Help make Wayne and Lanny's job easier by getting your house inspection-ready for the big night!

Straighten out all of the stockings.

Make sure the areas under and around the tree are clear.

Leave cookies for Santa. (Check out his favorite sugar cookie recipe on the next page!)

Taste a cookie to make sure they are good. (Tough job, we know.)

Make sure the milk or drink you leave for Santa is nice and cold before you go to bed.

No creatures stirring! Make sure the pets have all had their dinner and are ready for bed.

Santa's Favorite Sugar Cookie Recipe

Ingredients

1 cup butter, softened
1 cup granulated sugar
1 egg
1 teaspoon vanilla extract
2 cups flour
3/4 teaspoon baking soda
1/2 teaspoon salt

Directions

Cream butter and sugar together until light. Add egg and extract and beat well. In a separate bowl, sift together flour, baking soda and salt. Add to butter mixture and blend until a soft dough forms. Drop by teaspoonful onto an ungreased baking sheet. Bake at 350 F for 8-10 minutes until lightly browned. Cool on sheets for a few moments and remove to a rack or plate to cool completely.

Write down three things you will do from now until Christmas to stay on the Nice List.

1. Print out all pages of the prep kit on regular paper or cardstock and cut them out.
2. Place the page containing the front cover and the back cover face down on a flat working surface. Spread glue all over the back side of the page. Take pages 1 and 6 and place them face up on the glued surface. Make sure the pages are lined up before the glue dries.

3. Place pages 5 and 2 face down on a flat working surface. Spread glue over the back side of the page. Take pages 3 and 4 and place them face up on the glued surface. Make sure the pages are lined up before the glue dries.

4. Stack the pages starting with pages 1 and 6 face up and then place pages 3 and 4 on top. Fold the book in half and staple it together along the outside spine. Make sure all the pages are included in the stapling.
