back

front

Trim around the pop-up as close as possible. Fold the push-up tab along the dashed lines and apply glue where shown to create the push-up tab.

Slide the pop-up into the card allowing the push-up tab to pass through slot. Fold the push-up tab to the front of the card and insert the finished card into the envelope.

### Envelope Instructions:

- Print the envelope on regular paper. Trim along solid gray lines. Kids, have a grown up help you with the scissors.
- Fold flaps in along the dashed gray lines and secure with tape.
- Envelope is not intended for postal mail. Hand delivery recommended.
