Holiday Ornaments Instructions

1. Print out the pages on regular paper or cardstock and cut out all of the pieces.
2. Spread glue on the white side of the paper behind each design. Fold each character piece in half along the dashed line. Make sure the two sides are lined up correctly before the glue dries. Repeat for all pieces -- including Wayne's candy cane grappling hook.
3. Punch a hole where the gold dot indicates and use string or ribbon to hang each ornament from your tree.
4. For Wayne's candy cane grappling hook: Tie one end of a 10-inch string or ribbon to the hole in the grappling hook, and then tie the other end to the hole in Wayne's hand. Loop the grappling hook end of the string or ribbon around one of the tree's branches so Wayne hangs from the tree.
