sure to be ghastly!
Let's go in this boo-tique.**

Abbey

I give her yak. In my village, that is perfect gift.

As the ghouls begin to shop, they spy Clawd hunched over a display case of necklaces in the corner of the shop.

Clawdeen

**Lurk who's here. He's been chasing his tail all over
trying to find the perfect gift for Draculaura.
He might need our help.**

Frankie

That's so sweet. Let's go say hi.

Clawdeen

Hey bro. Lurking for a present for a certain vamp?

Clawd

**Oh, I'm so glad to see you ghouls. I've been trying
to pick out a furrocious necklace to get Draculaura for her
Sweet 16oo, but I just can't decide. What do you think?**

Frankie

Oh, the sparklier the better.

Abbey

All lurk like ice crystals. Why not just make ice?

page 2

Clawdeen

I don't know, Clawd. Draculaura already has hundreds of necklaces. You might want to get her something more spooktacular. It's only gonna be her Sweet 1600 birthday once.

Clawd

Like what? I'm totally stumped.

Cleo

Ghouls, over here. Lurk at these superior earrings. They would make the most dynastic gift.

Clawd

Really?

Cleo

Not from you...from me!

Frankie

Oh, I bought a pair of dangly earrings like those and I got really sparked up about something and accidentally melted them down.

page 3

Cleo

**They are so drop-dead gorgeous, I might
have to keep them for myself.**

Clawd

I'm howling for help, here. Any ideas?

Frankie

**Lurk at this scary-cool skirt. It's to die for!
What about this, Clawd?**

Cleo

**Oh, I love that. It would lurk freaky-fab on me,
doncha think? I'm gonna try it on.**

Abbey

Get fur. Will keep her warm.

Clawdeen

And we know she like furry things!

Cleo

Oh my RA! I need a killer fur like that.

page 4

Clawd

**Cleo is buying out the store, and my claws are still empty.
Maybe I'll creep over to another shop where Cleo isn't.**

Frankie

**OK, but just remember, Draculaura is going to think
of her Sweet 1600 birthday ever time she wears
whatever you get her, so it has to be voltage.**

Clawd

**This is torture. But it will be worth it when
I find the perfect present.**

Clawdeen

That's the spirit.

Frankie

Go knock 'em dead.

page 5

Draculaura

(giggling) Oh Clawd, it looks fangtastic.

Deuce sets the plate on the table, and everyone starts to eat. Lagoona is digging into to her sushi. Over to the other side of the yard, Frankie and Abbey are playing with the younger wolves. From out of nowhere, a water balloon just nearly misses Abbey, and the younger wolves break into hysterics.

Abbey

What is this? A balloon disguised as a water-delivery system. This is a joke? This is funny?

The next water balloon lobs her way and she grabs it with one hand and turns it to ice. Casually, she drops it into an ice chest filled with sodas.

Unaware of the new game, Frankie rounds a corner and is hit dead-on with an exploding water balloon. Voltage Sparks fly, scorching Deuce's tray of perfectly grilled meats.

Deuce

Okay, who wanted their meat well done?

Everyone laughs.
