

SHARK WEEK DOTS GAME

Take turns drawing lines between the dots to complete as many squares as you can! When you complete a square, write your initials in it to keep track of yours. For every square you complete, you get an extra turn. When all of the squares are filled in, the game is over. Each square is worth one point, Shark Fins are worth 3 points, and the Beach Ball is worth 5 points. The player with the most points wins.
