TMNT Watermelon Pizza Recipe

Snack on this healthy spin on the Turtle's favorite treat – pizza!

By Carly, Nickelodeon Staff

If there's one thing Leo, Raph, Mikey and Donnie love more than fighting crime, it's pizza! The Turtles have ordered some pretty eclectic flavor combos in their day (chocolate sprinkles and clam sauce, anyone?) but never quite like this. Come summer, pizza is still a favorite snack for the Turtles and people alike, so check out this sweet and fresh alternative to the classic favorite, dudes!

What You'll Need

Watermelon

Greek yogurt

Fresh berries (e.g strawberries and blueberries)

Toppings, as desired (e.g. shredded coconut, sliced almonds, honey, chia seeds, etc.)

How to Make

Step One: Cut the watermelon in half and then cut off a cross section, about 1" thick.

Step Two: Spread the Greek yogurt (whatever flavor you like) atop the round slice, leaving a 1" ring around the edge, which will serve as the "pizza crust."

Step Three: Cut the cross section into 6-8 slices, like a pizza!

Step Four: Sprinkle on fruit as toppings – sliced strawberries as "pepperoni," and blueberries as "olives."

Step Five: Top it off with your garnish of choice – coconut shreadings, chopped nuts, or a drizzle of honey!

Perfect for summer and way healthier than your average savory pie, this sweet treat is sure to be a crowd-pleaser for all TMNT fans and friends!
