MONSTER TRUCK WHEEL COOKIES

INSTRUCTIONS

1. Preheat oven to 325 degrees. Line a baking sheet with parchment paper.
2. In a medium bowl, beat together butter and 2/3 cup sugar until combined.
3. Add in flour & vanilla and blend well.
4. Roll the dough into 1-inch balls and place on the baking sheets 2 inches apart.
5. With the bottom of a measuring cup or glass, press down on the balls to flatten.
6. Bake for 14-16 minutes or until just slightly golden around the edges and on the bottoms.
7. Remove from the oven and let rest on the baking sheets for at least 10-15 minutes.
8. Mix royal icing according to directions.
9. When cookies cool, ice the entire cookie creating a nice black circle. Use grey sprinkles to make a circle in the center. Add your tire tracks by putting the royal icing in a piping bag and making stripes along the outside of the circle.
10. Enjoy your rescue wheels!
