INGREDIENTS

- 1 (13.8-ounce) can refrigerated pizza crust
- $\frac{1}{3}$ cup basil pesto
- $1\frac{1}{2}$ cups shredded mozzarella cheese, divided
- $\frac{3}{4}$ cup shredded cooked chicken
- Grated Parmesan cheese, for topping
- Fresh basil leaves, for garnish

DIRECTIONS

1. Preheat oven to 400 degrees F. Line large cutting board with parchment paper and spray paper with nonstick cooking spray.
2. Unroll pizza dough into large rectangle onto prepared parchment paper. Using knife of pizza slicer, cut dough into shape of ship. Remove and discard excess dough, then transfer crust, along with parchment paper, onto baking sheet.
3. Pre-bake crust in pre-heated oven for 8 minutes. Remove from oven.
4. Spread pesto into thin layer over pizza crust. Sprinkle with 1 cup of mozzarella cheese, followed by even layer of shredded chicken, then top with remaining $\frac{1}{2}$ cup mozzarella cheese.
5. Bake in pre-heated oven for additional 6-10 minutes, or until crust is golden brown.
6. Remove pizza to serving platter and sprinkle with Parmesan cheese and fresh basil leaves.
