BERRIES RECIPE

INGREDIENTS

- 1 Cup of White Chocolate Chips
- 1 Tablespoon Vegetable Oil • Toothpick
- 12 Strawberries • Pink Heart Sprinkles
- Black Writing Icing • Blue Writing Icing

INSTRUCTIONS

Clean and dry strawberries. Set aside. Add white chocolate chips and vegetable oil to a small microwave safe bowl and warm at 15-second intervals and stir in-between until melted and smooth. Holding stems, immerse each berry into the melted chocolate until fully covered up to the stem base. Set on wax paper until the chocolate is set. Use writing icing to draw faces and designs onto strawberries. Use toothpick and dab of chocolate to add heart sprinkles to look like a bow. Enjoy immediately or store in air-tight container in the refrigerator.
